§ 2. Subdivisions 3 and 5 of section 2899 of the public health law, as amended by chapter 331 of the laws of 2006, are amended to read as follows:

3. "Employee" shall mean any person to be employed or used by a provider, including those persons employed by a temporary employment agency, to provide direct care or supervision to patients or residents **or an individual who serves as a maintenance employee as defined in section four hundred sixty-one-u of the social services law**. 10. Notwithstanding subdivision eleven of section eight hundred forty-five-b of the executive law, a certified home health agency, licensed home care services agency or long term home health care program certified, licensed or approved under article thirty-six of this chapter or a home care services agency exempt from certification or licensure under article thirty-six of this chapter, or an adult home, enriched housing program or residence for adults licensed under article seven of the social services law, **or an assisted living facility licensed under article forty-six-B of this chapter,** may temporarily approve a prospective employee while the results of the criminal history information check and the determination are pending, upon the condition that the provider conducts appropriate direct observation and evaluation of the temporary employee, while he or she is temporarily employed, and the care recipient. The results of such observations shall be documented in the temporary employee's personnel file and shall be maintained. For purposes of providing such appropriate direct observation and evaluation, the provider shall utilize an individual employed by such provider with a minimum of one year's experience working in an agency certified, licensed or approved under article thirty-six of this chapter or an adult home, enriched housing program or residence for adults licensed under article seven of the social services law. If the temporary employee is working under contract with another provider certified, licensed or approved under article thirty-six **or article forty-six-B** of this chapter, such contract provider's appropriate direct observation and evaluation of the temporary employee, shall be considered sufficient for the purposes of complying with this subdivision.

§ 4. This act shall take effect immediately.
