3 licensed healthcare provider shall provide such services to the person  
4 without charge and shall bill the office directly. The office, in  
5 consultation with the department of health, shall define the specific  
6 services to be covered by the sexual assault forensic exam reimbursement  
7 fee, which must include at a minimum forensic examiner services, hospi-  
8 tal or healthcare facility services related to the exam, and related  
9 laboratory tests and necessary pharmaceuticals; including but not limit-

13 public health law. Follow-up HIV post-exposure prophylaxis costs shall  
14 ~~[continue to]~~ be billed by the health care provider to the office  
15 directly and reimbursed ~~[according to established office procedure]~~ by  
16 the office directly. The office, in consultation with the department of  
17 health, shall also generate the necessary regulations and forms for the  
18 direct reimbursement procedure. The rate for reimbursement shall be the  
19 amount of itemized charges not exceeding eight hundred dollars, to be  
20 reviewed and adjusted annually by the office in consultation with the  
21 department of health. The hospital, sexual assault examiner program, or  
22 licensed health care provider must accept this fee as payment in full  
23 for these specified services. No additional billing of the survivor for  
24 said services is permissible. A sexual assault survivor may voluntarily  
25 assign any private insurance benefits to which she or he is entitled for

32 survivor shall be advised orally and in writing that he or she may  
33 decline to provide such information regarding private health insurance  
34 benefits if he or she believes that the provision of such information  
35 would substantially interfere with his or her personal privacy or safety  
36 and in such event, the sexual assault forensic exam fee shall be paid by  
37 the office. Such sexual assault survivor shall also be advised that  
38 providing such information may provide additional resources to pay for  
39 services to other sexual assault victims. If he or she declines to  
40 provide such health insurance information, he or she shall indicate such  
41 decision on the form provided by the hospital, sexual assault examiner  
42 program or licensed health care provider, which form shall be prescribed  
43 by the office.

44 § 3. This act shall take effect on the one hundred eightieth day after  
45 it shall have become a law; provided that effective immediately, the

47 shall make regulations and take other action necessary to implement this  
48 act on such date.
