

STATE OF NEW YORK

3312

2017-2018 Regular Sessions

IN ASSEMBLY

January 27, 2017

Introduced by M. of A. BRINDISI, ABINANTI, CURRAN, McDONALD, MOSLEY, RAIA -- Multi-Sponsored by -- M. of A. McLAUGHLIN, RA -- read once and referred to the Committee on Health

AN ACT to amend the public health law, the insurance law and the public authorities law, in relation to payments to home care services providers and authorizing the commissioner of health to establish a program to provide loans, through the dormitory authority, to home care to finance health care reform efforts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 4406-c of the public health law is amended by
2 adding a new subdivision 9 to read as follows:

3 9. Notwithstanding any inconsistent provision of law, contracts with
4 certified home health agencies, long term home health care programs,
5 licensed home care services programs or fiscal intermediaries operating
6 pursuant to section three hundred sixty-five-f of the social services
7 law to provide home care aide services as defined in section thirty-six
8 hundred fourteen-c of this chapter, or consumer directed personal
9 assistance services as authorized pursuant to section three hundred
10 sixty-five-f of the social services law shall at a minimum ensure that
11 the resources made available by such contracts shall support compen-
12 sation for persons providing such home care aide services and consumer
13 directed personal assistance services to ensure the retention of a qual-
14 ified workforce capable of providing high quality care to recipients of
15 such services consistent with the provisions of such section.

16 § 2. Subsection (a) of section 3224-a of the insurance law, as amended
17 by chapter 237 of the laws of 2009, is amended to read as follows:

18 (a) Except in a case where the obligation of an insurer or an organ-
19 ization or corporation licensed or certified pursuant to article forty-
20 three or forty-seven of this chapter or article forty-four of the public
21 health law to pay a claim submitted by a policyholder or person covered

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD02064-01-7

1 under such policy ("covered person") or make a payment to a health care
2 provider is not reasonably clear, or when there is a reasonable basis
3 supported by specific information available for review by the super-
4 intendent that such claim or bill for health care services rendered was
5 submitted fraudulently, such insurer or organization or corporation
6 shall pay the claim to a policyholder or covered person or make a
7 payment to a health care provider within thirty days of receipt of a
8 claim or bill for services rendered that is transmitted via the internet
9 or electronic mail, or forty-five days of receipt of a claim or bill for
10 services rendered that is submitted by other means, such as paper or
11 facsimile. Provided, however, any payment for services to health care
12 providers licensed under article thirty-six of the public health law or
13 fiscal intermediaries operating pursuant to section three hundred
14 sixty-five-f of the social services law shall be paid within fifteen
15 days of the receipt of a claim or a bill for services rendered during
16 the transition period from fee for service to Medicaid managed long term
17 care consistent with the state Medicaid plan for such health care
18 providers and for the twelve month period beyond the final transition of
19 Medicaid beneficiaries in that county. In addition, payments for any
20 disputed claim or bill for services shall be paid to such health care
21 providers by an insurer or an organization or corporation licensed or
22 certified pursuant to article forty-three or forty-seven of this chapter
23 or article forty-four of the public health law within twenty days of the
24 receipt of a claim or a bill for services; provided that at the option
25 of such insurer or organization or corporation licensed or certified
26 pursuant to article forty-three or forty-seven of this chapter or arti-
27 cle forty-four of the public health law, such claim or bill for services
28 shall subsequently be subject to arbitration pursuant to article seven-
29 ty-five of the civil practice law and rules.

30 § 3. Section 2801-a of the public health law is amended by adding a
31 new subdivision 17 to read as follows:

32 17. (a) The commissioner is authorized to establish a program to
33 assist in restructuring long term home health care delivery systems by
34 providing credit enhancement to health care providers licensed pursuant
35 to article thirty-six of this chapter that lack the credit resources
36 necessary to transition from fee for service to managed long term care
37 consistent with the goals of the state's Medicaid program multi-year
38 action as adopted by the Medicaid redesign team. The program shall apply
39 to health care providers who can demonstrate financial need and advance
40 the state's health reform agenda of better care, better health for popu-
41 lations, lower costs, and transitioning the state's long term care
42 system.

43 (b) Applicants must commit that the uses of the credit-enhanced loans
44 will promote agreed upon goals of transitioning the long term home
45 health care delivery systems. Applicants shall submit a comprehensive
46 program and business plan, and such plan must promote agreed objectives
47 of transition. Loan documents shall contain health reform covenants,
48 milestone dates and statistical targets to be attained by the borrower.
49 The application must address how the applicant will undertake the
50 improvements in formal or informal cooperation with other health care
51 providers in the region. To the extent required to provide legal
52 protection for such cooperative endeavors, the commissioner shall exer-
53 cise all necessary powers pursuant to article twenty-nine-F of this
54 chapter and any fees associated with such oversight may be included in
55 the project financing costs.

1 (c) The credit enhancement program shall be administered by the dormi-
2 tory authority, or a not-for-profit corporation designated by the dormi-
3 tory authority. The commissioner shall chair the credit enhancement
4 application and approval committee. The commissioner shall designate
5 three or more members of the Medicaid redesign team as additional
6 members of the credit enhancement application and approval committee.
7 The chair of the dormitory authority shall also serve as a member of the
8 committee, and shall determine all rules for reviewing and approving
9 applications, and administering approved credit enhancements. Notwith-
10 standing any other law, no person serving as a member of the credit
11 enhancement application and approval committee shall have any personal
12 liability, or incur liability for their employer, by virtue of their
13 role or vote in the credit enhancement application and approval process.

14 (d) A debt service reserve fund may be created to facilitate the cred-
15 it enhancement.

16 (e)(i) In the event of a default by a borrower to a lender, the amount
17 of the defaulted payment shall be paid by the commissioner to the lend-
18 er. To finance the commissioner's remittance of those defaulted
19 payments, the commissioner shall first draw upon funds allocated for
20 such potential defaults, including but not limited to funds made avail-
21 able for that purpose pursuant to the state's August sixth, two thousand
22 twelve section 1115 partnership plan waiver application and additional
23 federal funds made available through implementation of the federal
24 Affordable Care Act (health reform).

25 (ii) All payments of defaulted amounts shall be made solely from the
26 allocated funds and as such amounts are actually collected and made
27 available to the commissioner for remittance to lenders pursuant to
28 subparagraph (i) of this paragraph. Neither the state, the commissioner,
29 the department, the dormitory authority, nor any other instrumentality
30 of the state, shall be legally responsible for payment of the defaulted
31 amounts, other than pursuant to the process and financial resources
32 described in subparagraph (i) of this paragraph. No assets or resources
33 of the state shall be pledged, or considered to be pledged or obligated
34 in any form, to payment of the defaults, other than pursuant to the
35 process and financial resources described in subparagraph (i) of this
36 paragraph, as actually collected and made available to the commissioner
37 for the purposes of paying defaulted amounts pursuant to subparagraph
38 (i) of this paragraph.

39 § 4. Paragraph (b) of subdivision 2 of section 1676 of the public
40 authorities law is amended by adding a new undesignated paragraph to
41 read as follows:

42 Such health care providers licensed pursuant to article thirty-six of
43 the public health law as are approved for the credit enhancement program
44 pursuant to subdivision seventeen of section twenty-eight hundred one-a
45 of the public health law.

46 § 5. Subdivision 1 of section 1680 of the public authorities law is
47 amended by adding a new undesignated paragraph to read as follows:

48 Such health care providers licensed pursuant to article thirty-six of
49 the public health law as are approved for the credit enhancement program
50 pursuant to subdivision seventeen of section twenty-eight hundred one-a
51 of the public health law.

52 § 6. This act shall take effect immediately.
