8 § 6505-c. Articulation between military and civilian professional 9 careers. 1. The commissioner shall develop, jointly with the director of 10 the division of veterans' affairs, a program to facilitate articulation 11 between participation in the military service of the United States or the military service of the state and admission to practice of a profes-12 13 sion. The commissioner and the director shall identify, review and eval-14 uate professional training programs offered through either the military 15 service of the United States or the military service of the state which 16 may, where applicable, be accepted by the department as equivalent education and training in lieu of all or part of an approved program. 17 Particular emphasis shall be placed on the identification of military 18 programs which have previously been deemed acceptable by the department 19 20 as equivalent education and training, programs which may provide, where 21 applicable, equivalent education and training for those professions which are critical to public health and safety and programs which may 22 provide, where applicable, equivalent education and training for those 23 professions for which shortages exist in the state of New York, and 24 25 programs which may provide, where applicable, equivalent education and 26 training for those professions which would promote the economic develop-27 ment, job creation or technological advancement of business in the state 28 of New York.

29 2. | 2 | consider the standards of the American council on education. |
| 3 | § 3. The education law is amended by adding a new section 6505-d to |

| 10 | cation with the commissioner by the veteran or spouse of a veteran. In |
| 11 | making the determination for the veteran, the commissioner shall, in |
| 12 | addition to the education and training of the veteran, also consider the |
| 13 | equivalent education and training of the veteran, in accordance with |
| 14 | section sixty-five hundred five-c of this subarticle. In making the |
| 15 | determination for the veteran's spouse, the commissioner shall consider |
| 16 | the education and training of the veteran's spouse, together with any |
| 17 | equivalent education, training, past admission or past practice of such |
| 18 | spouse of such profession in another jurisdiction, together with the |
| 19 | standards of the American council on education. If the commissioner |
| 20 | determines that the education and training of the veteran or the veter- |
