IN ASSEMBLY

January 30, 2017

Introduced by M. of A. MURRAY, HAWLEY, CURRAN, BRABENEC, DiPIETRO, RAIA, CASTORINA -- Multi-Sponsored by -- M. of A. CRESPO, FRIEND, LAWRENCE, McDONOUGH -- read once and referred to the Committee on Health

AN ACT to amend the public health law and the family court act, in relation to notice of abortions performed on unemancipated minors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative purpose and findings. It is the intent of this 2 legislature in enacting this parental notice provision to further the 3 important and compelling state interests of protecting minors against 4 their own immaturity, fostering the family structure and preserving it 5 as a viable social unit, protecting the rights of parents to rear chil-6 dren who are members of their household, and protecting the health of 7 minor children.

8 The legislature finds that immature minors often lack the ability to 9 make fully-informed choices that take account of both immediate and 10 long-range consequences and that the medical, emotional and psycholog-11 ical consequences of abortion are serious and can be lasting, partic-12 ularly when the patient is immature. The legislature further finds that 13 the capacity to become pregnant and the capacity for mature judgment 14 concerning the wisdom of an abortion are not necessarily related. The 15 legislature finds that parents ordinarily possess information essential to a physician's exercise of his best medical judgment concerning the 16 child and, further, that parents who are aware that their minor daughter 17 18 has had an abortion may better ensure that she receives adequate medical 19 attention after her abortion. The legislature concludes then, that 20 parental consultation is usually desirable and in the best interest of 21 the minor.

22 § 2. The public health law is amended by adding a new section 2508 to 23 read as follows:

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD05296-02-7

1	§ 2508. Notification of abortions on unemancipated minors. 1. Defi-
2	nitions. For the purposes of this section, the following definitions
3	will apply:
4	(a) "unemancipated minor" means a person who has not attained the age
5	of eighteen years and is not an emancipated minor as defined in para-
6	graph (b) of this subdivision.
7	(b) "emancipated minor" means a minor who is or has been lawfully
8	married or has by court order or otherwise been freed from the care,
9	custody and control of her parents.
10	(c) "abortion" means the use of any instrument, medicine, drug or any
11	other substance or device with intent to terminate the pregnancy of a
12	woman known to be pregnant with intent other than to increase the proba-
13	bility of a live birth, to preserve the life or health of the child
14	<u>after live birth, or to remove a dead fetus.</u>
15	(d) "medical emergency" means that condition which, on the basis of
16	the physician's good faith clinical judgment, so complicates the medical
17	condition of the pregnant minor as to necessitate the immediate abortion
18	of her pregnancy to avert her death or for which delay will create seri-
19	ous risk of substantial and irreversible impairment of a major bodily
20	function.
21	2. Notification concerning abortion. No person shall perform an
22	abortion upon an unemancipated minor unless he or she or his or her
23	agent has given at least forty-eight hours written notice to a custodial
24	parent with whom the minor resides or to the legal guardian of the preg-
25	nant minor of his or her intention to perform the abortion or unless he
26	or she or his or her agent has received a written statement or oral
27	communication, by another physician, hereinafter called the "referring
28	physician", certifying that the referring physician has effectuated such
29	notice. If the minor's parents are divorced or legally separated, and a
30	custodial parent with whom the minor resides is not available to the
31	person performing the abortion or the referring physician in a reason-
32	able time or manner, then the notice to a non-custodial parent or to the
33	<u>parent who is available shall be sufficient.</u>
34	(a) The written notice shall be addressed to the parent or guardian at
35	the usual place of abode of the parent or guardian and delivered
36	
	personally to the parent or guardian by the physician or an agent.

1	The court shall provide the minor with counsel, give the matter expe-
2	dited consideration and grant such relief as may be necessary to prevent
3	such coercion. Should a minor be denied financial support of her parents
4	by reason of her refusal to undergo an abortion, she shall be considered
5	emancipated for purposes of eligibility for assistance benefits.
6	5. Penalties. Any person who intentionally performs an abortion with
7	knowledge that, or with reckless disregard as to whether, the person
8	upon whom the abortion is to be performed is an unemancipated minor, and
9	who intentionally or knowingly violates the requirements of this section
10	shall be quilty of a misdemeanor. In addition, any person who performs
11	an abortion upon another in violation of this section shall be subject
12	to civil liability. However, a person shall not be held liable under
13	this section if the person establishes by written evidence that the
14	person relied upon evidence sufficient to convince a reasonable person
15	that the representations of the pregnant minor regarding information
16	necessary to comply with this section are bona fide and true, or if the
17	person has attempted with reasonable diligence to deliver notice, but
18	has been unable to do so.
19	§ 3. Paragraph (viii) of subdivision (a) of section 213 of the family
20	court act, as amended by chapter 920 of the laws of 1982, is amended and
21	a new paragraph (ix) is added to read as follows:
22	(viii) the number, nature and disposition of cases involving child
23	abuse under article ten of this act, including total number of new
24	cases, their nature, whether heard by the child abuse part, the age and
25	sex of the children involved, the type of petitioner, the number of
26	children temporarily removed both before and after the filing of a peti-
27	tion, the length of time and number of adjournments between the filing
28	of a petition and the fact-finding hearing, the number of cases that are
29	dismissed, withdrawn, sustained and admitted to, the length of time and
30	number of adjournments between the fact-finding hearing and the disposi-
31	tional hearing, and the final disposition of such cases $[-]_{i}$
32	(ix) the number and disposition of cases under article ten-D of this
33	act, including the total number of new cases, the age of the minor
34	involved, whether the orders regarding notification were based upon
35	findings either that the minors were mature minors, as defined in
36	section one thousand ninety-seven-b of this act or that the abortions,
37	as defined in section twenty-five hundred eight of the public health
38	law, were in the best interests of the minors.
39	§ 4. The family court act is amended by adding a new article 10-D to
40	read as follows:

1	health law and who is able to make an informed, reasoned and considered
2	judgment in connection with a decision whether or not to proceed with
3	the abortion.
4	§ 1097-b. Jurisdiction. The family court has exclusive original juris-
5	diction over proceedings under this article to obtain an order waiving
6	<u>parental notification of an abortion.</u>
7	<u>§ 1097-c. Procedure. Notwithstanding any other provision of law:</u>
8	1. The waiver of parental notification to an abortion upon or with the
9	respect to an unemancipated minor may be obtained by order of a judge of
10	the family court in the county where such person resides or if she is
11	not a resident of this state, in the county where the abortion is to be
12	performed, on application by such person or by a relative of such person
13	or other interested party.
14	2. Such court proceedings shall be commenced ex parte and may be
15	commenced and continued without the payment of any fees. The court shall
16	advise the minor that she has a right to court-appointed coursel and
17	shall provide her with such counsel upon her request.
18	3. Such application shall be given immediate consideration and a hear-
19	ing shall be held immediately at which the person upon or with respect
20	to whom the abortion is to be performed shall be present. The court
21	shall issue written and specific factual findings and legal conclusions
22	supporting its decision and shall order that a confidential record of
23	the evidence be maintained. All proceedings with respect to such appli-
24 25	cation, including an appeal therefrom, shall protect the anonymity of the minor. Said proceedings shall be sealed, and no person shall be
26	allowed access to such sealed records except upon an order of a judge of
27	the court in which the application was processed or of a justice of the
28	supreme court of the judicial district, and no such order shall be
29	granted except on good cause shown.
30	4. An order shall issue only upon finding by the court (a) that such
31	person presently desires to submit to such abortion; (b) that such
32	person is either a mature minor or that such abortion is in the best
33	interest of such person; and (c) that a previous application for such
34	order has not been made and denied upon the same grounds. If the court
35	so finds, the order must issue.
36	5. In the event that the court shall deny the application for the
37	order, an expedited anonymous appeal shall be available to such appli-
38	cant to the appellate division of the supreme court of the judicial
39	department in which the court which rendered the decision is located.
40	The notice of intent to appeal shall be filed within twenty-four hours
41	from the date of issuance of the order. The record on appeal shall be
42	completed and the appeal shall be perfected within five days from the
43	filing of the notice to appeal. Because time may be of the essence
44	regarding the performance of the abortion, the supreme court shall, by
45	court rule, provide for expedited appellate review of cases appealed
46	under this section.
47	6. The supreme court shall promulgate any rules and regulations neces-
48	sary to ensure that proceedings under this section are handled in an
49	expeditious and anonymous manner.
50	7. The supreme court, in its discretion, may issue such other and
51	further lawful orders as it deems necessary to protect such person.
52	§ 5. Separability. If any clause, sentence, section or part of this
53	act shall be adjudged by any court of competent jurisdiction to be
54	invalid, such judgment shall not affect, impair or invalidate the
55	remainder thereof, but shall be confined in its operation to the clause,

1 sentence, paragraph, section or part thereof directly involved in the 2 controversy in which such judgment shall have been rendered.

3 § 6. This act shall take effect on the ninetieth day after it shall 4 have become a law.
