AN ACT in relation to establishing the legislative task force on responsible gaming

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Legislative findings. a. The legislature hereby finds that
2 the 2012-2013 New York state budget amended the state constitution to
3 allow for non-tribal casino gaming in New York. It also included
4 provisions to create a New York state gaming commission, as a result of
5 the merger between the division of lottery and the racing and wagering
6 board. The commission is charged with oversight of the division of
7 lottery, the division of charitable gaming, the division of gaming, and
8 the division of horse racing and pari-mutuel wagering. This legislative
9 action consolidated the state's gaming regulatory functions under a
10 single oversight body.
- 11 b. The legislature further finds that the development of policies and
12 procedures that foster responsible gaming practices by gaming facilities
13 licensed or enfranchised by the New York state gaming commission or its
14 divisions is necessary to mitigate the risks or consequences associated
15 with problem gambling. The legislature concludes that this can be best
16 accomplished by the creation of a task force on responsible gaming.
- 17 § 2. Legislative task force on responsible gaming. A legislative task
18 force on responsible gaming is hereby established to:
- 19 (a) Identify policies and programs that mitigate the risks and conse-
20 quences associated with compulsive gambling and promote responsible
21 gaming practices for all gaming activities authorized in New York state.
- 22 (b) Recommend policies and procedures to be promulgated in regulations
23 by the New York state gaming commission and its divisions to ensure
