AN ACT to amend the education law, in relation to granting licensed psychologists prescriptive authority

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 7601-a of the education law, as added by chapter
2 676 of the laws of 2002, is amended to read as follows:

3 § 7601-a. Definition of the practice of psychology. 1. The practice of
4 psychology is the observation, description, evaluation, interpretation,
5 and modification of behavior for the purpose of preventing or eliminat-
6 ing symptomatic, maladaptive or undesired behavior; enhancing interper-
7 sonal relationships, personal, group or organizational effectiveness and
8 work and/or life adjustment; and improving behavioral health and/or
9 mental health. The practice includes, but is not limited to psycholog-
10 ical (including neuropsychological) testing and counseling; psychoanal-
11 ysis; psychotherapy; the diagnosis and treatment of mental, nervous,
12 emotional, cognitive or behavioral disorders, disabilities, ailments or
13 illnesses, alcoholism, substance abuse, disorders of habit or conduct,
14 the psychological aspects of physical illness, accident, injury or disa-
15 bility, psychological aspects of learning (including learning disor-
16 ders); [and] the use of accepted classification systems; and the
17 prescription of appropriate drugs in accordance with section seventy-six
18 hundred one-b of this article. The prescription of drugs by a psychol-
19 ogist is authorized only in accordance with the provisions of section
20 seventy-six hundred one-b of this article and the regulations promulgat-
21 ed pursuant thereto.

22 2. The term "diagnosis and treatment" means the appropriate psycholog-
23 ical diagnosis and the ordering or providing of treatment according to
24 need. Treatment includes, but is not limited to counseling, psychothera-

py, marital or family therapy, psychoanalysis, and other psychological interventions, including verbal, behavioral, or other appropriate means as defined in regulations promulgated by the commissioner; and for psychologists certified pursuant to section seventy-six hundred one-b of this article, the prescription of drugs.

§ 2. The education law is amended by adding a new section 7601-b to read as follows:

§ 7601-b. Certification to use therapeutic drugs. 1. Definitions. As used in this section, the following terms shall have the following meanings:

a. "Board" means the state board for psychology.

b. "Controlled substance" means any drug substance or immediate precursor enumerated in schedules 1-5 of the U.S. Drug Enforcement Administration Controlled Substance Act and as provided for in article thirty-three of the public health law.

c. "Psychologists authorized to prescribe" means any psychologist licensed pursuant to this article who has undergone specialized education and training in preparation for prescriptive practice and who has passed an examination accepted by the board relevant to establishing competence for prescribing, and who has received from the board a certificate granting prescriptive authority, which has not been revoked or suspended.

d. "Clinical experience" means a period of supervised clinical training and practice in which clinical diagnoses and interventions are learned and which are conducted and supervised as part of the training program.

e. "Prescription" is an order for a drug, laboratory test, or any medicine, device or treatment, including controlled substances, such terms as defined in article one hundred thirty-seven of this title.

f. "Prescriptive authority" means the authority to prescribe, administer, discontinue and/or distribute without charge, drugs or controlled substances recognized in or customarily used in the diagnosis, treatment and management of individuals with psychiatric, mental, cognitive, nervous, emotional or behavioral disorders, or other procedures directly related thereto within the scope of practice of psychology in accordance with rules and regulations adopted by the board.

2. Certification. a. The board shall certify licensed psychologists to exercise prescriptive authority in accordance with the applicable federal laws, and the provisions of article one hundred thirty-seven of this title and article thirty-three of the public health law.

b. The board shall develop and implement procedures for reviewing the education and training credentials for such certification process, in accordance with the standards of professional practice.

3. Initial application requirements for prescriptive authority. A psychologist licensed pursuant to this article who applies for prescriptive authority shall demonstrate all of the following by official transcript or other official evidence satisfactory to the board:

a. The psychologist must hold a current license issued pursuant to this article to provide health care services as a psychologist in the state;

b. As defined by the board, and consistent with the established policies of the American Psychological Association for educating and training psychologists in preparation for prescriptive authority:

(i) The psychologist must have completed an organized sequence of study in an organized program offering intensive didactic education, and including the following core areas of instruction: basic life sciences,

1 neurosciences, clinical and research pharmacology and psychopharmacology,
2 clinical medicine and pathophysiology, physical assessment and laboratory
3 exams, clinical pharmacotherapeutics, research, professional,
4 ethical and legal issues. The didactic portion of the education shall
5 consist of an appropriate number of didactic hours to ensure acquisition
6 of the necessary knowledge and skills to prescribe in a safe and effective
7 manner; and

8 (ii) The psychologist must have obtained relevant clinical experience
9 sufficient to attain competency in the psychopharmacological treatment
10 of a diverse patient population under the direction of qualified practitioners
11 as determined by the board;

12 c. The psychologist must pass an examination developed by a nationally
13 recognized body (e.g., the American Psychological Association's Practice
14 Organization's College of Professional Psychology) and approved by the
15 board.

16 4. Renewal of prescriptive authority. a. The board shall prescribe by
17 rule a method for the renewal of prescriptive authority at the time of
18 or in conjunction with the renewal of licenses issued pursuant to this
19 article.

20 b. Each applicant for renewal of prescriptive authority shall present
21 satisfactory evidence to the board demonstrating the completion of twenty-five
22 contact hours of continuing education instruction relevant to
23 prescriptive authority during the previous licensure renewal period.

24 5. Prescribing practices. a. Psychologists authorized to prescribe
25 shall be authorized to prescribe, administer, discontinue and/or
26 distribute without charge, drugs or controlled substances recognized in
27 or customarily used in the diagnosis, treatment and management of individuals
28 with psychiatric, mental, cognitive, nervous, emotional or
29 behavioral disorders and relevant to the practice of psychology, or
30 other procedures directly related thereto within the scope of practice
31 of psychology in accordance with rules and regulations adopted by the
32 board.

33 b. No psychologist shall issue a prescription unless the psychologist
34 holds a valid certificate of prescriptive authority.

35 c. Each prescription issued by a prescribing psychologist shall:

36 (i) Comply with all applicable state and federal laws and regulations
37 relating to such prescription; and

38 (ii) Be identified as written by the prescribing psychologist in such
39 manner as determined by the board in accordance with title four of article
40 thirty-three of the public health law.

41 d. A record of all prescriptions shall be maintained in the patient's
42 record.

43 e. A psychologist shall not delegate the authority to prescribe drugs
44 to any other person.

45 6. Controlled substance prescriptive authority. a. When authorized to
46 prescribe controlled substances, psychologists authorized to prescribe
47 shall file in a timely manner their Drug Enforcement Agency registration
48 and number with the board.

49 b. The board shall maintain current records of every psychologist
50 authorized to prescribe, including his or her Drug Enforcement Agency
51 registration and number.

52 7. Interaction with the state board of pharmacy. a. The board shall
53 transmit to the state board of pharmacy an initial list of psychologists
54 authorized to prescribe containing the following information:

55 (i) the name of the psychologist;

1 (ii) the psychologist's identification number assigned by the board;
2 and

3 (iii) the effective date of prescriptive authority.

4 b. The board shall promptly forward to the state board of pharmacy any
5 additions to the initial list as new certificates are issued.

6 c. The board shall notify the state board of pharmacy in a timely
7 manner upon termination, suspension or reinstatement of a psychologist's
8 prescriptive authority.

9 8. Powers and duties of the board. The board shall promulgate rules
10 and regulations for denying, modifying, suspending or revoking the pres-
11 criptive authority or license of a psychologist authorized to prescribe.
12 The board shall also have the power to require remediation of any defi-
13 ciencies in the training or practice pattern of the medical psychologist
14 or prescribing psychologist when, in the judgment of the board, such
15 deficiencies could reasonably be expected to jeopardize the health,
16 safety or welfare of the public.

17 § 3. This act shall take effect on the first of January next succeed-
18 ing the date on which it shall have become a law; provided, however,
19 that effective immediately, the addition, amendment and/or repeal of any
20 rule or regulation necessary for the implementation of this act on its
21 effective date are authorized and directed to be made and completed on
22 or before such effective date.
