AN ACT to amend the public health law and the environmental conservation law, in relation to prohibiting the use of pesticides at children's overnight or summer day camp

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 1396 of the public health law is renumbered section 1397 and a new section 1396 is added to read as follows:

§ 1396. Pesticide alternatives. 1. For purposes of this section "pesticide" shall have the same meaning as set forth in subdivision thirty-five of section 33-0101 of the environmental conservation law, provided however that it shall not include:

(a) the application of anti-microbial pesticides and anti-microbial products as defined by FIFRA in 7 U.S.C. Section 136 (mm) and 136 q (h) (2);

(b) the use of an aerosol product with a directed spray, in containers of eighteen fluid ounces or less, when used to protect individuals from an imminent threat from stinging and biting insects, including venomous spiders, bees, wasps and hornets;

(c) the use of non-volatile insect or rodent bait in a tamper resistant container;

(d) the application of a pesticide classified by the United States Environmental Protection Agency as an exempt material under 40 CFR Part 152.25;

(e) the use of boric acid and disodium octaborate tetrahydrate; or

(f) the use of horticultural soap and oils that do not contain synthetic pesticides or synergists.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1     2. No camp defined in subdivisions one and two of section thirteen  
2     hundred ninety-two of this article shall apply pesticide to any play-  
3     grounds, turf, athletic or playing fields, other than those on public-  
4     ly-owned or publicly-leased property in a city of more than one million,  
5     except that an emergency application of a pesticide may be made as  
6     determined by the county health department or for a county not having a  
7     health department, such authority as the county legislature shall desig-  
8     nate, the commissioner or his or her designee or the commissioner of  
9     environmental conservation or his or her designee.

10    3. The commissioner shall have the power to exempt from this section  
11    any camp defined in subdivisions one and two of section thirteen hundred  
12    ninety-two of this article to the extent that it is not practicable to  
13    use pesticide alternatives as defined in subdivision one of this  
14    section.

15    § 2. Subdivision 7 of section 33-0303 of the environmental conserva-  
16    tion law, as added by chapter 85 of the laws of 2010, is amended to read  
17    as follows:

18    7. The commissioner, in consultation with the commissioner of educa-  
19    tion and the commissioner of health, shall develop guidance on pesticide
