AN ACT to amend the tax law, in relation to requiring vendors to establish mandatory escrow accounts for sales taxes collected, establish the mechanism for those accounts and provide the state with the authority to have immediate access to their collected taxes; and to repeal certain provisions of such law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph 1 of subdivision (a) of section 1132 of the tax law, as amended by chapter 255 of the laws of 1998, is amended to read as follows:

(1) (i) Every person required to collect the tax shall collect the tax from the customer when collecting the price, amusement charge or rent to which it applies. If the customer is given any sales slip, invoice, receipt or other statement or memorandum of the price, amusement charge or rent paid or payable, the tax shall be stated, charged and shown separately on the first of such documents given to him. The tax shall be paid to the person required to collect it as trustee for and on account of the state.

(ii) Every person required to collect the tax shall deposit such tax upon collection into a separate account, in trust for and payable to the commissioner, as provided by subparagraphs (iii) and (iv) of this paragraph at a time and in a manner as determined by the commissioner. All amounts deposited in such account shall be kept in such account until paid over to the commissioner.

(iii) If the person required to collect the tax does not accept payments from customers through credit or debit card banking transactions, the person required to collect the tax shall establish an account in any banking institution approved by the commissioner and located in this state the deposits in which are insured by an agency of

1 the federal government. The account shall be held in trust for and paya-
2 ble to the commissioner and the amount of such tax collected shall be
3 kept in such account until payment over to the commissioner. The person
4 required to collect the tax shall authorize the commissioner to debit
5 such account in a manner determined by the commissioner.

6 (iv) If the person required to collect the tax accepts payments from
7 customers using credit or debit cards, the person required to collect
8 the tax shall establish a separate escrow account through an approved
9 credit card processing company (ACCPC) and not through an escrow account
10 of the type described in subparagraph (iii) of this paragraph. The
11 commissioner shall by regulation establish standards for approving cred-
12 it card processing companies for opening and establishing ACCPC escrow
13 accounts for persons required to pay the tax. Persons collecting the tax
14 and required to use ACCPC escrow accounts under this subparagraph shall
15 make daily deposits into their ACCPC escrow account that are an estimate
16 of the amount of taxes they collected that day for all of their taxable
17 sales, both those paid in cash and those paid by credit or debit card.
18 To effectuate the deposit, the ACCPC shall deduct the estimated sales
19 taxes owed from the day's credit and debit card transactions before
20 paying over the receipts from such transactions to the person required
21 to collect the tax. The amount deducted shall be determined by multiply-
22 ing the day's credit and debit card sales by an algorithmic rate which
23 shall be determined when the ACCPC escrow account is established and at
24 least once a year thereafter. The algorithmic rate shall represent an
25 estimated calculation of the amount of taxes collected and owed each day
26 for both cash and credit and debit card sales. The calculation of the
27 person's algorithmic rate shall be certified by a certified public
28 accountant licensed in this state, an attorney licensed in this state or
29 an enrolled agent or registered tax return preparer who has been author-
30 ized by the department to certify the algorithmic rate, as an accurate
31 estimate of the ratio of the person's cash to credit transactions and
32 taxable to non-taxable sales. The commissioner shall promulgate regu-
33 lations defining how the algorithmic rate shall be calculated, setting
34 standards for that calculation, and identifying the process by which
35 licensed or registered professionals may be approved or disapproved by
36 the department to certify the accuracy of the algorithmic rate. Amounts
37 deposited in an ACCPC escrow account shall be held in trust for and
38 payable to the commissioner and shall be kept in such accounts until
39 payment over to the commissioner. Persons collecting the tax and
40 required to use an ACCPC escrow account under this subparagraph shall,
41 upon establishing the account, authorize the commissioner to debit such
42 account in a manner and frequency to be determined by the commissioner.

43 § 2. Paragraph 1 of subdivision (a) of section 1134 of the tax law, as
44 amended by section 160 of part A of chapter 389 of the laws of 1997,
