IN ASSEMBLY

January 9, 2017

Introduced by M. of A. ROSENTHAL -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to screening for cytomegalovirus

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2507 to read as follows:

3 § 2507. Screening for cytomegalovirus and public education program. It
4 shall be the duty of the administrative officer or other person in
5 charge of each institution caring for infants twenty-eight days or less
6 of age and the person required pursuant to the provisions of section
7 forty-one hundred thirty of this chapter to register the birth of a
8 child, to offer to parents a screen for cytomegalovirus of every such
9 infant or child in their care. Screening, the recording of the results
10 of such screening, tracking and follow-up reviews shall be performed at
11 such times and in such manner as may be prescribed by the commissioner.

12 § 2. Section 206 of the public health law is amended by adding two new
13 subdivisions 31 and 32 to read as follows:

14 31. The commissioner is authorized and directed to establish and main-
15 tain a public education program which shall develop and publish or
16 approve and publish information materials for individuals who may become
17 pregnant, expectant parents and parents of infants, regarding the inci-
18 dence of cytomegalovirus, the transmission of cytomegalovirus to preg-
19 nant individuals and individuals who may become pregnant, birth defects
20 caused by congenital cytomegalovirus, methods of diagnosing congenital
21 cytomegalovirus and available preventative measures to avoid cytomegalo-
22 virus infection of individuals who are pregnant or may become pregnant.
23 The commissioner shall make such information materials available on the
24 department's website and attending health care providers shall make
