AN ACT to amend the tax law and the state finance law, in relation to creating the boat launch preservation act and establishing the dedicated boat launch site fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "boat launch preservation act".

3 § 2. Legislative intent. The legislature hereby finds that the water-

5 activity. The legislature further finds that although the economic  
6 activity found on today's waterways have more to do with recreational  
7 boating than shipping, it still remains an important factor in the  
8 economic health of the state. It has been found that upwards of one  
9 percent of the gasoline consumed within the state of New York is used to  
10 power vessels traveling on our waterways. It is the intent of the legis-  
11 lature that the taxes collected on such boating gasoline be used to keep  
12 our waterways a viable resource for the next century of New Yorkers.

13 § 3. Subdivision 2 of section 289-e of the tax law, as added by chap-  
14 ter 329 of the laws of 1991, is amended to read as follows:
