AN ACT to amend the education law, in relation to making technical corrections to eliminate the restrictions upon transferring for members of the New York state teachers' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

10 if the member had no accumulated contributions credited to his or her
11 individual account in such other retirement system, such member shall in
12 lieu of depositing moneys in the annuity savings fund, file a notice of
13 intent to transfer pursuant to rules and regulations adopted by the
14 retirement board. [~~Within one year of such deposit or~~] Upon the filing

2 member of this retirement system. A person so transferred to this
3 retirement system or who has heretofore transferred to this retirement
4 system shall be deemed to have been a member of this retirement system
5 during the entire period of membership service credited to him or her in
6 the system from which he or she has transferred. Such transferee, howev-
7 er, shall not receive more than three per cent interest on his or her

12 to prevent a change in the interest rate to such member if the interest
13 rate payable to other members of this retirement system is changed. In
14 case he or she comes from a retirement system not under the laws of this
15 state, he or she shall be given a prior service certificate showing a

22 account. In case a contributor transfers between retirement systems
23 under the laws of this state, he or she shall be credited in the system

30 together, [~~whichever average amount may be the greater, with the condi-~~
31 ~~tion that no such contributor shall be entitled on retirement within~~
32 ~~three years of the date of his transfer to a greater pension for such~~
33 ~~service rendered before his transfer than he would have received had he~~
34 ~~remained under the pension provisions of the first retirement system~~]
35 pursuant to the statutory requirements of the second retirement system.

36 § 2. This act shall take effect immediately and shall be deemed to
37 have been in full force and effect on and after November 14, 2016.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would amend subdivision 2 of Section 522 of the Education Law to remove the one year time limit for members to give notice of their intent to transfer between retirement systems. This bill would also remove the restriction on a member who transfers that he/she may not retire within three years and receive a greater benefit for the service rendered before transfer than he/she would have received under the prior retirement system.

The annual cost to the employers of members of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted.
