36 amended by section 1 of subpart B of part D of chapter 58 of the laws of

2 lines of the state comptroller not otherwise inconsistent with the
3 provisions of this section and in accordance with guidelines promulgated
4 by the state university board of trustees after consultation with the
5 state comptroller. Provided, however, that the dollar limits set forth
6 in this paragraph shall be one hundred twenty-five thousand dollars for
7 single or sole source procurements or where there is a formal protest of
8 the contract award. In addition, where the state comptroller determines
9 adequate internal controls are either not in place or are not being
10 utilized effectively, and such failure has resulted in procurement prac-
11 tices that are inconsistent with the purposes underlying the competitive
12 bidding statutes of the state, including those set forth in subdivision
13 two of section one hundred sixty-three of the state finance law, the
14 comptroller may reduce the dollar limits set forth in this paragraph to
15 an amount not less than fifty thousand dollars or, for state university
16 health care facilities, seventy-five thousand dollars.

17 (a-1) The trustees, after consultation with the commissioner of gener-
18 al services, are authorized to annually negotiate with the state comp-
19 troller increases in the dollar limits set forth in paragraph a of this
20 subdivision and the exemption of any articles, categories of articles or
21 commodities from these limits.

22 (a-2) Guidelines promulgated by the state university board of trustees
23 shall, to the extent practicable, require that competitive proposals be
24 solicited for purchases, and shall include requirements that purchases
25 and contracts authorized under this section be at the lowest available
26 price, including consideration of prices available through other state
27 agencies, consistent with quality requirements, and as will best promote

29 contractor pursuant to any contract for commodities let by the office of
30 general services or any other state agency;

31 ~~[a-1. execute contracts for services to an amount not exceeding twenty~~
32 ~~thousand dollars without prior approval by any other state officer or~~

34 ~~not otherwise inconsistent with the provisions of this section and in~~
35 ~~accordance with the guidelines promulgated by the state university board~~

37 ~~the trustees, after consultation with the commissioner of general~~

45 where the amount of a single purchase does not exceed ~~[one thousand]~~ two
46 hundred fifty dollars, in accordance with such guidelines as shall be
47 prescribed by the state university trustees after consultation with the

49 c. establish guidelines in consultation with the commissioner of

53 services shall provide assistance to the state university necessary to
54 enable the university to participate in these programs;

55 d. award contract extensions for campus transportation without compet-
56 itive bidding where such contracts were secured either through compet-

itive bidding or through evaluation of proposals in response to a request for proposals, however such extensions may be rejected if the amount to be paid to the contractor in any year of such proposed extension fails to reflect any decrease in the regional consumer price index for the New York, New York-Northeastern, New Jersey area, based upon the index for all urban consumers (CPI-U) during the preceding twelve-month period. At the time of any contract extension, consideration shall be given to any competitive proposal offered by a public transportation agency. Such contract may be increased for each year of the contract extension by an amount not to exceed the regional consumer price index increase for the New York, New York-Northeastern, New Jersey area, based upon the index for all urban consumers (CPI-U), during the preceding twelve-month period, provided it has been satisfactorily established by the contractor that there has been at least an equivalent increase in the amount of his cost of operation, during the period of the contract.

~~[e. guidelines promulgated by the state university board of trustees shall, to the extent practicable, require that competitive proposals be solicited for purchases, and shall include requirements that purchases and contracts authorized under this section be at the lowest available price, including consideration of prices available through other state agencies, consistent with quality requirements, and as will best promote the public interest. b. Notwithstanding the provisions of subdivision two of section one hundred twelve of the state finance law~~[r]~~ relating to the dollar threshold requiring the comptroller's approval of contracts, subdivision six of section one hundred sixty-three of the state finance law ~~[and section sixty-three of the executive law (i)]~~ authorize contracts for the purchase of goods for state university health care facilities ~~[without prior approval by any other state officer or agency,]~~ including contracts for joint or group purchasing arrangements of goods, in accordance with procedures and requirements found in paragraph a of

50 pendent judgment or ability to act impartially and in the best interest
51 of the state authority, or that may reasonably create the appearance of
52 impropriety through the appearance of favoritism or preferential treat-
