February 10, 2017

Introduced by M. of A. NORRIS -- read once and referred to the Committee on Children and Families

AN ACT to amend the executive law, the family court act, the criminal procedure law and the judiciary law, in relation to enacting "Renee's law"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 "Renee's law".  
3 § 2. Legislative findings and declaration. The legislature hereby  
4 finds and declares that it is a fundamental purpose of this state's  
5 juvenile justice system to provide a safe environment for both the resi-  
6 dents and the staff of programs licensed, certified and registered by  
7 the office of children and family services. The legislature further  
8 finds that a safe environment is ensured by providing staff of programs  
9 licensed, certified and registered by such office with adequate training  
10 and that this function is a primary responsibility of the commissioner  
11 of children and family services to ensure. Ensuring the safety of the  
12 communities into which the youth are placed is paramount, requiring that  
13 a youth be placed in appropriate locations to avoid preventable tragedy.  
14 The legislature finds that residents of programs and agencies licensed,  
15 certified and registered by the office of children and family services  
16 are committing serious crimes within such programs, and that these  
17 crimes are not being reported to the proper authorities. The provisions  
18 of this act provide a critical framework to improve and maintain safety  
19 within such licensed, certified and registered programs, non-profit  
20 community based programs and communities throughout the state allowing  
21 youths under the office of children and family services' jurisdiction  
22 the ability to be rehabilitated and receive skills necessary to inhibit  
23 recidivism.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

24 action; provided that a child transferred to a non-secure facility from  
25 a limited secure facility may be returned to a limited secure facility

51 officer and employee of a facility or program, that is subject to the  
52 provisions of this title, shall report or cause a report to be made to a  
53 law enforcement agency having jurisdiction when such officer or employee  
54 has reasonable cause to suspect based upon personal knowledge of facts,  
55 conditions or circumstances that a youth in such facility or program has  
56 committed an act, which if the youth was an adult, would be a crime

1 defined in the penal law, or has committed a crime defined in the penal

3 (b) After submitting a report to the law enforcement agency having

14 retaliatory personnel action, as such term is defined in paragraph (e)  
15 of subdivision one of section seven hundred forty of the labor law,  
16 against an employee because such employee believes that he or she has  
17 reasonable cause to suspect that a youth has committed a criminal act  
18 and that employee therefore makes a report in accordance with this  
19 title. No facility or program, licensed, registered or certified by such  
20 office shall impose any conditions, including prior approval or prior  
21 notification, upon a member of its staff specifically required to report  
22 under this title. At the time of the making of a report, or at any time  
23 thereafter, such person or official may exercise the right to request  
24 the findings of an investigation made pursuant to this section.

39 after a complete review of the records and the files of a child,  
40 discharge from its custody any child placed with the [~~division~~] office  
41 whenever it deems such discharge to be in the best interest of the child  
42 and there is reasonable probability that the child can be discharged  
43 without endangering the public safety; provided, however, that no child  
44 while absent from [~~a-division~~] an office facility without the consent of  
45 the director of such facility shall be discharged by the [~~division~~]  
46 office solely by reason of the absence[~~, and~~]; provided further that no  
47 child in the custody of the [~~division~~] office and transferred to the  
48 department of mental hygiene, while absent from a department of mental  
49 hygiene facility without the consent of the superintendent or director  
50 of such facility, shall be discharged by the [~~division~~]office; and  
51 provided, further, that no child shall be discharged if his or her  
52 records and files include (a) two or more level C rule violations within  
53 three months prior to a proposed placement in a less secure facility, or  
54 (b) four or more level B rule violations within three months prior to a

4 subdivision 21 to read as follows:

6 operator of a facility or program licensed, registered or certified by  
7 the office of children and family services, when a youth has absented  
8 himself or herself from such facility or program without authorization,  
9 that a police officer having jurisdiction escort an employee of such  
10 facility or program to the absent youth's place of residence to investi-  
11 gate where such youth has fled. Every such police officer shall assist  
12 the employee in taking the youth into custody and returning the youth to  
13 the facility or program to which the youth is assigned.

21 inspection of the record of investigation to be had and may in the  
22 discretion of the court obtain a copy of the whole or part of such  
23 record.

24 (b) Notwithstanding the provisions of subdivision (a) of this section,  
25 the records of every juvenile delinquency proceeding in the family court  
26 of a person, who is placed with or committed to the custody of the  
27 office of children and family services, shall be open to and be

39 upon the filing of charges against the person relating to such crime;
