AN ACT to amend the tax law, in relation to establishing small business savings accounts

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "savings accounts for a variable economy (SAVE) for small businesses
3 act".

4 § 2. The tax law is amended by adding a new section 43 to read as
5 follows:

6 § 43. Small business savings accounts. (a) General. (1) The commis-
7 sioner shall establish a program to administer small business savings
8 accounts under this section.

9 (2) The commissioner shall establish minimum standards for small busi-
10 ness savings accounts and shall establish accounts, or enter into agree-
11 ments that meet these standards to administer such accounts. In estab-
12 lishing such standards and making such agreements the commissioner
13 shall, to the extent practicable, seek to minimize fees, minimize risk
14 of loss of principal, and ensure a range of investment risk options
15 available to account beneficiaries. Any eligible small business may
16 establish a small business savings account with respect to such business
17 under terms which meet the requirements of this section.

18 (b) Definition. For the purposes of this section, the term "small
19 business savings account" means a tax preferred savings account which is
20 designated at the time of establishment of the plan as a small business

1 savings account. Such designation shall be made in such manner as the
2 commissioner may by regulation prescribe.

3 (c) Contributions. (1) There shall be allowed as a deduction an amount
4 equal to the contributions to a small business savings account for the
5 taxable year.

6 (2) The aggregate amount of contributions for any taxable year to all
7 small business savings accounts maintained for the benefit of an eligi-
8 ble small business shall not exceed an amount equal to ten percent of
9 the gross profits of the business for the preceding taxable year.

10 (d) Distributions. (1) Any qualified distribution from a small busi-
11 ness savings account shall not be includible in gross income.

12 (2) Any amounts distributed out of a small business savings account
13 that are not qualified distributions shall be included in gross income
14 for the taxable year of the distribution.

15 (3) For purposes of this section:

16 (A) The term "qualified distribution" means any amount:

17 (i) distributed from a small business savings account during a speci-
18 fied period of economic hardship; and

19 (ii) the distribution of which is certified by the taxpayer as part of
20 a plan which provides for the reinvestment of such distribution for the
21 funding of worker hiring or financial stabilization for the purposes of
22 job retention or creation.

23 (B) The term "specified period of economic hardship" means:

24 (i) any one-year period beginning immediately after the end of any two
25 consecutive quarters during which the annual rate of real gross domestic
26 product (as determined by the Bureau of Economic Analysis of the Depart-
27 ment of Commerce) decreases, or

28 (ii) any period, in no event shorter than one year, specified by the
29 commissioner for purposes of this section.

30 (C) The commissioner may specify a period under clause (ii) of subpara-
31 graph (B) of this paragraph with respect to a specified area in the
32 case of an area determined by the governor to warrant assistance from
33 the Federal Government under the Robert T. Stafford Disaster Relief and
34 Emergency Assistance Act.

35 (D) The commissioner shall, for each specified period of economic
36 hardship establish a distribution limitation for qualified distributions
37 from eligible small business accounts with respect to such period. The
38 aggregate qualified distributions for any such period from all accounts
39 with respect to an eligible small business shall not exceed such limita-
40 tion.

41 (E) Any distribution not used in the manner certified under subpara-
42 graph (A) of this paragraph shall be treated as a distribution other
43 than a qualified distribution in the taxable year of such distribution.

44 (F) Any amount contributed to a small business savings account (and
45 any earnings attributable thereto), once distributed, shall not be
46 treated as a qualified distribution unless such distribution is made not
47 later than eight years after the date of such contribution. For purposes
48 of this subparagraph, amounts (and the earnings attributable thereto)
49 shall be treated as distributed on a first-in first-out basis.

50 (e) Eligible small business. For purposes of this section:

51 (1) The term "eligible small business" means, with respect to any
52 calendar year, any person if the annual average number of full-time
53 employees employed by such person during the preceding calendar year was
54 fifty or fewer. For purposes of this paragraph, a preceding calendar
55 year may be taken into account only if the person was in existence
56 throughout the year.

1 (2)(A) The term "full-time employee" means, with respect to any year,
2 an employee who is employed on average at least forty hours of service
3 per week.

4 (B) The commissioner shall prescribe such regulations, rules, and
5 guidance as may be necessary to determine the hours of service of an
6 employee, including rules for the application of this subdivision to
7 employees who are not compensated on an hourly basis.

8 (f) Effect of pledging account as security. If, during any taxable
9 year of the eligible small business for whose benefit an account is
10 established, the account or any portion thereof is pledged as security
11 for a loan, the portion so pledged shall be treated as distributed in a
12 distribution other than a qualified distribution.

13 § 3. Section 209 of the tax law is amended by adding a new subdivision
14 13 to read as follows:

15 13. For any taxable year beginning on or after January first, two
16 thousand seventeen, any eligible small business, as such term is defined
17 pursuant to section forty-three of this chapter, shall be exempt from
18 all taxes imposed pursuant to this article for any contribution to and
19 qualified distribution from a small business savings account established
20 pursuant to section forty-three of this chapter, subject to the limits
21 set forth in such section. If a taxpayer files for and receives an
22 exemption from the tax imposed under this section pursuant to the
23 provisions of this subdivision and the funds withdrawn, or any portion
24 thereof, are not expended for a qualifying purpose as set forth in
25 section forty-three of this chapter, then the amount of such exemption
26 claimed by the taxpayer shall be added back to tax in the next succeed-
27 ing taxable year or in the year in which the exemption is disallowed.

28 § 4. Subsection (c) of section 612 of the tax law is amended by adding
29 a new paragraph 44 to read as follows:

30 (44) Any qualified contribution to and any qualified distribution from
31 a small business savings account established pursuant to section forty-
32 three of this chapter. If a taxpayer files for and receives an
33 exemption from the tax imposed under this section pursuant to the
34 provisions of this paragraph and are not a qualifying contribution or
35 distribution as set forth in section forty-three of this chapter, then
36 the amount of any such exemption claimed by the taxpayer shall be added
37 back to tax in the next succeeding taxable year.

38 § 5. This act shall take effect immediately and shall apply to taxable
39 years beginning after such date.
