2 official thereof soliciting such bid such current written policy when  
3 submitting such statement.

4 2. Notwithstanding the foregoing, the statement on human trafficking  
5 or written policy for preventing human trafficking required pursuant to  
6 subdivision one of this section may be submitted electronically in  
7 accordance with the provisions of subdivision seven of section one

9 3. A bid shall not be considered for award nor shall any award be made

14 4. Any bid hereafter made to the state or any public department, agen-

18 bid contains the certification or written policy referred to in subdivi-  
19 sion one of this section, shall be deemed to have been authorized by the  
20 board of directors of the bidder, and such authorization shall be deemed  
21 to include the signing and submission of the bid and the inclusion ther-

23 preventing human trafficking as the act and deed of the corporation.

27 § 2. Subdivision 7 of section 163 of the state finance law, as amended  
28 by section 10 of part L of chapter 55 of the laws of 2012, is amended to  
29 read as follows:

30 7. Method of procurement. Consistent with the requirements of subdivi-  
31 sions three and four of this section, state agencies shall select among  
32 permissible methods of procurement including, but not limited to, an  
33 invitation for bid, request for proposals or other means of solicitation  
34 pursuant to guidelines issued by the state procurement council. State  
35 agencies may accept bids electronically including submission of the  
36 statement of non-collusion required by section one hundred thirty-nine-d  
37 of this chapter, and the statement on human trafficking and written  
38 policy for preventing human trafficking required by section one hundred  
39 thirty-nine-d-1 of this chapter, and, starting April first, two thousand  
40 twelve, and ending March thirty-first, two thousand fifteen, may, for  
41 commodity, service and technology contracts require electronic  
42 submission as the sole method for the submission of bids for the solic-  
43 itation. State agencies shall undertake no more than eighty-five such  
44 electronic bid solicitations, none of which shall be reverse auctions,  
45 prior to April first, two thousand fifteen. In addition, state agencies  
46 may conduct up to twenty reverse auctions through electronic means,  
47 prior to April first, two thousand fifteen. Prior to requiring the elec-  
48 tronic submission of bids, the agency shall make a determination, which  
49 shall be documented in the procurement record, that electronic  
50 submission affords a fair and equal opportunity for offerers to submit  
51 responsive offers. Within thirty days of the completion of the eighty-  
52 fifth electronic bid solicitation, or by April first, two thousand  
53 fifteen, whichever is earlier, the commissioner shall prepare a report  
54 assessing the use of electronic submissions and make recommendations  
55 regarding future use of this procurement method. In addition, within  
56 thirty days of the completion of the twentieth reverse auction through

1 electronic means, or by April first, two thousand fifteen, whichever is  
2 earlier, the commissioner shall prepare a report assessing the use of  
3 reverse auctions through electronic means and make recommendations  
4 regarding future use of this procurement method. Such reports shall be  
5 published on the website of the office of general services. Except where  
6 otherwise provided by law, procurements shall be competitive, and state  
7 agencies shall conduct formal competitive procurements to the maximum  
8 extent practicable. State agencies shall document the determination of  
9 the method of procurement and the basis of award in the procurement  
10 record. Where the basis for award is the best value offer, the state  
11 agency shall document, in the procurement record and in advance of the  
12 initial receipt of offers, the determination of the evaluation criteria,  
13 which whenever possible, shall be quantifiable, and the process to be  
14 used in the determination of best value and the manner in which the  
15 evaluation process and selection shall be conducted.

16 § 3. This act shall take effect on the ninetieth day after it shall  
17 have become a law and shall only apply to contracts entered into on or  
18 after such effective date; provided however, that the amendments to  
19 subdivision 7 of section 163 of the state finance law made by section  
20 two of this act shall not affect the repeal of such section and shall be  
21 deemed repealed therewith.
