student a sum not to exceed [one] four thousand dollars per annum, subject to terms and conditions prescribed by the commissioner in requlations and within the limits of the appropriation therefor, with which 3 to [employ persons to read to such blind student] provide such students 4 with support to read, including the employment of persons to read to 6 such student and/or the purchase of technology to assist the student in 7 reading from text-books and pamphlets [used by such student] in his or 8 her studies at such college, university or school, or to aid [a deaf] 9 such student, in receiving instruction in such studies[- In case such a 10 college, university, technical or professional school as will meet the 11 needs or requirements of such a student is not located within this state, such a sum shall be paid by this state for the use of such 12 student attending such a college, university, technical or professional 13 school which shall conform to the requirements of this section in anoth-14 er state. Such a sum shall also be available to aid a deaf student in 15 16 receiving instruction in a regularly approved institution for the deaf 17 located outside of the state but within one hundred fifty miles of the borders thereof]. 18

b. The trustees of any institution meeting the requirements of this section shall submit reports in such form and at such times as prescribed by the commissioner identifying the number of students eliqible to receive aid pursuant to this subdivision and shall estimate the funds needed to support such students as provided herein. The commissioner shall advance twice during the school year to each such institution such estimated amounts within the limits of the annual appropriation provided therefore.

are provided, each institution receiving funds pursuant to this subdivision shall submit to the commissioner a final accounting for the use of such funds and any additional reporting requirements prescribed by the commissioner in regulations and shall return any unspent funds.

[2-] 3. Such moneys shall be paid annually, after the beginning of the school year of such institution, by the commissioner of taxation and finance on the warrant of the comptroller, to the treasurer of such institution, on his presenting an account showing the actual number of learning disabled, print disabled, blind or deaf students matriculated and attending the institution, which account shall be verified by the president of the institution and accompanied by his certificate that the trustees have recommended the students named in said account as hereinbefore provided.

[3-] 4. The trustees of any of the said institutions shall recommend no learning disabled, print disabled, blind or deaf person, who is not regularly matriculated, and who is not in good and regular standing, and who is not working for a degree from the institution in which he or she is matriculated; and no learning disabled, print disabled, blind or deaf person shall be recommended, who is not doing the work regularly prescribed by the institution for the degree for which he or she is a candidate. The moneys so paid to any such institution shall be disbursed for the purposes aforesaid by and under the direction of its board of trustees.

5. Funds appropriated in the two thousand seventeen -- two thousand eighteen academic year and thereafter for the purposes of this initiative shall be allocated on a first-come, first serve basis based on the 54 order of applications received by the commissioner, in a timeframe and manner prescribed by the commissioner in regulations.
