31 § 573. Fiduciary duty. The board, the individual members of the board,  
32 the trustees, any other agents appointed or engaged by the board, and  
33 all persons serving as program staff shall discharge their duties with  
34 respect to the program solely in the interest of the program's enrollees  
35 and beneficiaries as follows:

36 1. for the exclusive purposes of providing benefits to enrollees and  
37 beneficiaries and defraying reasonable expenses of administering the  
38 program;

39 2. by investing with the care, skill, prudence, and diligence under  
40 the prevailing circumstances that a prudent person acting in a like  
41 capacity and familiar with those matters would use in the conduct of an  
42 enterprise of a like character and with like aims; and

43 3. by using any contributions paid by employees and employers remit-  
44 ting employees' own contributions into the trust exclusively for the  
45 purpose of paying benefits to the enrollees of the program, for the cost  
46 of administration of the program, and for investments made for the bene-  
47 fit of the program.

48 § 574. Duties of the board. In addition to the other duties and  
49 responsibilities stated in this article, the board shall:

50 1. Cause the program to be designed, established and operated in a  
51 manner that:

52 (a) accords with best practices for retirement savings vehicles;

53 (b) maximizes participation, savings, and sound investment practices  
54 including considering the use of automatic enrollment as allowed under  
55 federal law;

1 (c) maximizes simplicity, including ease of administration for partic-  
2 ipating employers and enrollees;

3 (d) provides an efficient product to enrollees by pooling investment  
4 funds;

5 (e) ensures the portability of benefits; and

6 (f) provides for the deaccumulation of enrollee assets in a manner  
7 that maximizes financial security in retirement.

8 2. Appoint a trustee to the IRA fund in compliance with section 408 of  
9 the Internal Revenue Code.

10 3. Explore and establish investment options, subject to this article,  
11 that offer enrollees returns on contributions and the conversion of  
12 individual retirement savings account balances to secure retirement  
13 income without incurring debt or liabilities to the state.

14 4. Establish the process by which interest, investment earnings, and  
15 investment losses are allocated to individual program accounts on a pro  
16 rata basis and are computed at the interest rate on the balance of an  
17 individual's account.

18 5. Make and enter into contracts necessary for the administration of  
19 the program and fund, including, but not limited to, retaining and  
20 contracting with investment managers, private financial institutions,  
21 other financial and service providers, consultants, actuaries, counsel,  
22 auditors, third-party administrators, and other professionals as neces-  
23 sary.

24 6. Conduct a review of the performance of any investment vendors every  
25 four years, including, but not limited to, a review of returns, fees,  
26 and customer service. A copy of reviews shall be posted to the board's  
27 Internet website.

28 7. Determine the number and duties of staff members needed to adminis-  
29 ter the program and assemble such a staff, including, as needed, employ-  
30 ing staff, and appointing a program administrator.

31 8. Cause moneys in the fund to be held and invested as pooled invest-  
32 ments described in this article, with a view to achieving cost savings  
33 through efficiencies and economies of scale.

34 9. Evaluate and establish the process by which an enrollee is able to  
35 contribute a portion of his or her wages to the program for automatic  
36 deposit of those contributions and the process by which the participat-  
37 ing employer provides a payroll deposit retirement savings arrangement  
38 to forward those contributions and related information to the program,  
39 including, but not limited to, contracting with financial service compa-  
40 nies and third-party administrators with the capability to receive and  
41 process employee information and contributions for payroll deposit  
42 retirement savings arrangements or similar arrangements.

43 10. Design and establish the process for enrollment including the  
44 process by which an employee can opt not to participate in the program,  
45 select a contribution level, select an investment option, and terminate  
46 participation in the program.

47 11. Evaluate and establish the process by which an employee may volun-  
48 tarily enroll in and make contributions to the program.

49 12. Accept any grants, appropriations, or other moneys from the state,  
50 any unit of federal, state, or local government, or any other person,  
51 firm, partnership, or corporation solely for deposit into the fund,  
52 whether for investment or administrative purposes.

53 13. Evaluate the need for, and procure as needed, insurance against  
54 any and all loss in connection with the property, assets, or activities  
55 of the program, and indemnify as needed each member of the board from

1 personal loss or liability resulting from a member's action or inaction  
2 as a member of the board.

3 14. Make provisions for the payment of administrative costs and  
4 expenses for the creation, management, and operation of the program.  
5 Subject to appropriation, the state may pay administrative costs associ-  
6 ated with the creation and management of the program until sufficient  
7 assets are available in the fund for that purpose. Thereafter, all  
8 administrative costs of the fund, including repayment of any start-up  
9 funds provided by the state, shall be paid only out of moneys on deposit  
10 therein. However, private funds or federal funding received in order to  
11 implement the program until the fund is self-sustaining shall not be  
12 repaid unless those funds were offered contingent upon the promise of  
13 such repayment. The board shall keep annual administrative expenses as  
14 low as possible, but in no event shall they exceed 0.75% of the total  
15 trust balance.

16 15. Allocate administrative fees to individual retirement accounts in  
17 the program on a pro rata basis.

18 16. Set minimum and maximum contribution levels in accordance with  
19 limits established for IRAs by the Internal Revenue Code.

20 17. Facilitate education and outreach to employers and employees.

21 18. Facilitate compliance by the program with all applicable require-  
22 ments for the program under the Internal Revenue Code, including tax  
23 qualification requirements or any other applicable law and accounting  
24 requirements.

25 19. Carry out the duties and obligations of the program in an effec-  
26 tive, efficient, and low-cost manner.

27 20. Exercise any and all other powers reasonably necessary for the  
28 effectuation of the purposes, objectives, and provisions of this article  
29 pertaining to the program.

30 21. Deposit into the New York state secure choice administrative fund  
31 all grants, gifts, donations, fees, and earnings from investments from  
32 the New York state secure choice savings program fund that are used to  
33 recover administrative costs. All expenses of the board shall be paid  
34 from the New York state secure choice administrative fund.

35 22. Determine withdrawal provisions, such as economic hardships,  
36 portability and leakage.

37 23. Determine employee rights and enforcement of penalties.

38 § 575. Risk management. The board shall annually prepare and adopt a  
39 written statement of investment policy that includes a risk management  
40 and oversight program. This investment policy shall prohibit the board,  
41 program, and fund from borrowing for investment purposes. The risk  
42 management and oversight program shall be designed to ensure that an  
43 effective risk management system is in place to monitor the risk levels  
44 of the program and fund portfolio, to ensure that the risks taken are  
45 prudent and properly managed, to provide an integrated process for over-  
46 all risk management, and to assess investment returns as well as risk to  
47 determine if the risks taken are adequately compensated compared to  
48 applicable performance benchmarks and standards. The board shall consid-  
49 er the statement of investment policy and any changes in the investment  
50 policy at a public hearing.

51 § 576. Investment firms. 1. The board shall engage, after an open bid  
52 process, an investment manager or managers to invest the fund and any  
53 other assets of the program. Moneys in the fund may be invested or rein-  
54 vested by the comptroller or may be invested in whole or in part. In  
55 selecting the investment manager or managers, the board shall take into

1 consideration and give weight to the investment manager's fees and  
2 charges in order to reduce the program's administrative expenses.

3 2. The investment manager or managers shall comply with any and all  
4 applicable federal and state laws, rules, and regulations, as well as  
5 any and all rules, policies, and guidelines promulgated by the board  
6 with respect to the program and the investment of the fund, including,  
7 but not limited to, the investment policy.

8 3. The investment manager or managers shall provide such reports as  
9 the board deems necessary for the board to oversee each investment  
10 manager's performance and the performance of the fund.

11 § 577. Investment options. 1. The board shall establish as an invest-  
12 ment option a life-cycle fund with a target date based upon the age of  
13 the enrollee. This shall be the default investment option for enrollees  
14 who fail to elect an investment option unless and until the board desig-  
15 names by rule a new investment option as the default.

16 2. The board may also establish any or all of the following additional  
17 investment options:

18 (a) a conservative principal protection fund;

19 (b) a growth fund;

20 (c) a secure return fund whose primary objective is the preservation  
21 of the safety of principal and the provision of a stable and low-risk  
22 rate of return; if the board elects to establish a secure return fund,  
23 the board may procure any insurance, annuity, or other product to insure  
24 the value of enrollees' accounts and guarantee a rate of return; the  
25 cost of such funding mechanism shall be paid out of the fund; under no  
26 circumstances shall the board, program, fund, the state, or any partic-  
27 ipating employer assume any liability for investment or actuarial risk;  
28 the board shall determine whether to establish such investment options  
29 based upon an analysis of their cost, risk profile, benefit level,  
30 feasibility, and ease of implementation; or

31 (d) an annuity fund.

32 3. If the board elects to establish a secure return fund, the board  
33 shall then determine whether such option shall replace the target date  
34 or life-cycle fund as the default investment option for enrollees who do  
35 not elect an investment option. In making such determination, the board  
36 shall consider the cost, risk profile, benefit level, and ease of  
37 enrollment in the secure return fund. The board may at any time there-  
38 after revisit this question and, based upon an analysis of these crite-  
39 ria, establish either the secure return fund or the life-cycle fund as  
40 the default for enrollees who do not elect an investment option.

41 § 578. Benefits. Interest, investment earnings, and investment losses  
42 shall be allocated to individual program accounts as established by the  
43 board pursuant to this article. An individual's retirement savings bene-  
44 fit under the program shall be an amount equal to the balance in the  
45 individual's program account on the date the retirement savings benefit  
46 becomes payable. The state shall have no liability for the payment of  
47 any benefit to any enrollee in the program.

48 § 579. Employer and employee information packets and disclosure forms.  
49 1. Prior to the opening of the program for enrollment, the board shall  
50 design and disseminate to all employers an employer information packet  
51 and an employee information packet, which shall include background  
52 information on the program, appropriate disclosures for employees, and  
53 information regarding the vendor Internet website described.

54 2. The board shall provide for the contents of both the employee  
55 information packet and the employer information packet. The employee  
56 information packet shall be made available in English, Spanish, Haitian

1 Creole, Chinese, Korean, Russian, Arabic, and any other language the  
2 comptroller deems necessary.

3 3. The employee information packet shall include a disclosure form.  
4 The disclosure form shall explain, but not be limited to, all of the  
5 following:

6 (a) the benefits and risks associated with making contributions to the  
7 program;

8 (b) the mechanics of how to make contributions to the program;

9 (c) how to opt out of the program;

10 (d) how to participate in the program with a level of employee  
11 contributions other than three percent;

12 (e) that they are not required to participate or contribute more than  
13 three percent;

14 (f) that they can opt out after they have enrolled;

15 (g) the process for withdrawal of retirement savings;

16 (h) the process for selecting beneficiaries of their retirement  
17 savings;

18 (i) how to obtain additional information about the program;

19 (j) that employees seeking financial advice should contact financial  
20 advisors, that participating employers are not in a position to provide  
21 financial advice, and that participating employers are not liable for  
22 decisions employees make pursuant to this article;

23 (k) information on how to access any financial literacy programs  
24 implemented by the comptroller;

25 (l) that the program is not an employer-sponsored retirement plan; and

26 (m) that the program fund is not guaranteed by the state.

27 4. The employee information packet shall also include a form for an  
28 employee to note his or her decision to opt out of participation in the  
29 program or elect to participate with a level of employee contributions  
30 other than three percent.

31 5. Participating employers shall supply the employee information pack-  
32 et to existing employees at least one month prior to the participating  
33 employers' launch of the program. Participating employers shall supply  
34 the employee information packet to new employees at the time of hiring,  
35 and new employees may opt out of participation in the program or elect  
36 to participate with a level of employee contributions other than three  
37 percent at that time.

38 § 580. Program implementation and enrollment. Except as otherwise  
39 provided in this article, the program shall be implemented, and enroll-  
40 ment of employees shall begin, within twenty-four months after the  
41 effective date of this article. The provisions of this section shall be  
42 in force after the board opens the program for enrollment.

43 1. Each participating employer may establish a payroll deposit retire-  
44 ment savings arrangement to allow each employee to participate in the  
45 program and begin employee enrollment at most nine months after the  
46 board opens the program for enrollment.

47 2. Enrollees shall have the ability to select a contribution level  
48 into the fund. This level may be expressed as a percentage of wages or  
49 as a dollar amount up to the deductible amount for the enrollee's tax-  
50 able year under section 219(b)(1)(A) of the Internal Revenue Code. Enrol-  
51 lees may change their contribution level at any time, subject to rules  
52 promulgated by the board. If an enrollee fails to select a contribution  
53 level using the form described in this article, then he or she shall  
54 contribute three percent of his or her wages to the program, provided  
55 that such contributions shall not cause the enrollee's total contrib-  
56 utions to IRAs for the year to exceed the deductible amount for the

1 enrollee's taxable year under section 219(b)(1)(A) of the Internal  
2 Revenue Code. Notwithstanding any other provision of law, any partic-  
3 ipating enrollee, whose employer fails to make employee deductions in  
4 accordance with the provisions in section one hundred ninety-three of  
5 the labor law, may bring an action, pursuant to section one hundred  
6 ninety-eight of the labor law, to recover such monies. Further, any  
7 participating employer, who fails to make employee deductions in accord-  
8 ance with the provisions in section one hundred ninety-three of the  
9 labor law, shall be subject to the penalties and fines provided for in  
10 section one hundred ninety-eight-a of the labor law.

11 3. Enrollees may select an investment option from the permitted  
12 investment options listed in this article. Enrollees may change their  
13 investment option at any time, subject to rules promulgated by the  
14 board. In the event that an enrollee fails to select an investment  
15 option, that enrollee shall be placed in the investment option selected  
16 by the board as the default under this article. If the board has not  
17 selected a default investment option under this article, then an enrol-  
18 lee who fails to select an investment option shall be placed in the  
19 life-cycle fund investment option.

20 4. Following initial implementation of the program pursuant to this  
21 section, at least once every year, participating employers shall desig-  
22 nate an open enrollment period during which employees who previously  
23 opted out of the program may enroll in the program.

24 5. An employee who opts out of the program who subsequently wants to  
25 participate through the participating employer's payroll deposit retire-  
26 ment savings arrangement may only enroll during the participating  
27 employer's designated open enrollment period or if permitted by the  
28 participating employer at an earlier time.

29 6. Employers shall retain the option at all times to set up any type  
30 of employer-sponsored retirement plan instead of having a payroll depos-  
31 it retirement savings arrangement to allow employee participation in the  
32 program.

33 7. An enrollee may terminate his or her participation in the program  
34 at any time in a manner prescribed by the board.

35 8. (a) The state comptroller shall establish a website regarding the  
36 secure choice savings program which shall be accessible through the  
37 state comptroller's own website.

38 (b) The board shall, in conjunction with the office of the state comp-  
39 troller, establish and maintain a secure website wherein enrollees may  
40 log in and acquire information regarding contributions and investment  
41 income allocated to, withdrawals from, and balances in their program  
42 accounts for the reporting period. Such website must also include infor-  
43 mation for the enrollees regarding other options available to the  
44 employee and how they can transfer their accounts to other programs  
45 should they wish to do so. Such website may include any other informa-  
46 tion regarding the program as the board may determine.

47 § 581. Payments. Employee contributions deducted by the participating  
48 employer through payroll deduction shall be paid by the participating  
49 employer to the fund using one or more payroll deposit retirement  
50 savings arrangements established by the board under this article,  
51 either:

52 1. on or before the last day of the month following the month in which  
53 the compensation otherwise would have been payable to the employee in  
54 cash; or

55 2. before such later deadline prescribed by the board for making such  
56 payments, but not later than the due date for the deposit of tax

1 required to be deducted and withheld relating to collection of income  
2 tax at source on wages or for the deposit of tax required to be paid  
3 under the unemployment insurance system for the payroll period to which  
4 such payments relate.

5 § 582. Duty and liability of the state. 1. The state shall have no  
6 duty or liability to any party for the payment of any retirement savings  
7 benefits accrued by any enrollee under the program. Any financial  
8 liability for the payment of retirement savings benefits in excess of  
9 funds available under the program shall be borne solely by the entities  
10 with whom the board contracts to provide insurance to protect the value  
11 of the program.

12 2. No state board, commission, or agency, or any officer, employee, or  
13 member thereof is liable for any loss or deficiency resulting from  
14 particular investments selected under this article, except for any  
15 liability that arises out of a breach of fiduciary duty.

16 § 583. Duty and liability of participating employers. 1. Participat-  
17 ing employers shall not have any liability for an employee's decision to  
18 participate in, or opt out of, the program or for the investment deci-  
19 sions of the board or of any enrollee.

20 2. A participating employer shall not be a fiduciary, or considered to  
21 be a fiduciary, over the program. A participating employer shall not  
22 bear responsibility for the administration, investment, or investment
