- (2) For the purposes of this section, "approved organization" shall mean an organization approved by the board, to provide services under this subdivision. Such organizations shall include, but not be limited to, the following:
- (i) a hospital licensed under article twenty-eight of the public health law;
- 7 (ii) a health maintenance organization licensed under article forty-8 three of the insurance law or certified under article forty-four of the 9 public health law;
- 10 (iii) an organization with program expertise in autism related issues;
- 11 (iv) a county or city health department; or
 - (v) any combination of the above.
- 13 (3) The board shall develop standards for the implementation of autism 14 mapping programs by approved organizations which shall ensure the 15 following:
- 16 (i) integration of the approved organization with existing health care 17 providers;
 - (ii) maximizing third party reimbursement; and
 - (iii) providing data collection for mapping of the occurrence of autism in various locations of the state.
 - (f) Such board shall meet at least quarterly. Special meetings may be called by the chair. The agenda and meeting place of all regular or special meetings shall be made available to the public in advance of such meetings.
- $[\frac{\text{(e)}}{\text{(g)}}]$ The advisory board shall submit a written report to the 26 governor, the temporary president of the senate and the speaker of the 27 assembly by no later than October first of the year next succeeding the effective date of this section and annually thereafter, setting forth 28 29 the recommendations and activities of the council on matters within the 30 scope of its duties as set forth in this section. Beginning in two thou-31 sand nineteen, the advisory board shall also include in such annual 32 report information concerning the operation of the autism mapping 33 program. Such reports shall include the experience of the program in mapping of the frequency of the occurrence of autism in various 34 35 locations around the state. Approved organizations shall provide such 36 data and assessment as the board may require for such report. Such 37 report shall also include any recommendations for additional action to 38 respond to the high incidence of autism in this state.
- § 2. This act shall take effect on the ninetieth day after it shall 39 have become a law; provided, however, that effective immediately, the 40 addition, amendment and/or repeal of any rule or regulation necessary 41 for the implementation of this act on its effective date are authorized 43 and directed to be made and completed on or before such effective date.
