1 (g) "Law enforcement official" shall mean any appointed or elected 2 federal, state or local official with executive responsibility to coor-3 dinate law enforcement in the jurisdiction in which the emergency or 4 event has occurred.

- (h) "Building inspection official" shall mean any appointed or elected federal, state or local official with executive responsibility to coordinate building inspection in the jurisdiction in which the emergency or event has occurred.
- 9 2. A professional engineer, architect, landscape architect or land 10 surveyor who voluntarily, without compensation, other than reimbursement 11 of expenses, acting reasonably and in good faith, provides structural, electrical, mechanical, or other engineering, architectural, landscape 12 13 architectural or land surveying services arising from or in connection 14 with a response to or recovery or relief from a declared national, state or local disaster or emergency, whether natural or man-caused, such as, 15 16 without limitation, an earthquake, hurricane, tornado, fire, explosion, flood, tropical storm, collapse, or other similar disaster or 17 catastrophic event, at the request or with the consent or approval of a 18 national, state or local public official, law enforcement official, 19 20 public safety official or building inspection official acting in an 21 official capacity, shall not be subject to or liable for any claim for personal injury, wrongful death, property damage or other loss caused by 22 the professional engineer's, architect's, landscape architect's or land 23 surveyor's acts, errors or omissions in the performance of any engineer-24 25 ing, architectural, landscape architectural or land surveying services 26 arising from or in any way related to the declared disaster or emergen-27 cy, except as set forth in paragraph (b) of this subdivision.
 - (a) The immunity provided in this section shall apply only to a voluntary engineering, architectural, landscape architectural or land surveying service that occurs during or within ninety days after the termination of the declared emergency, disaster or catastrophic event, unless extended by an executive order issued by the governor under the governor's emergency executive powers.
 - (b) The immunity provided in this subdivision shall apply in all cases, except upon a showing that a voluntary engineering, architectural, landscape architectural or land surveying service furnished for or in connection with a response to or recovery or relief from a declared national, state or local disaster or emergency was performed in a manner that constitutes wanton, willful or intentional misconduct, or gross negligence.
- (c) Where a professional engineer, architect, landscape architect or land surveyor voluntarily renders services at the request of a state or local employee or official and where such services fall within the ambit of the immunity provided in this section, the liability of the state or locality, if any, which requested the services shall not be affected by the provisions of this section.
 - § 2. This act shall take effect immediately.
