bureaus; public halls, public rooms, public elevators, and any public areas of any building or structure; institutions, clubs or places of accommodation which are licensed by the state or any of its political subdivisions, or are the recipients of any form of abatement or exemption from taxes, in whole or in part, from the state or any of its political subdivisions. Such term shall not include kindergartens, primary and secondary schools, high schools, academies, colleges and universities, extension courses, and all educational institutions under the supervision of the regents of the state of New York; any such kindergarten, primary and secondary school, academy, college, university, professional school, extension course or other education facility, supported in whole or in part by public funds or by contributions solicited from the general public; or any institution, club or place of accommodation which proves that it is in its nature distinctly private. In no event shall an institution, club or place of accommodation be considered in its nature distinctly private if it has more than one hundred members, provides regular meal service and regularly receives payment for dues, fees, use of space, facilities, services, meals or beverages directly or indirectly from or on behalf of a nonmember for the furtherance of trade or business. An institution, club, or place of accommodation which is not deemed distinctly private pursuant to this subdivision may nevertheless apply such selective criteria as it chooses in the use of its facilities, in evaluating applicants for membership and in the conduct of its activities, so long as such selective criteria do not constitute discriminatory practices under this article or any other provision of law. For the purposes of this section, a corporation incorporated under the benevolent orders law or described in the benevolent orders law but formed under any other law of this state or a religious corporation incorporated under the education law or the religious corporations law shall be deemed to be in its nature distinctly private and is not licensed by the state or any of its political subdivisions and is not the recipient of any form of abatement or exemption from taxes, in whole or in part, from the state or any of its political subdivisions.

No institution, club, organization or place of accommodation which sponsors or conducts any amateur athletic contest or sparring exhibition and advertises or bills such contest or exhibition as a New York state championship contest or uses the words "New York state" in its announcements shall be deemed a private exhibition within the meaning of this section.

§ 2. This act shall take effect on the first of September next succeeding the date on which it shall have become a law.
