2 59-b to read as follows:

4 service. 1. The legislature hereby finds and declares that the contin-
5 ued, uninterrupted, adequate and efficient operation of emergency
6 medical services is necessary for the general welfare of the people;

10 Supervising Emergency Medical Service Specialist Level II (Captains),
11 Deputy Chief, Division Chief, and Division Commander, shall be filled as
12 far as practicable by promotion from among persons holding competitive
13 class positions in a lower grade in the department in which the vacancy
14 exists, provided that such lower grade positions are in direct line of
15 promotion, as determined by the department or municipal commission.

16 2. Factors in promotion. Promotion shall be based on merit and fitness
17 as determined by competitive examination where available, due weight
18 being given to seniority. The previous training and experience of the
19 candidates, and performance ratings where available, may be considered
20 and given due weight as factors in determining the relative merit and
21 fitness of candidates for promotion.
