compensation due to insufficient earnings, or has performed services for an employer not covered under the unemployment compensation law, and is unlikely to return to the individual's previous industry or occupation; or

- 5 (4) has been laid off or terminated, or has received notice of layoff 6 or termination, as a result of a permanent closure of or any substantial 7 layoff at a plant, facility or enterprise; or
- 8 (5) was formerly self-employed and is unemployed from the individual's business; or
- 10 (6) is a displaced homemaker who has been providing unpaid services to
 11 family members in the home, has been dependent on the income of another
 12 family member and is no longer supported by that income, is unemployed
 13 or underemployed, and is experiencing difficulty in obtaining or upgrad14 ing employment.
- 2. "Federal poverty level" means the most recently revised poverty income guidelines published by the federal Department of Health and Human Services.
- 3. "Low skilled" means an adult individual who is basic skills deficient, has lower level digital literacy skills, has an education below a
 high school diploma, or has a low level of educational attainment that
 inhibits the individual's ability to compete for skilled occupations
 that provide opportunity for a self-sufficient wage.
- 4. "Underemployed" means an adult individual who is working less than
 thirty hours per week, or who is employed any number of hours per week
 in a job that is substantially below the individual's skill level and
 that does not lead to self-sufficiency.
 - 5. "Unemployed" means an adult individual who is involuntarily unemployed and is actively engaged in seeking employment.
 - § 6461. Pathways for academic career and employment program. 1. The pathways for academic career and employment program (PACE) is hereby established to provide funding to community colleges for the development of projects that will lead to gainful, quality, in-state employment for members of target populations by providing them with both effective academic and employment training to ensure gainful employment and customized support services.
- 2. Individuals included in target populations are those individuals
 who meet one or more of the following criteria:
 - a. Are deemed to be low skilled as defined in subdivision three of section sixty-four hundred sixty of this article.
- b. Earn incomes at or below two hundred percent of the federal poverty level.
 - c. Are unemployed.

- e. Are dislocated workers.
- 3. Projects eligible for funding for PACE shall be projects that:
- 46 <u>a. further the ability of members of target populations to secure</u> 47 <u>gainful, quality employment;</u>
- 48 <u>b. further partnerships linking community colleges to industry and</u>
 49 <u>nonprofit organizations; and</u>
 - c. further the following program outcomes:
 - (1) enabling members of the target populations to:
- 52 (A) acquire and demonstrate competency in basic skills;
- 53 (B) acquire and demonstrate competency in a specified technical field;
- 54 (C) complete a specified level of postsecondary education;
- 55 (D) earn a national career readiness certificate;
- 56 (E) obtain employer-validated credentials; and/or

- (F) secure gainful employment in high-quality, local jobs; and
 - (2) meet economic and employment goals including but not limited to:
- 3 (A) economic and workforce development requirements in each region 4 served by the community colleges; and
- 5 (B) needs of industry partners in areas including but not limited to
 6 the fields of information technology, health care, advanced manufactur7 ing, transportation and logistics, and any other industry designated as
 8 in-demand by the commissioner.
- 9 <u>4. Program components for a PACE project implemented at a community</u> 10 <u>college shall:</u>
- 11 <u>a. include measurable and effective recruitment, assessment, and</u> 12 <u>referral activities designed for the target populations;</u>
- 13 <u>b. integrate basic skills and work-readiness training with occupa-</u>
 14 <u>tional skills training;</u>
- 15 <u>c. combine customized supportive and case management services with</u>
 16 <u>training services to help participants overcome barriers to employment;</u>
 17 <u>and</u>
- d. provide training services at times, locations, and through multiple, flexible modalities that are easily understood and readily accessible to the target populations. Such modalities shall support open
 entry, individualized learning, and flexible scheduling, and may include
 online remediation, learning lab and cohort learning communities, tutoring, and modularization.
- 5. Each community college receiving funding for PACE shall develop a pipeline program in order to better serve the academic, training, and employment needs of the target populations. A pipeline program shall have the following goals:
- 28 <u>a. to strengthen partnerships with community-based organizations and</u> 29 <u>industry representatives;</u>
- 30 <u>b. to improve and simplify the identification, recruitment, and</u> 31 <u>assessment of qualified participants;</u>
- 32 c. to conduct and manage an outreach, recruitment, and intake process, 33 along with accompanying support services, reflecting sensitivity to the 34 time and financial constraints and remediation needs of the target popu-35 lations;
- 36 <u>d. to conduct orientations for qualified participants to describe</u>
 37 <u>regional labor market opportunities, employer partners, and program</u>
 38 <u>requirements and expectations;</u>
 - e. to describe the concepts of the project implemented with funds from PACE and the embedded educational and support resources available through such project;
- 42 <u>f. to outline the basic skills participants will learn and describe</u> 43 <u>the credentials participants will earn;</u>
- 44 g. to describe success milestones and ways in which temporal and 45 instructional barriers have been minimized or eliminated; and
- 46 <u>h. to review how individualized and customized service strategies for</u>
 47 participants will be developed and provided.
- 6. Each community college receiving funding for PACE shall develop a
 49 career pathway and bridge curriculum development program in order to
 50 better serve the academic, training, and employment needs of the target
 51 populations. A career pathways and bridge curriculum development program
 52 shall have the following goals:
- 53 <u>a. the articulation of courses and modules, the mapping of programs</u>
 54 <u>within career pathways, and the establishment of bridges between credit</u>
 55 <u>and noncredit programs;</u>

b. the integration and contextualization of basic skills education and 1 2 skills training. This process shall provide for seamless progressions 3 between adult basic education and general education development programs and continuing education and credit certificate, diploma, and degree 4 5 programs; and

- c. the development of career pathways that support the attainment of industry-recognized credentials, diplomas, and degrees through stackable, modularized program delivery.
- 9 2. The education law is amended by adding a new section 669-h to 10 read as follows:
- 11 § 669-h. Gap tuition assistance program. 1. The gap tuition assistance program is hereby established to provide funding to community colleges 12 13 for need-based tuition assistance to enable applicants to complete continuing education certificate training programs for in-demand occupa-14 15 tions.
 - 2. a. Eligibility for tuition assistance shall be based on financial need. Applicants may be found eligible for partial or total tuition assistance. Tuition assistance shall not be approved when the community college receiving the application determines that funding for an applicant's participation in an eligible certificate program is available from any other public or private funding source. Criteria to determine financial need shall include but not be limited to:
- (1) the applicant's family income for the twelve months prior to the 23 24 date of application;
 - (2) the applicant's family size; and
 - (3) the applicant's county of residence.
 - b. An applicant for tuition assistance under this section shall provide to the gap tuition assistance coordinator at the community college receiving the application documentation of all sources of income.
 - c. Eligibility for tuition assistance under this chapter shall be limited to individuals earning incomes at or below two hundred percent of the federal poverty level as defined by the most recently revised poverty income guidelines published by the United States Department of Health and Human Services.
 - 3. An applicant for tuition assistance under this chapter must have a demonstrated capacity to achieve the following outcomes:
 - a. the ability to complete an eligible certificate program;
- 39 b. the ability to enter a postsecondary certificate, diploma, or 40 degree program for credit;
 - c. the ability to gain full-time employment; and
 - d. the ability to maintain full-time employment over a period of time.
- 42 43 4. The community college receiving the application shall only approve 44 applicant for tuition assistance under this section if the community 45 college determines the applicant is likely to succeed in achieving the 46 outcomes described in subdivision three of this section after consider-47 ing factors including but not limited to:
- 48 a. barriers that may prevent an applicant from completing the certif-49 icate program; and
- b. barriers that may prevent an applicant from gaining employment in 50 51 an in-demand occupation.
- 5. a. Only an applicant eligible to work in the United States shall be 52 53 approved for tuition assistance under this chapter.
- 54 b. An application shall be valid for six months from the date of 55 signature on the application.

A. 4069 5

1 c. An applicant shall not be approved for tuition assistance under 2 this section for more than one eliqible certificate program.

- 3 <u>d. Eligibility for tuition assistance under this chapter shall not be</u> 4 <u>construed to guarantee enrollment in any community college certificate</u> 5 program.
- 6 <u>6. a. Costs of a certificate program eligible for coverage by gap tuition assistance shall include but are not limited to the following:</u>
 - (1) tuition;

- (2) direct training costs;
 - (3) required books and equipment; and
- 11 (4) fees, including but not limited to fees for industry testing 12 services and background check testing services.
- b. For the purposes of this chapter, "eligible certificate program"

 means a program meeting all of the following criteria:
- 15 <u>(1) The program is not offered for credit, but is aligned with a</u> 16 <u>certificate, diploma, or degree for credit, and does at least one of the</u> 17 <u>following:</u>
 - (A) offers a nationally, locally, or state-recognized certificate;
 - (B) offers preparation for a professional examination or licensure;
 - (C) provides endorsement for an existing credential or license;
- 21 (D) represents recognized skill standards defined by an industrial 22 sector; or
 - (E) offers a similar credential or training in connection with the pathways for academic career and employment program established pursuant to section sixty-four hundred sixty-one of this chapter; and
 - (2) the program offers training or a credential in an in-demand occupation. For the purposes of this chapter, "in-demand occupation" includes occupations in information technology, health care, advanced manufacturing, transportation and logistics, and any other industry designated as in-demand by the commissioner.
 - 7. An eligible applicant for tuition assistance under this section shall complete an initial assessment administered by the community college receiving the application to determine the applicant's readiness to complete an eligible certificate program. The assessment shall include assessments for completion of a national career readiness certificate, including the areas of reading for information, applied mathematics, and locating information. An applicant must achieve at least a national bronze-level certificate, defined as a minimum level three for reading, math, and locating information, in order to be approved for tuition assistance. An applicant shall complete any additional assessments and occupational research required by the pathways for academic career and employment program established pursuant to section sixty-four hundred sixty-one of this chapter or an eligible certificate program, or both.
- 45 8. An eligible applicant for tuition assistance under this section 46 shall meet with the gap tuition assistance coordinator for an eligible certificate program offered by the community college receiving the 47 application. The gap tuition assistance coordinator shall discuss the 48 relevant industry, any applicable occupational research, and any appli-49 cable training relating to the eligible certificate program. The 50 51 discussion shall include an evaluation of the applicant's capabilities, 52 needs, family situation, work history, educational background, attitude 53 and motivation, employment skills, vocational potential, and employment 54 barriers. The discussion shall also include potential start dates, support needs, and other requirements for an eligible certificate 55

56 program.

A. 4069 6

9. a. A participant in an eligible certificate program who receives tuition assistance pursuant to this chapter shall do all of the following:

- (1) maintain regular contact with staff members for the certificate program to document the applicant's progress in the program;
- (2) sign a release form to provide relevant information to community college faculty or case managers;
- 8 (3) discuss with staff members for the certificate program any issues
 9 that may impact the participant's ability to complete the certificate
 10 program, obtain employment, and maintain employment over a period of
 11 time;
 - (4) attend all required courses regularly; and
- 13 <u>(5) meet with staff members for the certificate program to develop a</u> 14 <u>job search plan.</u>
 - b. A community college may terminate tuition assistance for a participant who fails to meet the requirements of this rule. The process to appeal a termination will be provided to a participant through the gap tuition assistance coordinator.
 - 10. a. Statewide oversight, evaluation, and reporting efforts for the gap tuition assistance program shall be coordinated by the department.
 - b. A steering committee, consisting of the commissioner, the regents, and community college continuing education deans and directors, is established to determine if the performance measures of the gap tuition assistance program are being met and to correct any deficiencies. The steering committee shall meet at least quarterly to evaluate and monitor the performance of the gap tuition assistance program.
 - c. A common intake tracking system shall be established to be implemented consistently by each participating community college. The community colleges will work cooperatively in establishing the system and the department will assist in gathering required reporting data elements through the community college Management Information System (MIS).
 - d. The steering committee will develop the required program criteria for pathways for academic career and employment program and gap tuition assistance-certified programs to be eligible for tuition assistance and program funding. These criteria will be developed based on best practices in the development and delivery of career pathway programs that provide a clear sequence of education coursework and credentials aligned with regional workforce skill needs; clearly articulate from one level of instruction to the next; combine occupational skills and remedial adult education; lead to the attainment of a credential or degree; assist with job placement; and provide wrap-around social and socioeconomic support services with the goal of increasing the individual's skills attainment and employment potential.
 - § 3. The commissioner of education shall promulgate all rules and regulations he or she deems necessary to implement the provisions of this act on or before its effective date.
- § 4. This act shall take effect on the first of January next succeeding the date upon which it shall have become a law and shall apply to all school years commencing on and after July first of the year in which it becomes effective.
