2017-2018 Regular Sessions

IN ASSEMBLY

February 10, 2017

Introduced by M. of A. WEPRIN, BUCHWALD -- Multi-Sponsored by -- M. of A. LUPINACCI, PAULIN, WALKER -- read once and referred to the Committee on Higher Education

AN ACT to amend the limited liability company law, the business corporation law, the partnership law, the public health law and the education law, in relation to allowing psychologists licensed under title VIII, article 153 of the education law to form limited liability companies

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. This bill would authorize physicians
2 and psychologists to form limited liability companies, professional
3 corporations and partnerships with one another. In the last two decades,
4 practice in and among the health professions has changed. Artificial
5 barriers in current law prohibit multidisciplinary practices, which
6 prevents physicians and other providers, including psychologists, from
7 co-owning a practice and collaborating and coordinating on patient care.
8 Such restraints should not prevail, as they are no longer in keeping
9 with best practices in modern health care which espouse the integration
10 of behavioral and physical health.

11 § 2. Subdivision (a) of section 1203 of the limited liability company
12 law, as amended by chapter 475 of the laws of 2014, is amended to read
13 as follows:

14 (a) Notwithstanding the education law or any other provision of law,
15 one or more professionals each of whom is authorized by law to render a
16 professional service within the state, or one or more professionals, at
17 least one of whom is authorized by law to render a professional service
18 within the state, may form, or cause to be formed, a professional
19 service limited liability company for pecuniary profit under this article
20 for the purpose of rendering the professional service or services as
