AN ACT to amend the penal law, in relation to increasing the restitution collection agency designated surcharge

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 8 of section 60.27 of the penal law, as amended by chapter 363 of the laws of 1991, is amended to read as follows:

8. The court shall in all cases where restitution or reparation is imposed direct as part of the disposition that the defendant pay a designated surcharge of [~~five~~] fifteen percent of the entire amount of a restitution or reparation payment to the official or organization designated pursuant to subdivision eight of section 420.10 of the criminal procedure law. The designated surcharge shall not exceed [~~five~~] fifteen percent of the amount actually collected. Upon the filing of an affidavit of the official or organization designated pursuant to subdivision eight of section 420.10 of the criminal procedure law demonstrating that the actual cost of the collection and administration of restitution or reparation in a particular case exceeds [~~five~~] fifteen percent of the entire amount of the payment or the amount actually collected, as the case may be, the court shall direct that the defendant pay an additional surcharge of not more than five percent of the entire amount of a restitution or reparation payment to such official or organization, or the actual cost of collection or administration, whichever is less unless, upon application of the defendant, the court determines that imposition of such additional surcharge would cause undue hardship to the defendant, or any other person who is financially supported by the defendant, or would otherwise not be in the interest of justice. Such additional surcharge, when added to the initial [~~five~~] fifteen percent surcharge, shall not exceed [~~ten~~] thirty percent of the amount actually collected.

§ 2. This act shall take effect on the first of November next succeeding the date on which it shall have become a law.
