## IN ASSEMBLY

March 7, 2017

Introduced by M. of A. MORELLE, RODRIGUEZ, CRESPO, LUPARDO, M. G. MILLER, GALEF, McDONALD, MOSLEY, HIKIND, STIRPE, JAFFEE -- Multi-Sponsored by -- M. of A. MAGEE, SIMON -- read once and referred to the Committee on Banks

AN ACT to amend the banking law, in relation to enacting the "credit creation pilot program act of New York"; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "credit creation pilot program act of New York".

3 § 2. The legislature finds and declares that consumer demand for  
4 responsible installment loans in principal amounts of at least three  
5 hundred dollars and no more than five thousand dollars exceeds the  
6 supply of these loans. The legislature has identified several improve-  
7 ments that could be made to the banking laws, which would allow more New  
8 Yorkers to access responsible installment loans of at least three  
9 hundred dollars and no more than five thousand dollars. The credit  
10 creation pilot program act of New York is intended to assist consumers  
11 in building their credit and has additional consumer protections for  
12 these loans which exceed current protections under existing law.

13 § 3. The banking law is amended by adding a new article 8-B to read as  
14 follows:

17 (a) A program loan shall be unsecured;

18 (b) A program loan shall have a minimum principal amount upon origi-

22 (c) A program loan shall have a term of not less than two hundred  
23 forty days;

24 (d) A program loan must be repayable by the borrower in substantially  
25 equal weekly, biweekly, semimonthly, or monthly installments; and

26 (e) A program loan must include a borrower's right to rescind the  
27 program loan by notifying the program licensee of the borrower's intent  
28 to rescind the program loan and return the principal advanced by the end  
29 of the business day after the day the program loan is consummated.

30 2. As an alternative to the charges authorized by section 5-501 of the  
31 general obligations law or section fourteen-a of this chapter, a program  
32 licensee may contract for and receive charges for a program loan made  
33 pursuant to this section at an annual simple interest rate not to exceed  
34 thirty percent. The interest rate calculated as of the date of loan  
35 origination shall be fixed for the life of the loan and shall accrue on  
36 a simple-interest basis, through the application of a daily periodic  
37 rate to the actual unpaid principal balance each day.

38 3. Notwithstanding section 5-501 of the general obligations law or  
39 section fourteen-a of this chapter, a program licensee may contract for  
40 and receive a nonrefundable origination fee from the borrower, provided  
41 that the borrower has not rescinded the program loan pursuant to para-  
42 graph (e) of subdivision one of this section. The origination fee shall  
43 be fully earned immediately upon making the program loan, in an amount  
44 not to exceed five percent of the principal amount, exclusive of the  
45 origination fee, or seventy-five dollars, whichever is less, on the  
46 program loan made to that borrower. An origination fee charged by a  
47 program licensee shall be subject to all of the following:

48 (i) Only one origination fee may be contracted for or received from a  
49 borrower until the program loan has been repaid in full;

50 (ii) A program licensee shall not charge the same borrower an origi-  
51 nation fee more than twice in any twelve-month period; and

52 (iii) The program licensee may either deduct the origination fee from  
53 the principal amount of the program loan disbursed to the borrower or  
54 capitalize the origination fee into the principal balance of the program  
55 loan.

1 4. Notwithstanding section three hundred fifty-one of this chapter, a  
2 program licensee may:

3 (a) Require payment from a borrower of no more than twenty-five  
4 dollars for insufficient funds fees incurred by that program licensee  
5 due to actions of the borrower; and

6 (b) Contract for and receive a delinquency fee of no more than four-  
7 teen dollars for each payment in default for at least seven days if the  
8 charge is agreed upon in writing between the parties before imposing the  
9 charge. A delinquency fee imposed by a program licensee is subject to  
10 all of the following:

11 (i) No more than one delinquency fee may be imposed per delinquent  
12 payment;

13 (ii) No more than two delinquency fees may be imposed during any peri-  
14 od of thirty consecutive days; and

15 (iii) No delinquency fee may be imposed on a borrower who is one  
16 hundred eighty days or more past due if that fee would result in the sum  
17 of the borrower's remaining unpaid principal balance, accrued interest,  
18 and delinquency fees exceeding one hundred eighty percent of the  
19 original principal amount of the borrower's loan.

20 § 339-d. Underwriting requirements; credit reporting; credit educa-  
21 tion; prohibition on refinance; prohibition on credit insurance; and  
22 additional consumer protections. 1. The following shall apply to a  
23 program loan made by a program licensee pursuant to this article:

24 (a) The program licensee shall underwrite each program loan to deter-  
25 mine a borrower's ability and willingness to repay the program loan  
26 pursuant to the program loan terms, and shall not make a program loan if  
27 it determines that the borrower's total monthly debt service payments,  
28 at the time of origination, including the program loan for which the  
29 borrower is being considered and all outstanding forms of credit that  
30 can be independently verified by the program licensee, exceed thirty-  
31 five percent of the borrower's gross monthly income.

32 (i) (A) The program licensee shall seek information and documentation  
33 pertaining to all of a borrower's outstanding debt obligations during  
34 the program loan application and underwriting process, including loans  
35 that are self-reported by the borrower but not available through inde-  
36 pendent verification. The program licensee shall verify that information  
37 using a credit report from at least one consumer reporting agency that  
38 compiles and maintains files on consumers on a nationwide basis or  
39 through other available electronic debt verification services that  
40 provide reliable evidence of a borrower's outstanding debt obligations.

41 (B) The program licensee shall not be required to consider, for  
42 purposes of debt-to-income ratio evaluation, loans from friends or fami-  
43 ly.

44 (ii) The program licensee shall also verify the borrower's income that  
45 the program licensee relies on to determine the borrower's debt-to-in-  
46 come ratio using information from either of the following:

47 (A) Electronic means or services that provide reliable evidence of the  
48 borrower's actual income; or

49 (B) Internal Revenue Service Form W-2, tax returns, payroll receipts,  
50 bank statements, or other third-party documents that provide reasonably  
51 reliable evidence of the borrower's actual income.

52 (b) The program licensee shall report each borrower's payment perform-  
53 ance to at least one consumer reporting agency that compiles and main-  
54 tains files on consumers on a nationwide basis. For purposes of this  
55 section, a consumer reporting agency that compiles and maintains files  
56 on consumers on a nationwide basis is one that meets the definition in

1 section 60-3(p) of the federal Fair Credit Reporting Act (15 U.S.C. Sec.  
2 1681a(p)).

3 (c) The program licensee shall provide each borrower with the name of  
4 the consumer reporting agency or agencies to which it will report the  
5 borrower's payment history.

6 (d) The program licensee shall notify each borrower, at least two days  
7 prior to each payment due date, informing the borrower of the amount  
8 due, and the payment due date. Notification may be provided by any means  
9 mutually acceptable to the borrower and the program licensee. A borrower  
10 shall have the right to opt out of this notification at any time, upon  
11 electronic or written request to the program licensee. The program  
12 licensee shall notify each borrower of this right prior to disbursing  
13 program loan proceeds.

14 (e) Before disbursing program loan proceeds to a borrower, the program  
15 licensee shall either:

16 (i) offer a credit education program or seminar to the borrower that  
17 has been previously reviewed and approved by the superintendent for use  
18 in complying with this section; or

19 (ii) invite the borrower to a credit education program or seminar  
20 offered by an independent third party that has been previously reviewed  
21 and approved by the superintendent for use in complying with this  
22 section. The borrower shall not be required to participate in either of  
23 these education programs or seminars. A credit education program or  
24 seminar offered pursuant to this paragraph shall be provided at no cost  
25 to the borrower.

26 (f) A program licensee shall not refinance a program loan. Refinance  
27 means the replacement or revision of an existing program loan contract  
28 with a borrower in exchange for an advance of additional principal to  
29 that borrower. A program licensee may extend, defer, or rewrite a  
30 program loan.

31 2. (a) Notwithstanding section three hundred fifty-seven of this chap-  
32 ter, no program licensee, referral partner or any other person or enti-  
33 ty, in connection with, or incidental to, the making of any program loan  
34 made pursuant to this article, may offer, sell, or require the borrower  
35 to contract for "credit insurance" of the type specified in subdivision  
36 three of section three hundred fifty-seven of this chapter or insurance  
37 on tangible personal or real property of the type specified in subdivi-  
38 sion one of section three hundred fifty-seven of this chapter.

39 (b) Notwithstanding section three hundred fifty-seven of this chapter,  
40 no program licensee, referral partner, or any other person that partic-  
41 ipates in the origination of a program loan under this article shall  
42 refer a borrower to any other person for the purchase of "credit insur-  
43 ance" of the type specified in subdivision three of section three  
44 hundred fifty-seven of this chapter or insurance on tangible personal or  
45 real property of the type specified in subdivision one of section three  
46 hundred fifty-seven of this chapter.

47 3. (a) No program licensee shall require, as a condition of providing  
48 the program loan, that the borrower waive any right, penalty, remedy,  
49 forum, or procedure provided for in any law applicable to the program  
50 loan, including the right to file and pursue a civil action or file a  
51 complaint with or otherwise communicate with the superintendent or any  
52 court or other public entity, or that the borrower agree to resolve  
53 disputes in a jurisdiction outside of New York or to the application of  
54 laws other than those of New York, as provided by law. Any waiver that  
55 is required as a condition of doing business with the program licensee

1 shall be presumed involuntary, unconscionable, against public policy,  
2 and unenforceable.

3 (b) No program licensee shall refuse to do business with or discrimi-  
4 nate against a borrower or applicant on the basis that the borrower or  
5 applicant refuses to waive any right, penalty, remedy, forum, or proce-  
6 dure, including the right to file and pursue a civil action or complaint  
7 with, or otherwise notify, the superintendent or any court or other  
8 public entity. The exercise of a person's right to refuse to waive any  
9 right, penalty, remedy, forum, or procedure, including a rejection of a  
10 contract requiring a waiver, shall not affect any otherwise legal terms  
11 of a contract or an agreement.

12 (c) This subdivision shall not apply to any agreement to waive any  
13 right, penalty, remedy, forum, or procedure, including any agreement to  
14 arbitrate a claim or dispute, after a claim or dispute has arisen.  
15 Nothing in this subdivision shall affect the enforceability or validity  
16 of any other provision of the contract.

17 4. The program licensee or any of its wholly owned subsidiaries may  
18 not sell or assign an unpaid debt to an independent third party for  
19 collection purposes unless the debt has been delinquent for at least  
20 thirty days.

21 5. The program licensee shall develop and implement policies and  
22 procedures designed to respond to questions raised by applicants and  
23 borrowers regarding their program loans, including those involving  
24 referral partners, and to address customer complaints as soon as reason-  
25 ably practicable.

26 § 339-e. Disclosures, statements and receipts. 1. (a) In addition to  
27 the disclosure requirements of article nine of this chapter, a program  
28 licensee shall disclose the following to the consumer in writing, in a  
29 typeface no smaller than twelve-point type, at the time of application:

30 (i) The amount borrowed; the total dollar cost of the program loan to  
31 the consumer if the program loan is paid back on time, including the sum  
32 of the origination fee, principal amount borrowed, and interest  
33 payments; the corresponding annual percentage rate, calculated in  
34 accordance with Federal Reserve Board Regulation Z (12 C.F.R. 226); the  
35 periodic payment amount; the delinquency fee schedule; and the following  
36 statement: "Repaying your loan early will lower your borrowing costs by  
37 reducing the amount of interest you will pay. This loan has no prepay-  
38 ment penalty."

39 (ii) A statement that the consumer has the right to rescind the  
40 program loan by notifying the program licensee of the consumer's intent  
41 to rescind the program loan and returning the principal advanced by the  
42 end of the business day following the date the program loan is consum-  
43 mated.

44 (b) A program licensee may provide the borrower with the disclosures  
45 required by paragraph (a) of this subdivision in a mobile or other elec-  
46 tronic application, on which the size of the typeface of the disclosure  
47 can be manually modified by a prospective borrower, if the prospective  
48 borrower is given the option to print the disclosure in a typeface of at  
49 least twelve-point size or is provided by the program licensee with a  
50 hardcopy of the disclosure in a typeface of at least twelve-point size  
51 before the program loan is consummated.

52 (c) The program loan contract and all written disclosures and state-  
53 ments may be provided in English or another language in which the  
54 program loan is negotiated.

55 2. At the time a referral partner receives or processes an application  
56 for a program loan pursuant to section three hundred thirty-nine-f of

1 this article, the referral partner shall provide the following statement  
2 to the applicant, on behalf of the program licensee, in no smaller than  
3 ten-point type, and must request that the applicant acknowledge receipt  
4 of the statement in writing:

5 "Your loan application has been referred to us by (name of referral  
6 partner). We may pay a fee to (name of referral partner) for the  
7 successful referral of your loan application. If you are approved for  
8 the loan, (name of program licensee) will become your lender. If you  
9 have any questions about your loan, now or in the future, you should  
10 direct those questions to (name of program licensee) by (insert at least  
11 two different ways in which a borrower may contact the program licen-  
12 see). If you wish to report a complaint about (name of referral part-  
13 ner) or (name of program licensee) regarding this loan transaction, you  
14 may contact the Department of Financial Services and file your complaint  
15 online at <http://www.dfs.ny.gov>."

16 3. A referral partner that disburses loan proceeds to a borrower  
17 pursuant to paragraph (j) of subdivision three of section three hundred  
18 thirty-nine-f of this article shall deliver or cause to be delivered to  
19 the borrower at the time loan proceeds are disbursed a plain and  
20 complete receipt showing all of the following:

21 (a) The date of disbursement;

22 (b) The total amount disbursed;

23 (c) The corresponding loan account identification; and

24 (d) The following statement, prominently displayed in a type size  
25 equal to or greater than the type size used to display the other items  
26 on the receipt: "If you have any questions about your loan, now or in  
27 the future, you should direct those questions to (name of program licen-  
28 see) by (insert at least two different ways in which a borrower may  
29 contact the program licensee)."

30 4. In addition to the receipt requirements in article nine of this  
31 chapter, a program licensee or its approved referral partner, if appli-  
32 cable, must make available to the borrower by electronic or physical  
33 means, at the time that a payment is made by the borrower, a plain and  
34 complete receipt of payment. For audit purposes, a program licensee must  
35 maintain an electronic record for each receipt made available to a  
36 borrower, which must include a copy of the receipt and the date and time  
37 that the receipt was generated. Each receipt of payment must show all of  
38 the following:

39 (a) The name of the borrower;

40 (b) The name of the referral partner, if applicable;

41 (c) The total payment amount received;

42 (d) The date of payment;

44 payment;

45 (f) The amount of the payment that was applied to principal, interest,  
46 and fees;

47 (g) The type of payment made by the borrower; and

48 (h) The following statement, prominently displayed in a type size  
49 equal to or greater than the type size used to display the other items  
50 on the receipt: "If you have any questions about your loan now or in the  
51 future, you should direct those questions to a... (name of program licen-  
52 see) ... by ... (at least two different ways in which a borrower may  
53 contact the program licensee) ...."

54 § 339-f. Referral partners; permitted services; prohibited activities;  
55 compensation. 1. A licensee who is approved by the superintendent to

1 participate in the program may use the services of one or more referral  
2 partners as provided in this article.

3 2. All arrangements between a program licensee and a referral partner  
4 must be specified in a written referral partner agreement between the  
5 parties. The agreement must contain a provision that the referral part-  
6 ner agrees to comply with this section and all rules adopted under this  
7 section regarding the activities of referral partners, and that the  
8 superintendent has access to the referral partner's books and records  
9 pertaining to the referral partner's operations under the agreement with  
10 the program licensee in accordance with subdivision one of section three  
11 hundred thirty-nine-g of this article.

12 3. A referral partner may perform one or more of the following  
13 services for a program licensee:

14 (a) Distributing, circulating, using, or publishing printed brochures,  
15 flyers, factsheets, or other written materials relating to program loans  
16 that the program licensee may make or negotiate. The written materials  
17 must be reviewed and approved in writing by the program licensee before  
18 being distributed, circulated, or published;

19 (b) Providing written factual information about program loan terms,  
20 conditions, or qualification requirements to a prospective borrower

23 discuss the information with a prospective borrower in general terms;

24 (c) Notifying a prospective borrower of the information needed in  
25 order to complete a program loan application;

30 course of a credit application transaction for submission to the program  
31 licensee;

32 (f) Contacting the program licensee to determine the status of a  
33 program loan application;

34 (g) Communicating a response that is returned by the program  
35 licensee's automated underwriting system to a borrower or a prospective  
36 borrower;

37 (h) Obtaining a borrower's signature on documents prepared by the  
38 program licensee and delivering final copies of the documents to the  
39 borrower;

40 (i) Operating an electronic access point through which a prospective  
41 borrower may directly access the website of the program licensee to
