AN ACT making appropriations for the support of government; and to amend a chapter of the laws of 2017 enacting the aid to localities budget and to amend a chapter of the laws of 2017 enacting the state operations budget, in relation to the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

c) The several amounts specified in this chapter as capital projects - reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects, being the undisbursed and/or unexpended balances of the prior year's appropriations, are reappropriated and unless otherwise amended or repealed in part or total in this chapter shall continue to be available for the same purposes as the prior appropriations or as otherwise amended for the fiscal year beginning April 1, 2017.

The capital projects reappropriations contained in this chapter may be amended by repealing the items set forth in brackets and by adding thereto the underscored material. Certain reappropriations in this chapter are shown using abbreviated text, with three leader dots (an ellipsis) followed by three spaces (...) used to indicate where existing law that is being continued is not shown. However, unless a change is clearly indicated by the use of brackets [-] for deletions and underscores for additions, the purpose, amounts, funding source and all other aspects pertinent to each item of appropriation shall be as last appropriated.

For the purpose of complying with section 25 of the state finance law, the year, chapter and section of the last act reappropriating a former original appropriation or any part thereof is, unless otherwise indicated, chapter 55, section 1, of the laws of 2016 and, for the city university of New York and state university of New York, chapter 53, section 3, of the laws of 2016.

d) No moneys appropriated by this chapter shall be available for payment until a certificate of approval has been issued by the director of the budget, who shall file such certificate with the department of audit and control, the chairperson of the senate finance committee and the chairperson of the assembly ways and means committee.

e) The appropriations contained in this chapter shall be available for the fiscal year beginning on April 1, 2017 except as otherwise noted.

For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commis-

sioner of health for purposes in support of essential health care services. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation, including mergers, consolidation, acquisition or other corporate restructuring activities intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery or preserves or expands essential health care services. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider stakeholder, community, and legislative input pursuant to subdivision 4-a of section 2825-e of the public health law criteria including, but not limited to:

(a) the extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) Consideration of geographic distribution of funds;

(d) The relationship between the proposed project and identified community need;

(e) The extent to which the applicant has access to alternative financing;

(f) The extent that the proposed project furthers the development of primary care and other outpatient services;

(g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;

(h) The extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to $300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to $200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, $50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of $75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating

Health Care System Improvement Purpose

The appropriation made by chapter 55, section 1, of the laws of 2016, is hereby amended and reappropriated to read:
For payments and grants to support health care facility transformation statewide for capital, non-operational works. Notwithstanding

section 163 of the state finance law or any other provision of law to the contrary, this appropriation may be used to fund payments and or grants made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for purposes in support of essential health care services. Such purposes may include renovating or replacing inefficient or outdated facilities as part of a merger, consolidation, acquisition or other significant corporate restructuring activity that is part of an overall transformation plan intended to create a financially sustainable system of care that promotes a patient-centered model of health care delivery aimed at improving the overall health and well-being of a community. Eligible applicants shall be those deemed by the commissioner to be a provider that fulfills or will fulfill a health care need for acute inpatient, outpatient, primary, home care or residential health care services in a community. The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation. In determining awards for eligible applicants under this appropriation, the commissioner of health and the president of the authority shall consider criteria including, but not limited to:

(a) the extent to which the proposed capital project will contribute to the integration of health care services and long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;

(b) the extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;

(c) consideration of geographic distribution of funds;

(d) the relationship between the proposed capital project and identified community need;

(e) the extent to which the applicant has access to alternative financing;

(f) the extent that the proposed capital project furthers the development of primary care and other outpatient services;

(g) the extent to which the proposed capital project benefits medicaid enrollees and uninsured individuals;

(h) the extent to which the applicant has engaged the community affected by the proposed capital project and the manner in which community engagement has shaped such capital project; and

(i) the extent to which the proposed capital project addresses potential risk to patient safety and welfare.

Disbursement of awards made pursuant to this appropriation shall be conditioned on the awardee achieving certain process and performance metrics and milestones as determined in the sole discretion of the commissioner. Such metrics and milestones shall be structured to ensure that the health care transformation and provider sustainability goals of the project are achieved, and such metrics and mile-

stones shall be included in grant disbursement agreements or other contractual documents as required by the commissioner.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, senate health and assembly health committees. Such reports shall be submitted no later than sixty days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-b of the public health law. Within amounts appropriated herein, up to $5,000,000 may be made available for the purchase of mammography equipped vehicles, and a minimum of $30,000,000 shall be made available for community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article twenty-eight of the public health law, a mental health clinic licensed or granted an operating certificate under article thirty-one of the mental hygiene law, [~~or~~] an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article thirty-two of the mental hygiene law**, primary care providers, or a home care provider certified or licensed pursuant to article 36 of the Public Health Law**.

The dormitory authority may issue bonds for such purposes in an amount appropriated herein. No expenditures may be made from this appropriation to a facility until a facility specific plan has been submitted to the department of health and has been approved by the director of the budget (12SW16HE) ..... 200,000,000 ..... New Facilities Purpose

In support of a comprehensive, statewide multi-year housing program. The commissioner shall provide, in electronic excel format or as requested by the Legislature, an annual report to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional $500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional $41,525,000 for the period April 1, 2020

through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any

such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 amd 2017-18 state fiscal year housing program (ccp), up to a total of $41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the

private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be

Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than $344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional $246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.

2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.

3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.

4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $75,000,000 shall be made available for the purpose of providing

capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

9. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $62,500,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of buildings of 5 to 40 units.

10. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of

$41,475,000 shall be made available for the purpose of promoting home ownership among families of low and moderate income for whom there are few affordable home ownership alternatives in the private market, and to stimulate the development, stabilization, and preservation of New York communities.

11. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $13,000,000 shall be made available for the purposes of mobile and manufactured home replacement program pursuant to chapter 54 of the laws of 2016.

12. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $10,000,000 shall be made available for the purpose of stimulating reinvestment in properties located within mixed-used commercial districts located in urban, small town, and rural areas of the state pursuant to article XXVI of the private housing finance law.

13. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $200,000,000 shall be made available, pursuant to a plan approved by the director of the budget, in consultation with the New York city housing authority chair and the dormitory authority of the state of New York, for the purpose of capital projects and other improvements related to housing developments owned or operated by the New York city housing authority.

14. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of $100,000,000 shall be made available for the preservation, restoration or creation of affordable housing units in a city having a population of one million or more, one hundred percent of which shall be affordable to households that earn up to sixty percent of the area median income adjusted for family size. Priority shall be given to applicants incorporated pursuant to the not-for-profit corporation law, with prior experience in community development projects with at least a fifty-one percent controlling interest in such project. Not-for-profits shall strive to develop projects utilizing state or city-owned land and such utilization shall be prioritized in the agency review of such project (08101607) ..... 590,000,000 ..... Omnibus and Transit Purpose

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval.

Such certificate shall report the federally authorized level of financial assistance

Dedicated Highway and Bridge Trust Fund
Non-Federal Aided Highway Purpose

For the payment of the costs, including the payment of liabilities incurred prior to April 1, 2017, of state highways, parkways, bridges, the New York State Thruway, Indian reservation roads, and facilities for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, for the state share of federally authorized high speed rail improvement projects, and for the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive

maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to $5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state non-federally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed $2,500,000 in state fiscal year 2017-18.

Highway Aid Purpose

For capital grants to municipalities under the municipal streets and highways program for repayment of eligible costs of federal aid municipal street and highway projects pursuant to section 15 of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. The department of transportation shall provide such information to the municipalities as may be necessary to maintain the federal tax exempt status of any bonds, notes, or other obligations issued by such municipalities to provide for the non-federal share of the cost of projects pursuant to chapter 330 of the laws of 1991 or section 80-b of the high-way law (17MA1721) 39,700,000

For capital grants to municipalities under the consolidated local street and highway improvement program:

The sum of $379,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $125,540,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $253,760,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 86.579 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of $58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be $19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than

13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from $58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March

(17CH1721) 438,097,000

For capital capital grants to municipalities for extreme winter recovery:

The sum of $65,000,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to section 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be $65,000,000. To the extent that the total of payment allocations calculated herein varies from $65,000,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal $65,000,000.

Payments shall be made on the fifteenth day of June, September, December and March

(17EW1721) 65,000,000

All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the dedicated highway and bridge trust fund may be repaid from the proceeds of bonds and notes issued pursuant to chapter 56 of the laws of 1993.

By chapter 54, section 1, of the laws of 1991:
For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.
Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.
No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.
Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development purposes not directly related to a private facility until the commissioner of transportation has provided the director of the budget with the following projections to support any such allocation of funds: (a) effect on Stewart airport net operating revenues; (b) effect on new jobs for the state of New York; and (c) effect on net

revenues of amortization of state capital expenditures. It is acknowledged that funds provided herein pursuant to the transportation capital facilities development act of 1967 are made available by repealing a portion of an appropriation for the payment of the state's share to the Niagara frontier transportation authority for construction, reconstruction, and improvement of airport or aviation capital projects at Buffalo international airport. It is the intent of the legislature that the repeal of such funds appropriated to the Niagara frontier transportation authority does not void the state's commitment to provide alternative state share funding sources to the authority to complete the airport or aviation capital projects at Buffalo international airport as originally provided by chapter 54, section 1, of the laws of 1982, as amended by chapter 54, section 3, of the laws of 1988. It is further the intent of the legislature that such alternative state share funding be provided to the authority no later than March 31, 1993 (17439114) .....

Omnibus and Transit Purpose

By chapter 55, section 1, of the laws of 2016:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the non-federal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval.

Such certificate shall report the federally authorized level of financial assistance (17OM1629) ... 18,500,000 ..... (re. $18,500,000)

(17OB0529) ... 24,000,000 ..... (re. $773,000)

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metro-

politan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses. The state share of such reimbursement shall be 50 percent of the non-federal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval. Such certificate shall report the federally authorized level of financial assistance

Dedicated Highway and Bridge Trust Fund
Industrial Access Purpose

By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction manage-

ment and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed $1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than $2,000,000

The sum of $20,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investment for capital projects in such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of nonprofit human services organizations that serve New Yorkers. Provided that such investments include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of space used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Provided further that such eligible nonprofit human services organizations are those which provide direct services to New Yorkers through state contracts, state authorized payments, and/or state payment rates. Provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this

appropriation shall be made available through a competitive process that shall include representatives from multiple state agencies to be determined by the director of the budget and the guidelines for the program and competitive process and such process shall also ensure that such funding is made available for uses throughout the state, and shall be subject to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the amount of funds requested in relation to the size and scope of the proposed project and the number of clients who will benefit; a detailed description of the project, including projected costs including the sources and uses of funds, project completion timeline, and funds necessary at each stage of project completion; the extent to which the proposed project reflects a necessary improvement or upgrade to continue to serve the nonprofit human services organization's target population, or a population they would be able to serve if such improvements or upgrades were made; a statement that as of the effective date of this chapter, construction had not begun and equipment had not been purchased for such project; and if applicable, a statement whether the project has received all necessary regulatory approvals or can demonstrate a reasonable expectation that such approvals will be secured. Such representatives from state agencies shall include, but not be limited to, the Office of Children and Family Services, the Office of Temporary and Disability Assistance, the Office for People with Developmental Disabilities, the Office of Mental Health, and for purposes of this appropriation, shall also include the Dormitory Authority of the State of New York and, notwithstanding any inconsistent provision of law, the Dormitory Authority shall be authorized to administer this program. For services and expenses related to the empire state poverty reduction initiative. Funds appropriated herein shall be made available for sixteen local anti-poverty task forces in municipalities, or a borough, with high rates of poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead, Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester, Syracuse, Troy, Utica and Watertown. Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received State funding for such purpose, the mayor of each municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative

already exists and is receiving or has received funding, each such taskforce shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts. Of the funds appropriated herein, the amount available for each local anti-poverty task force shall be determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive $500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive $1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive $1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive $2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local anti-poverty task force shall use data to identify high need issues and neighborhoods within the municipality, or in the case of the Bronx, the borough; identify problems that are common in neighborhoods throughout the municipality, or in the case of the Bronx, the borough; receive input from local residents; use data and resident input to select one or more focus areas related to either one or more issues or one or more neighborhoods; and develop a plan for how funding will be targeted toward the identified issues or neighborhoods. Such focus areas may include, but are not limited to childhood poverty and homelessness. Activities included in such plan may include, but are not limited to: providing public assistance recipients opportunities to participate in enhanced work activities that either provide recognized credentialing or enhanced career readiness or job training for better linkage to potential employment; assisting families in poverty through services provided to parents and children; and addressing chronic homelessness or housing insecurity. Such plan must include measurable objectives and a timeframe for completion and shall be submitted for approval to the commissioner of the office of tempo-

rary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of $300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is approved by the commissioner of the office of temporary and disability assistance as part of the plan required herein. Upon receiving approval from the commissioner of the office of temporary and disability assistance, each such anti-poverty task force shall commence the second phase of its work, which will support the implementation of the plan developed during the first phase. Funding appropriated herein shall be made available to the not-for-profit organization serving as coordinator and its use shall be restricted to purposes or initiatives that do not necessitate ongoing state financial support. Such anti-poverty task forces shall be encouraged to secure match funding from private sector and foundation sources to supplement the funds appropriated herein and provided further that any funding provided from this appropriation shall not be used to supplant funding for programs already in existence. Such funds may be made available pursuant to a plan approved by the director of the budget (931A16SP) ... 25,000,000 ..... (re. $25,000,000)

Notwithstanding any inconsistent provision of law, in support of a comprehensive statewide multi-year housing program [~~in accordance with a plan approved in a memorandum of understanding executed by the director of the budget, the speaker of the assembly, and the temporary president of the senate~~] to prevent and address homelessness across the State, funds appropriated herein may be used in conjunction with other resources made available as part of the state fiscal year 2016-17 **and 2017-18** local assistance, capital and state operations budget to support various programs to support homeless individuals and youth or individuals and youth at risk of becoming homeless, including but not limited to, a statewide multiagency supportive housing program to provide housing and support services for vulnerable New Yorkers including but not limited to seniors, veterans, victims of domestic violence, formerly incarcerated individuals, individuals diagnosed with HIV/AIDS and homeless individuals with copresenting health conditions, eligible services to runaway and homeless youth, and for services to meet the emergency needs of homeless individuals and families (931116SP) ..... 50,000,000 ..... (re. $50,000,000)

Municipal consolidation competition, for payments for capital and other expenses related to the implementation of: consolidations, dissolutions, mergers, or other permanent changes in governing structures; shared services, cooperation agreements, or other efficiencies; or other actions that reduce operational costs or property tax burdens on a permanent basis, as selected through a competitive application process developed by the secretary of state (931016SP) ... 20,000,000 ..... funds - federal / aid to localities federal health and human services fund federal temporary assistance to needy families block grant funds at the request of local social services districts and, upon approval of the director of the budget, transfer of federal temporary assistance for needy families block grant funds made available from the New York works compliance fund program or otherwise specifically appropriated therefor, shall constitute the state block grant for child care. The money hereby appropriated is to be available to social services districts for child care assistance pursuant to title 5-C of article 6 of the social services law and shall be apportioned among the social services districts by the office according to an allocation plan developed by the office and submitted to the director of the budget for approval within 60 days of enactment of the budget. A district's block grant allocation, including any funds the office of temporary and disability assistance transfers from a district's flexible fund for family services allocation to the state block grant for child care at the district's request, for a particular federal fiscal year is available only for child care assistance expenditures made during that federal fiscal year and which are claimed by March 31 of the year immediately following the end of that federal fiscal year. Notwithstanding any other provision of law, any claims for child care assistance made by a social services district for expenditures made during a particular federal fiscal year, other than claims made under title XX of the federal social security act and under the food stamp employment and training program, shall be counted against the social services district's block grant allocation for that federal fiscal year.

A social services district shall expend its allocation from the block grant in accordance with the applicable provisions in federal law and regulations relating to the federal funds included in the state block grant for child care and the regulations of the office of children and family services. Notwithstanding any other provision of law, each district's claims submitted under the state block grant for child care will be processed in a manner

that maximizes the availability of federal funds and ensures that the district meets its maintenance of effort requirement in each applicable federal fiscal year (13907) ..... [~~216,859,700~~] **236,859,700**
