amended this subdivision, shall be allocated by the authority together 1 2 with such other funds of the authority as the trustees deem feasible and 3 advisable for energy cost savings benefits pursuant to the twelfth 4 undesignated paragraph of this section and, provided further that low 5 cost hydropower be made available to hospitals and municipal housing б authorities that are located in the counties of Niagara and Orleans. Provided, however, that the amount of replacement, preservation power, 7 8 or the additional twenty megawatts of Saint Lawrence-FDR power for the 9 period ending December thirty-first, two thousand six made available for 10 such purpose, used for energy cost savings benefits that are relin-11 quished by or withdrawn from a recipient thereof shall be offered by the authority proportionately for a period of six months for reallocation to 12 13 applicants who qualify respectively for replacement or preservation 14 power allocations as provided in this subdivision. If such power is not 15 allocated within such period it shall be allocated for the purpose of 16 energy cost savings benefits pursuant to subdivision (h) of section one 17 hundred eighty-three of the economic development law. The authority shall negotiate contracts on reasonable terms and conditions to renew or 18 extend every permanent contract allocation of expansion power in effect 19 20 on the effective date of this subdivision and, to the extent consistent 21 with such contracts, the authority shall negotiate contracts on reasonable terms and conditions to extend or renew all other allocations or 22 allotments of such power in effect on such date. The authority shall 23 24 negotiate contracts on reasonable terms and conditions to renew or 25 extend for a period of at least five years every permanent contract 26 allocation of replacement power in effect on the effective date of chap-27 ter three hundred thirteen of the laws of two thousand five which added 28 this sentence and that would expire by its terms on or before the end of 29 the initial federal energy regulatory commission license for the Niagara 30 project; provided that, in negotiating the terms and conditions of such 31 contracts, the authority may consider a business' compliance with all 32 current contractual obligations, including employment and power usage 33 commitments. Contracts entered into pursuant to this subdivision shall 34 contain reasonable provisions providing for the partial or complete 35 withdrawal of the power in the event the recipient fails to maintain 36 mutually agreed levels of employment, investment, and power utilization. 37 Expansion or replacement power relinquished by businesses or withdrawn 38 by the authority shall be allocated directly or by sale for resale by 39 the authority to businesses within the state located within thirty miles of the Niagara project provided, that the amount of power allocated to 40 41 businesses in Chautauqua county on January first, nineteen hundred 42 eighty-seven shall be allocated in such county. Preservation power that 43 is relinquished by businesses or withdrawn by the authority shall be 44 allocated directly or by sale for resale by the authority within the 45 counties of Jefferson, Saint Lawrence and Franklin. Allocations made 46 pursuant to this paragraph shall be made in accordance with criteria 47 established by the trustees. Such criteria shall address the expansion of industry and employment pursuant to paragraph (a) of this subdivision 48 49 and the revitalization of existing industry pursuant to paragraph (b) of 50 this subdivision.

51 § 2. This act shall take effect immediately.
