AN ACT to amend the real property tax law and the tax law, in relation to the "Middle Class STAR" rebate program; to amend the tax law, in relation to creating the middle class circuit breaker tax credit; to amend the administrative code of the city of New York, in relation to an enhanced personal income tax credit in such city; and to amend the education law, in relation to establishing limitations upon school district tax levies

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The real property tax law is amended by adding two new
2 sections 1306-b and 1307 to read as follows:

3 § 1306-b. "Middle Class STAR" rebate program. 1. Tax rebates. (a) If a
4 parcel is entitled to the basic or enhanced STAR exemption authorized by
5 section four hundred twenty-five of this chapter for the two thousand
6 seventeen--two thousand eighteen school year and each year thereafter,
7 except as provided in paragraph (g) of subdivision three of this
8 section, a local property tax rebate shall be provided to the owner or
9 owners of such parcel as shown on the final assessment roll for such
10 year, in an amount computed as prescribed by this section and section
11 one hundred seventy-eight of the tax law.

12 (b) It shall be the responsibility of the department to issue such tax
13 rebates to such owners in the manner provided by section one hundred
14 seventy-eight of the tax law. Nothing in this section shall be construed
15 as permitting partial or installment payments of taxes in a jurisdiction
16 which has not authorized the same pursuant to law.

17 2. Procedure. (a) On or before August fifteenth each year, the depart-
18 ment, or on or before July first each year, in the case of a city with a
19 population of one million or more, the commissioner of finance of such

1 in a mutually agreeable format concerning those parcels which have been
2 granted an exemption authorized by section four hundred twenty-five of
3 this chapter on the assessment rolls used to generate the school tax
4 bills for the two thousand seventeen--two thousand eighteen school tax
5 year and for each year thereafter; except as provided in paragraph (g)
6 of subdivision three of this section, provided however the information
7 to be provided on such report shall be obtained from the final assess-
8 ment roll data files used to generate the two thousand seventeen--two
9 thousand eighteen school tax bills and each year thereafter, filed with
10 the department pursuant to section fifteen hundred ninety of this chap-
11 ter on or before July thirty-first of such year. Such report shall set
12 forth the names and mailing addresses of the owners of such parcels as
13 shown on such assessment roll data files, the identification numbers of
14 such parcels as shown on such assessment roll data files, and such other
15 information in the possession of the department, or in the case of a
16 city with a population of one million or more, the commissioner of
17 finance of such city, as the commissioner may deem necessary for the
18 effective administration of this program, including information regard-
19 ing cooperative apartment buildings and mobile home parks or similar
20 property. It shall be the responsibility of the assessor or assessors of
21 each assessing unit to ensure that the names and mailing addresses of
22 such owners are accurately recorded on such rolls and files to the best
23 of his or her ability, based upon the information contained in his or
24 her office. Nothing contained in this subdivision shall be construed as
25 affecting in any way the validity or enforceability of a real property
26 tax, or the applicability of interest or penalties with respect thereto,
27 when an owner's name or mailing address has not been accurately
28 recorded.

29 (b) (i) Notwithstanding the provisions of paragraph (a) of this subdivi-
30 vision, where an assessing unit contains one or more properties which
31 are receiving such exemption in relation to a prior year assessment roll
32 pursuant to paragraph (d) of subdivision six of section four hundred
33 twenty-five of this chapter, or contains one or more parcels with
34 respect to which such exemption was duly added or removed after the
35 filing of the final assessment roll pursuant to the provisions of title
36 three of article five of this chapter, the department may require the
37 assessor to file with it, on or before July thirty-first each year, or
38 such later date as the department may specify, a supplemental report
39 relating to such property or properties, so that information pertaining
40 to the owners thereof may be included in the report to be made to the
41 commissioner pursuant to this paragraph. When any information required
42 by this paragraph is received by the department after July thirty-first
43 each year, such information shall be transmitted as soon as reasonably
44 practicable to the commissioner for use in issuing local property tax
45 rebates pursuant to section one hundred seventy-eight of the tax law.

46 (ii) Where the ownership of a parcel that had been eligible for a
47 rebate pursuant to this section changes or an exemption under section
48 four hundred twenty-five of this chapter has been granted or removed,
49 the assessor shall notify the department of the change no later than
50 August first of the following year.

51 3. Rebate base. (a) The department shall calculate the rebate base
52 and certify the same no later than July first each year.

53 (b) Two rebate bases for the basic STAR exemption shall be determined
54 for each segment for the two thousand seventeen--two thousand eighteen
55 and subsequent school years. Such rebate bases shall be computed by
56 determining the exempt amount established for the segment for purposes

1 of the basic STAR exemption for the two thousand seventeen--two thousand
2 eighteen and subsequent school years, multiplying that amount by the
3 school district tax rate applicable within that segment for purposes of
4 the two thousand seventeen--two thousand eighteen and subsequent school
5 years, as reported by the school district. For the two thousand seven-
6 teen--two thousand eighteen and subsequent school years, such rebate
7 bases shall be computed by multiplying the product by sixty percent and
8 forty-five percent, respectively. The results shall be associated with
9 the first and second income brackets, respectively, that are applicable
10 within that segment.

11 (b-1) (i) The first income bracket shall be up to and including one
12 hundred twenty thousand dollars; the second income bracket shall be over
13 one hundred twenty thousand dollars up to and including one hundred
14 fifty thousand dollars.

15 (ii) Such brackets are subject to indexing for inflation pursuant to
16 subdivision fifteen of section one hundred seventy-eight of the tax law.

17 (c) One rebate base for the enhanced STAR exemption shall be deter-
18 mined for each segment for the two thousand seventeen--two thousand
19 eighteen and subsequent school years. Such rebate bases shall be
20 computed by determining the exempt amount established for the segment
21 for purposes of the enhanced STAR exemption for the two thousand seven-
22 teen--two thousand eighteen school year. Such rebate bases shall be
23 computed by multiplying that amount by the school district tax rate
24 applicable within that segment for purposes of that school year, as
25 reported by the school district, and then multiplying the product.

26 (d) For purposes of this section, the term "segment" means the part of
27 a city or town that is within a school district.

28 (e) In the case of school districts within special assessing units as
29 defined in section eighteen hundred one of this chapter, the school
30 district tax rate to be used for this purpose shall be the tax rate
31 applicable to class one properties as defined in article eighteen of
32 this chapter, as reported by the school district and the exempt amount
33 shall be established for the segment. In the case of school districts
34 within approved assessing units as defined in section nineteen hundred
35 one of this chapter which have adopted the provisions of section nine-
36 teen hundred three of this chapter, the school district tax rate to be
37 used for this purpose shall be the tax rate applicable to the homestead
38 class, as defined in article nineteen of this chapter, as reported by
39 the school district.

40 (f) Where the provisions of subparagraph (iv) of paragraph (k) of
41 subdivision two of section four hundred twenty-five of this chapter are
42 applicable, the applicable rebate amount shall be one-third of the
43 otherwise applicable rebate amount set forth in paragraph (b) or (c) of
44 this subdivision. The department shall calculate and certify the rebate
45 amounts applicable in such cases, along with the certification required
46 by paragraph (a) of this subdivision.

47 (g) For the purposes of the two thousand seventeen--two thousand eigh-
48 teen school year and each year thereafter, tax rebates authorized pursu-
49 ant to this section shall apply only to those owners who:

50 (i) have attained the age of sixty-five years or older; and

51 (ii) have "affiliated income" as defined in paragraph (b) of subdivi-
52 sion six of section one hundred seventy-eight of the tax law equal to or
53 less than one hundred fifty thousand dollars.

54 § 1307. Limitations upon school district tax levies. 1. Generally.
55 Unless otherwise provided by law, the amount of taxes that may be levied
56 by or on behalf of any school district, other than a city school

1 district of a city with one hundred twenty-five thousand inhabitants or
2 more, shall not exceed the tax levy limitations established pursuant to
3 section two thousand twenty-three-c of the education law. It shall be
4 the responsibility of the commissioner of education to annually deter-
5 mine the tax levy limit of each school district in accordance with the
6 provisions of this section.

7 2. Definitions. As used in this section:

8 (a) "Available carryover" means the sum of the amounts by which the
9 tax levy for each school year from the two thousand seventeen--two thou-
10 sand eighteen school year through the prior school year was below the
11 applicable tax levy limit for such school year, if any.

12 (b) "Capital local expenditures" means the taxes associated with budg-
13 eted expenditures resulting from the construction, acquisition, recon-
14 struction, rehabilitation or improvement of school buildings, including
15 debt service and lease expenditures, subject to the approval of the
16 qualified voters where required by law.

17 (c) "Capital tax levy" means the tax levy necessary to support capital
18 local expenditures, if any.

19 (d) "Coming school year" means the school year for which tax levy
20 limits are being determined pursuant to this section.

21 (e) "Inflation factor" means the percentage that represents the prod-
22 uct of one hundred and the quotient of: (i) the average of the national
23 consumer price indexes determined by the United States department of
24 labor for the twelve month period preceding January first of the current
25 year minus the average of the national consumer price indexes determined
26 by the United States department of labor for the twelve-month period
27 preceding January first of the prior year, divided by: (ii) the average
28 of the national consumer price indexes determined by the United States
29 department of labor for the twelve-month period preceding January first
30 of the prior year, with the result expressed as a decimal to two places.

31 (f) "Levy growth factor" shall be the lesser of: (i) four percent; or
32 (ii) one hundred twenty percent of the inflation factor.

33 (g) "Prior school year" means the school year immediately preceding
34 the coming school year.

35 (h) "School district" means a common school district, union free
36 school district, central school district, central high school district
37 or a city school district in a city with less than one hundred twenty-
38 five thousand inhabitants.

39 (i) "Tax levy base" means the amount of taxes a school district would
40 be authorized to levy without the addition of any available carryover
41 amount.

42 (j) "Tax levy limit" means the amount of taxes a school district is
43 authorized to levy pursuant to this section, provided, however, that the
44 tax levy limit shall not include the district's capital tax levy, if
45 any.

46 3. Tax base growth factor. (a) No later than March first of each year,
47 the department shall identify those school districts for which tax base
48 growth factors must be determined for the coming school year, and shall
49 notify the commissioner of education of the tax base growth factors so
50 determined, if any.

51 (b) The department shall calculate a quantity change factor for each
52 school district for the coming school year based upon the physical or
53 quantity change, as defined by section twelve hundred twenty of this
54 chapter, reported to the department by the assessor or assessors pursu-
55 ant to section five hundred seventy-five of this chapter. The quantity
56 change factor shall show the percentage by which the full value of the

1 taxable real property in the school district has changed due to physical
2 or quantity change between the second final assessment roll or rolls
3 preceding the final assessment roll or rolls upon which taxes are to be
4 levied, and the final assessment roll or rolls immediately preceding the
5 final assessment roll or rolls upon which taxes are to be levied.

6 (c) After determining the quantity change factor for a school
7 district, the department shall proceed as follows:

8 (i) If the quantity change factor is negative, the department shall
9 not determine a tax base growth factor for the school district.

10 (ii) If the quantity change factor is positive, the department shall
11 determine a tax base growth factor for the school district which is
12 equal to the quantity change factor, provided that in no case shall a
13 tax base growth factor be in excess of ten percent.

14 4. Computation of tax levy limits. (a) The tax levy base for each
15 school year shall be determined as follows:

16 (i) Ascertain the total amount of taxes levied for the prior school
17 year.

18 (ii) Add any payments in lieu of taxes that were receivable in the
19 prior school year.

20 (iii) Subtract the capital tax levy for the prior school year, if any.

21 (iv) Multiply the result by the levy growth factor.

22 (v) Multiply the result by the tax base growth factor, if any.

23 (b) The tax levy base shall be adjusted by adding the available carry-
24 over, if any, provided that in no event shall the amount of added carry-
25 over exceed one and one-half percent of the tax levy for the prior
26 school year.

27 (c) The tax levy limit for the coming school year shall be the
28 adjusted tax levy base, less any payments in lieu of taxes receivable in
29 the coming school year. No later than March first of each year, the
30 commissioner of education shall calculate the tax levy limit for each
31 school district, and shall notify each school district of the levy
32 growth factor, the district's tax base growth factor, if any, the
33 district's tax levy base and the district's tax levy limit.

34 5. Voter underrides. The qualified voters of a school district may
35 vote to reduce (or override) the limitations imposed by this section
36 for such school district for the coming school year in the manner
37 provided by section two thousand twenty-three-c of the education law.

38 6. Reorganized school districts. When two or more school districts
39 reorganize, the commissioner of education shall determine the tax levy
40 limit for the reorganized school district based on the respective tax
41 levy limits of the school districts that formed the reorganized district
42 from the last school year in which they were separate districts,
43 provided that in the event of formation of a new central high school
44 district, the tax levy limits for the new central high school district
45 and its component school districts shall be determined in accordance
46 with a methodology prescribed by the commissioner of education.

47 7. Erroneous levies. In the event a school district's actual tax levy
48 for a given school year exceeds the maximum allowable levy as estab-
49 lished pursuant to section two thousand twenty-three-c of the education
50 law due to clerical or technical errors, the school district shall place
51 the excess amount of the levy in reserve in accordance with such
52 requirements as the state comptroller may prescribe, and shall use such
53 funds and any interest earned thereon to offset the tax levy for the
54 ensuing school year.

55 § 2. The tax law is amended by adding a new section 178 to read as
56 follows:

1 § 178. "Middle Class STAR" rebate program. 1. The commissioner shall
2 issue the local property tax rebates authorized by section thirteen
3 hundred six-b of the real property tax law except as provided in para-
4 graph (g) of subdivision three of such section. For purposes of this
5 section the rebate shall be calculated using the computation formula set
6 forth in subdivision three of section thirteen hundred six-b of the real
7 property tax law.

8 2. On or before August fifteenth each year, the department, or on or
9 before July first each year in the case of a city with a population of
10 one million or more, the commissioner of finance, shall provide to the
11 commissioner a report in a mutually agreeable format concerning those
12 parcels which satisfy the criteria set forth in section thirteen hundred
13 six-b of the real property tax law.

14 3. The commissioner in consultation with, in the case of a city with a
15 population of one million or more, the commissioner of finance of such
16 city, is authorized to develop procedures necessary to provide for the
17 issuance of local property tax rebates to qualifying property owners,
18 and those qualifying property owners that did not receive them initial-
19 ly. If the commissioner is not satisfied that the property owner is
20 qualified for the local property tax rebate, the commissioner shall not
21 issue such rebate.

22 4. When the proper payment of a tax rebate under this section depends
23 upon construction of the meaning of the provisions of section thirteen
24 hundred six-b of the real property tax law (and any related provisions
25 of such law) or interpretation of the terms contained therein, it shall
26 be the responsibility of the department to provide the construction or
27 interpretation of any such provisions or terms.

28 5. By depositing a rebate issued pursuant to this section and author-
29 ized by section thirteen hundred six-b of the real property tax law, the
30 payee is certifying that he or she is the property owner, and that the
31 primary residence of such property owner is not subject to any delin-
32 quent school taxes.

33 6. Verification of "affiliated income" for "Middle Class STAR" rebate
34 program. (a) Generally. The determination of the "affiliated income" of
35 parcels for purposes of the "Middle Class STAR" rebate program as
36 authorized by subdivision three of section thirteen hundred six-b of the
37 real property tax law shall be made as provided by this section.

38 (b) For purposes of this subdivision, the term "income" shall have the
39 same meaning as set forth in subparagraph (ii) of paragraph (b) of
40 subdivision four of section four hundred twenty-five of the real prop-
41 erty tax law. The term "affiliated income" shall mean the combined income
42 of all of the owners of the parcel who resided primarily thereon on the
43 taxable status date for the assessment roll used to generate the appli-
44 cable school tax bills, and of any owners' spouses filing jointly or
45 spouses' residing primarily thereon in the cases of spouses' filing
46 separate returns on such taxable status date and shall be determined as
47 follows:

48 (i) For the two thousand seventeen--two thousand eighteen school year,
49 affiliated income shall be determined based upon the parties' incomes
50 for the income tax year ending in two thousand sixteen. In each subse-
51 quent year, the applicable income tax year shall be advanced by one
52 year.

53 (ii) The department shall determine the affiliated income for each
54 parcel and shall assign a rebate amount for each parcel based upon such
55 determination. In any case where affiliated income cannot be determined,
56 a rebate shall not be issued.

1 7. Notification requirement. The department shall mail information
2 concerning the "Middle Class STAR" rebate program to owners of parcels
3 receiving a basic STAR exemption on the assessment roll used to generate
4 the two thousand seventeen--two thousand eighteen school tax bill. Such
5 notification shall explain that property owners must file applications
6 with the department in order to obtain the rebate available under the
7 "Middle Class STAR" rebate program. Such notice shall further explain
8 how to obtain the application.

9 8. Applications. (a) In order to obtain the benefits of the "Middle
10 Class STAR" rebate program, the property owner must submit an applica-
11 tion to the department no later than December thirty-first, two thousand
12 seventeen. The applicant shall provide the department with such infor-
13 mation as may be necessary to determine the parcel's affiliated income.
14 The persons other than the applicant whose incomes are necessary to the
15 determination of the parcel's affiliated income shall be referred to in
16 this section as "affiliated persons." Recipients of the enhanced STAR
17 exemption shall not file an application to receive a rebate. The depart-
18 ment shall mail enhanced STAR rebate recipients their rebates in a time-
19 ly manner.

20 (b) If the applicant or any affiliated persons were not required to
21 file state income tax returns for the two thousand sixteen income tax
22 year because their incomes were below the threshold that necessitated
23 such filing, the application shall so indicate.

24 (c) If the applicant or any affiliated persons were not required to
25 file state income tax returns for the two thousand sixteen income tax
26 year because they did not reside in the state in such taxable year, the
27 application shall so indicate. Such persons shall provide with the
28 application any information that the department determines is necessary
29 to calculate the parcel's affiliated income under the "Middle Class
30 STAR" rebate program.

31 (d) After two thousand seventeen, applications shall be required only
32 when a new application for a basic STAR exemption for real property
33 taxation is filed pursuant to section four hundred twenty-five of the
34 real property tax law, or when there is a change of ownership which does
35 not necessitate the filing of a new application for a basic STAR
36 exemption. In either instance, an application shall be submitted to the
37 department on a timely basis.

38 (e) If an application for a "Middle Class STAR" rebate is received
39 after December thirty-first, two thousand seventeen, an otherwise eligi-
40 ble property owner shall not receive a rebate for such year. However,
41 such application shall be considered timely filed for a rebate in subse-
42 quent years provided the ownership of the parcel remains unchanged.

43 9. Processing of applications. (a) After receiving a timely applica-
44 tion, the department shall attempt to determine the affiliated income of
45 the parcel and the rebate amount to which the parcel is entitled, if
46 any.

47 (b) In the case of an application which indicates that the applicant
48 and any affiliated persons were not required to file state income tax
49 returns for the two thousand sixteen income tax year because their
50 incomes were below the threshold which necessitated the filing of a
51 state income tax return, the department may, subject to audit, issue a
52 rebate equal to the highest amount available for that school district
53 segment.

54 (c) In the case of an application which indicates that the applicant
55 and any affiliated persons were not required to file state income tax
56 returns for the two thousand sixteen income tax year because they did

1 not reside in the state in such taxable year, the applicant shall
2 provide such information regarding income as is requested by the depart-
3 ment. The department shall issue a rebate based upon the information
4 provided by the applicant and any other information to which the depart-
5 ment may have access concerning the income of such person or persons.

6 10. Reconsideration of rebate amount. In the event the department is
7 unable to determine the affiliated income for a parcel or the department
8 determines that a rebate shall not be issued for a parcel, the depart-
9 ment shall notify the applicant of that fact. A property owner may seek
10 reconsideration of the rebate amount determination for his or her parcel
11 on the grounds that the parcel's affiliated income was determined erro-
12 neously. A property owner may also seek reconsideration if no rebate was
13 issued because the parcel's affiliated income was undetermined. An
14 application for reconsideration of rebate amount shall be made in a
15 manner prescribed by the department, and shall be accompanied by such
16 documentation as the department may require. Such application shall be
17 filed no later than March thirty-first, two thousand eighteen. If the
18 department finds after reviewing such an application that the rebate
19 amount determination for a parcel should be corrected, it shall issue an
20 amended or initial rebate check. If the department finds after reviewing
21 such an application that the rebate amount determination for the parcel
22 was correctly determined, it shall so notify the applicant. Such notifi-
23 cation shall include an explanation of the department's findings, indi-
24 cate that the applicant has the right to a proceeding under article
25 seventy-eight of the civil practice law and rules, and indicate the
26 statute of limitations associated with such proceedings. Such finding
27 shall be subject to review pursuant only to a proceeding under article
28 seventy-eight of the civil practice law and rules.

29 11. Special provisions relating to co-operative apartment units and
30 mobile homes. The department's determination of affiliated income shall
31 be made with respect to the tenant-shareholders or owners of the unit in
32 question rather than of the parcel.

33 12. Subsequent years. In each year subsequent to two thousand sixteen,
34 affiliated incomes shall continue to be determined as provided by this
35 section for purposes of the "Middle Class STAR" rebate program, except
36 that:

37 (a) The notification requirement of subdivision seven of this section
38 shall not be applicable;

39 (b) Applications shall be required only as provided in subdivision
40 eight of this section; and

41 (c) In each subsequent year, the applicable income tax year for deter-
42 minations under this section shall be advanced one year. All other
43 applicable dates and deadlines which reference a date in two thousand
44 sixteen shall be advanced and shall be deemed to reference dates in that
45 subsequent year, except that applications for reconsideration of rebate
46 amount determinations shall be submitted no later than March thirty-
47 first of the ensuing year.

48 13. Confidential information; disclosure prohibition. Information
49 regarding rebates issued to individuals shall not be subject to disclo-
50 sure; including names, addresses, and dollar amounts of rebates. In
51 addition, all applications submitted for rebates shall not be subject to
52 disclosure.

53 14. Deadline. If any applicable deadline shall fall on a Saturday,
54 Sunday or legal holiday, such deadline shall be advanced to the next
55 business day.

1 15. Affiliated income brackets; indexing. The department shall estab-
2 lish the affiliated income brackets to be associated with the rebate
3 amounts for the two thousand twenty-two--two thousand twenty-three
4 school year and each school year thereafter by applying the inflation
5 factor set forth in this subdivision to the figures that defined the
6 income brackets that were applicable to the two thousand twenty-one--two
7 thousand twenty-two school year, and rounding each result to the nearest
8 multiple of one hundred dollars. For purposes of this subdivision, the
9 "inflation factor" for each income bracket shall be determined by the
10 percentage increase in the consumer price index for urban wage earners
11 and clerical workers (CPI-W) published by the United States department
12 of labor, bureau of labor statistics, for the third quarter of the
13 calendar year preceding the applicable school year, as compared to the
14 third quarter of the prior calendar year. If a base figure as so deter-
15 mined is not exactly equal to a multiple of one hundred dollars, it
16 shall be rounded to the nearest multiple of one hundred dollars. In each
17 subsequent school year, the prior year's income brackets shall be
18 indexed using the above formula with each year advanced by one year.

19 § 3. Section 606 of the tax law is amended by adding a new subsection
20 (ccc) to read as follows:

21 (ccc) Middle class circuit breaker credit. (1) Definitions. For the
22 purposes of this subsection:

23 (A) "Qualified taxpayer" means a resident individual of the state who
24 owns or rents the residential real property in which he or she resides,
25 and has resided in such residential real property for not less than
26 three years.

27 (B) "Household" or "members of the household" means a qualified
28 taxpayer or qualified taxpayers and all other persons, not necessarily
29 related, who all reside in the residential real property owned by the
30 taxpayer or taxpayers, and share its furnishings, facilities and accom-
31 modations; provided that no person may be a member of more than one
32 household at one time.

33 (C) "Household gross income" means the aggregate adjusted gross income
34 of all members of the household for the taxable year as reported for
35 federal income tax purposes, or which would be reported as adjusted
36 gross income if a federal income tax return were required to be filed,
37 with the modifications in subsection (b) of section six hundred twelve
38 of this article but without the modifications in subsection (c) of such
39 section, plus any portion of the gain from the sale or exchange of prop-
40 erty otherwise excluded from such amount; earned income from sources
41 without the United States excludable from federal gross income by
42 section nine hundred eleven of the internal revenue code; support money
43 not included in adjusted gross income; nontaxable strike benefits;
44 supplemental security income payments; the gross amount of any pension
45 or annuity benefits to the extent not included in such adjusted gross
46 income (including, but not limited to, railroad retirement benefits and
47 all payments received under the federal social security act and veter-
48 ans' disability pensions); nontaxable interest received from the state
49 of New York, its agencies, instrumentalities, public corporations, or

§ 13. The education law is amended by adding a new section 2023-c to
 read as follows:

§ 2023-c. Voter approval of tax levy limitations. 1. The tax levy for
any school district subject to the tax levy limitations established by
section thirteen hundred seven of the real property tax law shall be
approved by the qualified voters of the school district as provided in
this section. As used in this section, the term "tax levy proposition"
means a proposition to authorize a tax levy sufficient to support the
proposed school district budget, excluding any proposed capital tax
levy; the term "override proposition" means a proposition to impose a
more restrictive tax levy limit upon a school district than the tax levy

1 limit established pursuant to section thirteen hundred seven of the real
2 property tax law; and the term "general purpose state aid" means all
3 forms of state aid which are payable to a school district as general
4 support for the public schools, with the exception of building aid,
5 library aid, computer hardware and software aid, universal pre-kinder-
6 garten aid and textbook aid. The director of the budget shall annually
7 certify the amount of general purpose state aid payable to each school
8 district.

9 2. a. The qualified voters of a common school district, union free
10 school district, central school district, central high school district
11 or a city school district in a city with less than one hundred twenty-
12 five thousand inhabitants, upon filing of a valid petition pursuant to
13 paragraph b of this subdivision, may vote to impose tax levy limits for
14 the ensuing school year that are more restrictive than those otherwise
15 imposed by section thirteen hundred seven of the real property tax law.
16 No such vote shall apply to more than one school year.

17 b. Upon the filing with the trustee, trustees or board of education of
18 one or more petitions pursuant to this subdivision requesting that an
19 underride proposition be submitted for a vote at a special district
20 meeting, such officers shall call a special district meeting to be held
21 on the first Tuesday in May, or the last Tuesday in April where there
22 would be a conflict with religious observances, in accordance with the
23 applicable provisions of subdivision three of section two thousand seven
24 of this part, for the purpose of submitting to the qualified voters an
25 underride proposition. Such officers shall submit for a vote of the
26 qualified voters the proposition that was signed by the greatest number
27 of qualified voters, or, if there is a tie, the proposition signed by
28 the greatest number of qualified voters that was filed first. A petition
29 for an underride proposition shall be signed by: (i) at least ten
30 percent of the registered voters of the school district based on the
31 register prepared at the last annual meeting and election of the school
32 district; or (ii) if the school district does not provide for the
33 personal registration of voters, by two hundred fifty qualified voters
34 or twenty percent of the number of voters who voted in the previous
35 annual election of the members of the board of education or trustees,
36 whichever is less. Such petition shall be filed in the office of the
37 clerk of the district between the hours of nine a.m. and five p.m., not
38 later than the twentieth day preceding the special district meeting at
39 which an underride vote may occur.

40 c. Where a proposition to underride a tax levy limitation is to be
41 submitted for a vote at a special district meeting called for this
42 purpose, the clerk of the district shall give notice of the time and
43 place of the special district meeting by publishing a notice at least
44 fourteen days prior to the special district meeting in two newspapers if
45 there shall be two, or in one newspaper if there shall be but one,
46 having general circulation within such district, provided, however, that
47 if there is no newspaper having general circulation within the district,
48 the said notice shall be posted in at least twenty of the most public
49 places in said district fourteen days before the time of such meeting.

50 d. An underride proposition shall be a separate proposition in
51 substantially the following form:

52 "Shall the _____ school district be required to impose a tax levy
53 for the _____ school year, excluding any capital tax levy, that is no
54 greater than _____, even though the statutory tax levy limit for that
55 school year is _____?"

1 e. An override proposition shall be approved if over fifty percent of
 2 the votes cast thereon are in the affirmative. If such override propo-
 3 sition is approved by the qualified voters, the tax levy limit imposed
 4 thereby shall be deemed to be the tax levy limit for the school district
 5 for the coming school year for purposes of section thirteen hundred
 6 seven of the real property tax law, and the trustees or board of educa-
 7 tion shall adopt a budget that complies with such tax levy limit. Upon
 8 approval of an override proposition, no other tax levy proposition may
 9 be submitted to the voters for that same school year.

10 3. a. Unless an override proposition has been approved pursuant to
 11 subdivision two of this section, the trustee, trustees or board of
 12 education of a school district shall present at the annual meeting and
 13 election a tax levy proposition in substantially the following form:

14 "Shall the school district be authorized to impose a tax
 15 levy for the school year, excluding any capital tax levy,
 16 of , when the statutory tax levy limit for that school year
 17 is ?"

18 b. Except as otherwise provided in section thirteen hundred seven of
 19 the real property tax law, if the proposed tax levy does not exceed the
 20 tax levy limit determined pursuant to section thirteen hundred seven of
 21 the real property tax law, then the proposition shall be approved if
 22 over fifty percent of the votes cast thereon are in the affirmative. If
 23 the proposed tax levy would exceed the tax levy limit determined pursu-
 24 ant to section thirteen hundred seven of the real property tax law, then
 25 the proposition shall be approved if over fifty-five percent of votes
 26 cast thereon are in the affirmative.

27 If the amount of general purpose state aid which will be payable to a
 28 school district for the coming school year has not been certified by the
 29 director of the budget, then fifty percent of the votes cast on the
 30 proposition by qualified voters must be in the affirmative in order for
 31 the proposition to be approved.

32 c. If the tax levy proposition is approved by the qualified voters,
 33 the tax levy limit imposed thereby shall be deemed to be the tax levy
 34 limit for the school district for the coming school year, and the trus-
 35 tees or board of education shall adopt a budget that complies with such
 36 tax levy limit. If, however, the tax levy proposition is not approved by
 37 the qualified voters, then the trustees or board of education shall
 38 adopt a budget that requires a tax levy excluding any capital tax levy,
 39 that is no greater than the tax levy base determined pursuant to section
 40 thirteen hundred seven of the real property tax law.

41 § 14. This act shall take effect immediately; provided, however, that:

42 (a) the amendments to paragraph a of subdivision 7 of section 1608 of
 43 the education law, made by section six-a of this act, the amendments to
 44 paragraph a of subdivision 7 of section 1716 of the education law, made
 45 by section eight-a of this act, and the amendments to subdivision 7 of
 46 section 2022 of the education law, made by section eleven of this act,
 47 shall take effect on the same date and in the same manner as chapter 514
 48 of the laws of 2016 takes effect;

49 (b) the amendments to paragraph a of subdivision 7 of section 1608 of
 50 the education law, made by section six-a of this act, shall be subject
 51 to the expiration and reversion of such paragraph pursuant to section 13
 52 of part A of chapter 97 of the laws of 2011, as amended, when upon such
 53 date the provisions of section seven of this act shall take effect;

54 (c) the amendments to paragraph a of subdivision 7 of section 1716 of
 55 the education law, made by section eight-a of this act, shall be subject
 56 to the expiration and reversion of such paragraph pursuant to section 13

1 of part A of chapter 97 of the laws of 2011, as amended, when upon such
2 date the provisions of section nine of this act shall take effect; and
3 (d) the amendments to section 2022 of the education law, made by
4 section eleven of this act, shall be subject to the expiration and
5 reversion of such section pursuant to section 13 of part A of chapter 97
6 of the laws of 2011, as amended, when upon such date the provisions of
7 section twelve of this act shall take effect.
