STATE OF NEW YORK

5151

2017-2018 Regular Sessions

IN ASSEMBLY

February 6, 2017

Introduced by M. of A. CRESPO -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to authorizing the screening for childhood obesity and instruction in good health and reducing the incidence of obesity

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 901 of the education law, as amended by chapter 477 of the laws of 2004, subdivision 1 as amended by section 57 of part $\,$ A-1 $\,$ 2 of chapter 58 of the laws of 2006, is amended to read as follows:

§ 901. School health services to be provided. 1. School health services, as defined in subdivision two of this section, shall be provided by each school district for all students attending the public schools in this state, except in the city school district of the city of New York, as provided in this article. School health services shall include the services of a registered professional nurse, if one is 10 employed, and shall also include such services as may be rendered as 11 provided in this article in examining students for the existence of disease or disability, or may include services related to examining for 13 childhood obesity based upon the calculation of each student's body mass 14 index and weight status category pursuant to section nine hundred four of this article, and in testing the eyes and ears of such students.

for preventing and correcting defects [and], diseases and childhood obesity conditions; to instruct the school personnel in procedures to take in case of accident or illness; to survey and make necessary recommendations concerning the health and safety aspects of school facilities and the provision of health information.

- § 2. Subdivision 1 of section 903 of the education law, as amended by chapter 376 of the laws of 2015, is amended to read as follows:
- 8 1. A health certificate shall be furnished by each student in the 9 public schools upon his or her entrance in such schools and upon his or 10 her entry into the grades prescribed by the commissioner in regulations, 11 provided that such regulations shall require such certificates at least 12 twice during the elementary grades and twice in the secondary grades. An 13 examination and health history of any child may be required by the local 14 school authorities at any time in their discretion to promote the educa-15 tional interests of such child. Each certificate shall be signed by a 16 duly licensed physician, physician assistant, or nurse practitioner, who 17 is authorized by law to practice in this state, and consistent with subdivision three of section six thousand nine hundred two of this chap-18 19 ter, or by a duly licensed physician, physician assistant, or nurse 20 practitioner, who is authorized to practice in the jurisdiction in which the examination was given, provided that the commissioner has determined that such jurisdiction has standards of licensure and practice compara-22 to those of New York. Each such certificate shall describe the 23 condition of the student when the examination was made, which shall not 24 25 be more than twelve months prior to the commencement of the school year 26 in which the examination is required, and shall state whether such 27 student is in a fit condition of health to permit his or her attendance The examination may include a diabetes risk 28 at the public schools. analysis and, if necessary, children with risk factors for type 1 29 30 diabetes, or risk factors associated with type 2 diabetes such as obesi-31 ty, a family history of type 2 diabetes, or any other factors consistent 32 with increased risk may also be tested for diabetes. Each such certif-33 icate shall also state the student's body mass index (BMI) and weight 34 status category. For purposes of this section, BMI is computed as the 35 weight in kilograms divided by the square of height in meters or the 36 weight in pounds divided by the square of height in inches multiplied by 37 a conversion factor of 703. Weight status categories for children and 38 adolescents shall be as defined by the commissioner of health. In all 39 school districts such physician, physician assistant or nurse practitioner shall determine whether a one-time test for sickle cell anemia is 40 necessary or desirable and he or she shall conduct such a test and the 41 42 certificate shall state the results.
 - § 3. Subdivisions 4 and 5 of section 918 of the education law, as added by chapter 493 of the laws of 2004, are amended to read as follows:
- 46 4. The committee is encouraged to study and make recommendations on 47 all facets of the current nutritional policies of the district including, but not limited to, the goals of the district to promote health and 48 proper nutrition, reduce the incidence of childhood obesity, vending 49 50 machine sales, menu criteria, educational curriculum teaching healthy 51 nutrition, and educational information provided to parents or guardians 52 regarding healthy nutrition and the health risks associated with obesity, asthma, chronic bronchitis and other chronic respiratory diseases. 54 Provided, further, the committee may provide information to persons in 55 parental relation on opportunities offered to parents or guardians to encourage healthier eating habits to students, and the education

1 provided to teachers and other staff as to the importance of healthy nutrition and about the dangers of childhood obesity. In addition the committee shall consider recommendations and practices of 3 districts and nutrition studies.

- 5. The committee is encouraged to report periodically to the district regarding practices that will educate teachers, parents or guardians and children about healthy nutrition and raise awareness of the dangers of childhood obesity, asthma, chronic bronchitis and other chronic respiratory diseases. The committee is encouraged also to provide any parent teacher associations in the district with such findings and recommendations.
- § 4. Subdivision 1 of section 804-a of the education law, as added by chapter 730 of the laws of 1986, is amended to read as follows: 13
 - Within the amounts appropriated, the commissioner is hereby authorized to establish a demonstration program and to distribute state funds to local school districts, boards of cooperative educational services and in certain instances community school districts, for the development, implementation, evaluation, validation, demonstration and replication of exemplary comprehensive health education programs to assist the public schools in developing curricula, training staff, and addressing local health education needs of students, parents, and staff. Such programs may serve the purpose of developing and enhancing pupils' health knowledge, skills, attitudes and behaviors, which is fundamental to improving their health status and academic performance, as well as reducing the incidence of adolescent pregnancy, alcohol abuse, tobacco abuse, truancy, suicide, substance abuse, obesity, asthma, other chronic respiratory diseases, and other problems of childhood and adolescence.
- § 5. This act shall take effect immediately, except that sections one, 28 29 two and three of this act shall take effect two years after this act 30 shall have become a law.
