AN ACT to amend the elder law, in relation to creating the New York
state lifespan respite care program

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Legislative intent. The legislature hereby finds and
2 declares that supporting the efforts of families and caregivers who care
3 for individuals with special needs at home is efficient, cost effective
4 and humane. Families receiving occasional respite care relief are less
5 likely to request admission of an individual with special needs to nurs-
6 ing homes, foster care or other out-of-home care at public expense.
7 Respite care reduces family and caregiver stress, enhances family and
8 caregiver coping ability and strengthens family ability to meet the
9 challenging demands of caring for individuals with special needs.
10 Respite care reduces the risk of abuse and neglect of senior citizens
11 and other vulnerable groups. Coordinated, non-categorical respite care
12 services must be available locally to provide reliable short-term relief
13 when it is needed by families and caregivers regardless of where they
14 live in New York state.

15 Therefore, the legislature finds that a statewide centralized program
16 to provide direction, resources and support for the establishment and
17 operation of community-based respite care programs would serve a purpose
18 beneficial to all the citizens of New York state.

19 § 2. The elder law is amended by adding a new section 215-c to read as
20 follows:

21 § 215-c. Lifespan respite care. 1. Definitions. As used in this
22 section, the following words shall have the following meanings:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

7 cates to encourage efficient provision of respite care and reduce dupli-
8 cation of effort;

9 (6) ensure statewide access to community lifespan respite care
10 programs, particularly in rural areas; and

11 (7) monitor and evaluate implementation of community lifespan respite
12 care programs.

13 (c) The director shall appoint an advisory council to the program
14 which shall be composed of qualified individuals including respite care
15 providers, respite care program managers, respite care consumers, family
16 members and other interested individuals.

17 3. Community lifespan respite care programs. (a) The director, through
18 the program established pursuant to subdivision two of this section,
19 shall coordinate the establishment of community lifespan respite care
20 programs. The program shall accept proposals to operate community lifes-
21 pan respite care programs, submitted in the form and manner required by
22 the director, from community based private not-for-profit, for-profit or
23 public agencies that provide respite care services. According to crite-
24 ria established by the office, the program shall designate agencies
25 described in this subdivision as operators of community respite care
26 programs.

27 (b) No later than the first of January, two thousand eighteen the
28 office shall designate at least twelve operators of community respite
29 care programs statewide. No later than the first of January, two thou-
30 sand nineteen the office shall ensure the designation of at least one
31 operator of community respite care programs in each county in the state.

32 (c) Community lifespan respite care programs established pursuant to
33 this subdivision shall:

34 (1) involve key local individuals and agencies in the community lifes-
35 pan respite care program planning process;

36 (2) include a flexible array of respite care options responsive to
37 family and caregiver needs and available before families and caregivers
38 are in a crisis situation;

39 (3) be sensitive to the unique needs, strengths and multicultural
40 values of an individual, family or caregiver;
