

STATE OF NEW YORK

6818--A

2017-2018 Regular Sessions

IN ASSEMBLY

March 21, 2017

Introduced by M. of A. HUNTER -- read once and referred to the Committee on Environmental Conservation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to require the department of environmental conservation to report on deer management techniques in urban and suburban areas

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The department of environmental conservation shall, no
2 later than January 1, 2019, prepare a report to the legislature regard-
3 ing deer management techniques in urban and suburban areas of the state.
4 Such report, which shall be based on the best available scientific
5 information, shall include:
- 6 (i) an evaluation of alternative deer control methods, other than
7 traditional hunting, that may be employed to reduce deer population,
8 which may include, but need not be limited to capture and euthanization,
9 capture and removal, and fertility control;
 - 10 (ii) methods to mitigate crop, vegetation, and property damage from
11 deer, including vehicle collisions;
 - 12 (iii) management measures currently taken by the department to mini-
13 mize conflict between humans and deer;
 - 14 (iv) methods to enhance public engagement in and awareness of deer
15 management issues;
 - 16 (v) methods to reduce the spread of wildlife-transmitted illnesses
17 such as Lyme disease;
 - 18 (vi) identification and evaluation of urban and suburban areas of the
19 state with high concentrations of deer populations;
 - 20 (vii) the basis for the department's current deer population manage-
21 ment levels; and
 - 22 (viii) review of effective management measures being taken in other
23 states.
- 24 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
