## IN ASSEMBLY

February 10, 2017

Introduced by M. of A. BRONSON -- read once and referred to the Committee on Labor

AN ACT to amend the workers' compensation law, in relation to requiring the medical advisory committee to establish the use of comprehensive nationally recognized treatment guidelines for all body parts or conditions which have no recommendations by such advisory committee

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 5 of section 13-a of the workers' compensation  
2 law, as amended by chapter 6 of the laws of 2007 and as further amended  
3 by section 104 of part A of chapter 62 of the laws of 2011, is amended  
4 to read as follows:

5 (5) (a) No claim for specialist consultations, surgical operations,  
6 physiotherapeutic or occupational therapy procedures, x-ray examinations  
7 or special diagnostic laboratory tests costing more than one thousand  
8 dollars shall be valid and enforceable, as against such employer, unless  
9 such special services shall have been authorized by the employer or by  
10 the board, or unless such authorization has been unreasonably withheld,  
11 or withheld for a period of more than thirty calendar days from receipt  
12 of a request for authorization, or unless such special services are  
13 required in an emergency, provided, however, that the basis for a denial  
14 of such authorization by the employer must be based on a conflicting  
15 second opinion rendered by a physician authorized by the board. The  
16 board, with the approval of the superintendent of financial services,  
17 shall issue and maintain a list of pre-authorized procedures under this  
18 section. The list of pre-authorized procedures, including medical treat-  
19 ment authorized by any guidelines promulgated or adopted by the board,  
20 shall not be utilized to deny or pre-determine the need for medical  
21 services that vary from such list or the guidelines.

22 (b)(i) The medical advisory committee shall recommend and the board  
23 shall adopt the temporary use of comprehensive, evidence based,

1 nationally recognized treatment guidelines for body parts or conditions  
2 where no agreed upon workers' compensation treatment guideline exists.  
3 Until such time that the medical advisory committee makes a recommenda-  
4 tion for a body part or a particular condition and the board adopts  
5 guidelines for said body part or condition, a qualifying, evidence  
6 based, nationally recognized treatment guideline shall be used for  
7 treatment covered under workers' compensation in New York state.

8 (ii) The medical advisory committee shall have one hundred eighty days  
9 to issue a written recommendation indicating the selection of a qualify-  
10 ing guideline to the board for immediate adoption based upon review of  
11 nationally recognized, evidence-based medical treatment guidelines that  
12 meet the following criteria: (A) are updated at least every two years to  
13 reflect the best science; and (B) are comprehensive in nature, covering  
14 at least ninety-five percent of conditions and body parts covered by  
15 workers' compensation. The qualifying nationally recognized guidelines  
16 shall be temporary and in effect for a period of two years or until the  
17 advisory committee has made a recommendation and the board has adopted a  
18 guideline for treatment of a body part or condition that has no recom-  
19 mendation. If, after the first two years and every two years thereaft-  
20 er, the advisory committee has not made a recommendation and the board  
21 has not adopted a guideline on a particular body part or condition then  
22 the advisory committee shall review the qualifying nationally recognized  
23 guidelines and the board shall adopt a two year extension of such guide-  
24 lines by a two-thirds majority vote of the medical advisory committee or  
25 establish a new qualifying treatment guideline.

26 § 2. This act shall take effect immediately.
