- § 2. Subsection (a) of section 210 of the insurance law, as amended by chapter 579 of the laws of 1998, is amended to read as follows:
- chapter 579 of the laws of 1998, is amended to read as follows: 5 (a) The superintendent shall annually publish on or before September first, nineteen hundred ninety-nine, and annually thereafter, a consumer guide to insurers providing managed care products, individual accident and health insurance or group or blanket accident and health insurance 9 and entities licensed pursuant to article forty-four of the public 10 health law providing comprehensive health service plans which includes, 11 in detail, a ranking from best to worst based upon each company's claim processing or medical payments record during the preceding calendar year 13 using criteria available to the department, adjusted for volume of 14 coverage provided. Such ranking shall also take into consideration the 15 corresponding total number or percentage of claims denied which were 16 reversed or compromised after intervention by the department and the department of health, consumer complaints to the department and the 17 department of health, violations of section three thousand two hundred 18 19 twenty-four-a of this chapter and other pertinent data which would 20 permit the department to objectively determine a company's performance. 21 The department in publishing such consumer guide shall publish one 22 state-wide guide or no more than five regional guides so as to facili-23 tate comparisons among individual insurers and entities within a service 24 market area. Such rankings shall be printed in a format which ranks all

health insurers and all entities certified pursuant to article fortyfour of the public health law in one combined list. The consumer quide on or before September first, two thousand eighteen and annually there-after, shall include a mental health parity report and a substance uses disorder parity report based upon each company's compliance with mental health parity and substance use disorder parity laws based on each company's record during the preceding calendar year using criteria available to the department, including, but not limited to, information required by this subsection and subsections (b), (c) and (d) of this section. In addition, notwithstanding such requirements and any law to the contrary, the data to be included in the mental health parity report and the substance use disorder parity report and collected by the super-intendent and the commissioner of health from insurers and health plans, for such purposes shall include:

- (1) Annual mental health parity and substance use disorder parity compliance reports from each insurer and health plan outlining how it complies with Timothy's law, the insurance law provisions regarding substance use disorder and eating disorders and the Paul Wellstone and Pete Domenici mental health parity and addiction equity act of two thousand eight;
- (2) Rates of utilization review for mental health and substance use disorder claims as compared to medical and surgical claims, including rates of approval and denial, categorized by benefits provided under the following classifications, as required under 45 C.F.R. § 146.136, 29 C.F.R. § 2590.712 and 26 C.F.R. § 54.9812-1.: inpatient in-network, inpatient out-of-network, outpatient in-network, outpatient out-of-network, emergency care, and prescription drugs;
- (3) The number of prior or concurrent authorization requests for mental health services and for substance use disorder services and the number of denials for such requests, compared with the number of prior or concurrent authorization requests for medical and surgical services and the number of denials for such requests, categorized by the same classifications identified in paragraph two of this subsection which shall also include the rates of internal and external appeals, including rates of appeals upheld and overturned, specifically for mental health benefits and substance use disorder benefits;
- (4) The number of prior or concurrent authorization requests for mental health services and substance use disorder services that went to clinical peer review as a result of a disagreement between the service provider and the insurer or health plan and the number that went to clinical peer review for medical and surgical services categorized in the same manner as provided in paragraph two of this subsection;
- (5) The list of services that have a prior or concurrent authorization requirement based on a numerical threshold defined by a specific number of visits or days of care for mental health services, substance use disorder services and medical and surgical services and identification of the threshold requirements;
- (6) The list of covered medications for the treatment of a substance use disorder on the prescription drug list of the insurer or health plan including tier placement, authorization requirements and all other utilization management requirements;
- (7) The percentage of claims paid for in-network mental health services and for substance use disorder services and the percentage of claims paid for in-network medical and surgical services;
- (8) The percentage of claims paid for out-of-network mental health services and substance use disorder services compared with the percent-

age of claims paid for other types of out-of-network medical and surgical services;

- (9) The medical necessity criteria the insurer or health plan uses to make prior authorization or continuing care and discharge determinations, which in conjunction must be conspicuously posted for policyholders and providers to be able to review without making a request on the insurer's or the health plan's website and be made available in hard copy upon request;
- 9 (10) The number of behavioral health advocates, pursuant to an agree-10 ment with the office of the attorney general if applicable, or staff on 11 hand to assist policyholders with benefits for mental health or 12 substance use disorder;
- 13 (11) The network adequacy of insurers and health plans, which in addi-14 tion to the requirements of subsection (a) of section three thousand two hundred forty-one of this chapter and subsection (c) of this section, 15 16 shall consist of verifying the mental health and substance use disorder providers listed in an insurer's or health plan's provider directory as 17 in network. Such verification shall be provided by the insurer or health 18 19 plan, on a semi-annual basis, by providing its list of in-network mental 20 health and substance use disorder providers and the number of claims 21 each provider has submitted within the past six months. The list shall include the name, address and telephone number of all participating 22 in-network providers. For providers that have had no claims in the past 23 24 six months, the insurer or health plan must provide an attestation that 25 such provider is still part of the network and that the provider is 26 accepting new patients. For qualified health plans offered on New York 27 state of health, the department of health shall review the network adequacy to ensure it is consistent with 45 CFR § 156.230 and the 28 department of health's managed care network adequacy standard including 29 30 verification of the mental health and substance use disorder providers 31 listed in a qualified health plan's provider directory as in-network. 32 Such verification shall be provided by a qualified health plan, on a 33 semi-annual basis, by providing its list of in-network mental health and 34 substance use disorder providers and the number of claims each provider 35 has submitted within the past six months. The list shall include the 36 name, address and telephone number of all participating providers. For providers that have no claims in the past six months, the qualified 37 38 health plan must provide an attestation that such provider is still part 39 of the network and that the provider is accepting new patients;
- 40 (12) The number of mental health and substance use disorder providers 41 who have left or been removed from the provider network in the past six 42 months and the reason that they have left or been removed; and
 - (13) Any other data or metric the superintendent or the commissioner of health deems is necessary to measure compliance with mental health parity and substance use disorder parity.
- 46 § 3. Paragraph 2 of subsection (c) of section 210 of the insurance 47 law, as added by chapter 579 of the laws of 1998, is amended to read as 48 follows:
- (2) the percentage of primary care physicians who remained participating providers, provided however, that such percentage shall exclude 51 voluntary terminations due to physician retirement, relocation or other 52 similar reasons, and the percentage of mental health professionals, 53 defined as physicians who are licensed pursuant to article one hundred 54 thirty-one of the education law who are diplomats of the American board of psychiatry and neurology or are eligible to be certified by that 55 56 board, or are certified by the American osteopathic board of neurology
