The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 4-104 of the election law, as
2 amended by chapter 180 of the laws of 2005, is amended to read as
3 follows:

4 1. Every board of elections shall, in consultation with each city,
5 town and village, designate the polling places in each election district
6 in which the meetings for the registration of voters, and for any
7 election may be held. The board of trustees of each village in which
8 general and special village elections conducted by the board of
9 elections are held at a time other than the time of a general election
10 shall submit such a list of polling places for such village elections to
11 the board of elections. A polling place may be located in a building
12 owned by a religious organization or used by it as a place of worship.
13 If such a building is designated as a polling place, it shall not be
14 required to be open for voter registration on any Saturday if this is
15 contrary to the religious beliefs of the religious organization. In such
16 a situation, the board of elections shall designate an alternate
17 location to be used for voter registration. A polling place may be
18 located in a building utilized for primary or secondary school instruc-
19 tion. If such a building is designated as a polling place, it shall not
20 be required to be open for voter registration or as a polling place if
21 the school is in session and minors are scheduled to be present on such
22 day. In such a situation, the board of elections shall designate an
