STATE OF NEW YORK

630--A

2017-2018 Regular Sessions

IN ASSEMBLY

January 9, 2017

Introduced by M. of A. M. G. MILLER -- read once and referred to the Committee on Veterans' Affairs -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the executive law and the public health law, in relation to directing the division of veterans' affairs to establish and operate a publicly accessible electronic database of the availability of openings for admission to state veterans' homes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 353 of the executive law is amended by adding a new subdivision 24 to read as follows:

24. To, in consultation and cooperation with the department of health, establish and operate an internet website electronic database, accessible to the public, which provides the number of available openings for eligible individuals at each state veterans' home operated pursuant to article twenty-six-A of the public health law. In addition, such electronic database shall, for each such veterans' home, provide the number of eligible individuals who are on the waiting list for admission to the state veterans' home. The division and the department of health shall jointly ensure that the information posted on the electronic database established pursuant to this subdivision is maintained and updated on a real time basis as such information changes.

§ 2. The public health law is amended by adding a new section 2636 to read as follows:

§ 2636. State veterans' home electronic database. The department shall fully cooperate with the division of veterans' affairs to establish and operate the electronic database provided for in subdivision twenty-four of section three hundred fifty-three of the executive law, and provide information relating to the state veterans' homes operated pursuant to this article to such division on a real time basis.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
