1 such board shall refer the dispute to a public arbitration panel,
2 consisting of one member appointed by the public employer, one member
3 appointed by the employee organization and one public member appointed
4 jointly by the public employer and employee organization who shall be
5 selected within ten days after receipt by the board of a petition for
6 creation of the arbitration panel. If either party fails to designate
7 its member to the public arbitration panel, the board shall promptly,
8 upon receipt of a request by either party, designate a member associated
9 in interest with the public employer or employee organization he is to

11 member appointed or designated to the arbitration panel and each of the
12 respective parties is to share equally the cost of the public member.
13 If, within seven days after the mailing date, the parties are unable to
14 agree upon the one public member, the board shall submit to the parties
15 a list of qualified, disinterested persons for the selection of the
16 public member. Each party shall alternately strike from the list one of
17 the names with the order of striking determined by lot, until the
18 remaining one person shall be designated as public member. This process
19 shall be completed within five days of receipt of this list. The parties
20 shall notify the board of the designated public member. The public
21 member shall be chosen as chairman.

22 § 2. This act shall take effect immediately; provided, however, that
23 the amendments to paragraph (a) of subdivision 5 of section 209 of the
24 civil service law made by section one of this act shall not affect the
25 expiration of such subdivision and shall be deemed to expire therewith.
