57. a. The commissioner shall consult and collaborate with the commis-4 sioner of health and appropriate organizations that have expertise in the prevention of child sexual exploitation and child abuse, as well as other interested parties, to establish and develop a program within the department related to the prevention of child sexual exploitation and child abuse in grades kindergarten through eight. Such program shall be defined by the commissioner in regulations after consultation with the 10 department of health and be designed to educate students, parents and school personnel about the prevention of child sexual exploitation and child abuse in grades kindergarten through eight. Such program shall include, but not be limited to:

14 (i) age-appropriate model curriculum, exemplar lesson plans, and best 15 practice instructional resources for students, parents and school personnel designed to promote the prevention of child sexual exploita-16 tion and child abuse. Such model curriculum, lesson plans and instruc-
