## IN ASSEMBLY

April 12, 2017

Introduced by M. of A. NORRIS -- read once and referred to the Committee on Transportation

AN ACT to amend the canal law, in relation to maintaining bridges in a manner to not impede commercial motor vehicles

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 62 of the canal law, as amended by chapter 335 of the laws of 2001, is amended to read as follows:

§ 62. Maintenance by state of certain bridges over the canal system. 3 All highway or pedestrian, lift or movable bridges over the canal system other than highway bridges connecting parts of a state highway heretofore constructed as a part of the barge canal improvement shall be 7 reconstructed, improved, maintained and repaired at the expense of the state, [if in the opinion of the commissioner of transportation, the public convenience requires such bridges to be maintained where no 8 9 alternate crossing has been provided in a manner so as not to impede 10 11 commercial motor vehicles as defined in subdivision four-a of section 12 two of the transportation law. In the event the commissioner of trans-13 portation determines that any such bridge is no longer required for the 14 convenience of the public, he shall have power to close, remove or relo-15 cate such bridge, provided at least one public hearing shall be 16 conducted in the community or communities where the bridge to be closed or removed is located. The commissioner of transportation shall have 17 18 the supervision and direction of such reconstruction, improvement, maintenance, repair, closing, removing or relocation. All bridges over the 19 20 canal system other than lift, movable, pedestrian or state highway 21 bridges heretofore constructed as part of the barge canal improvement 22 shall be reconstructed, improved, maintained and repaired at the expense of the state under the supervision and direction of the commissioner of 24 transportation, if, in his opinion, the public convenience requires that 25 each such bridge shall be continued as a bridge for highway traffic. In

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

the event the commissioner of transportation is requested by any municipality to reconstruct or improve any such bridge, he is hereby empowered to do so, provided, however, that prior to such reconstruction or 3 improvement the municipality enters into a written agreement that such bridge thereafter shall become a part of the highway system or systems which it may connect and the maintenance, repair, improvement, replacement or closing of any such bridge shall be governed by the provisions of the highway law, except that any such bridges situate in a city shall 9 be maintained, repaired, improved, replaced or closed in the same manner 10 and subject to the provisions of any special law which may apply or to 11 the same provisions of law as apply to other streets and bridges in such city or in the case of such bridges situate in a village, such bridges 12 13 shall be maintained, repaired, improved, replaced or closed in the same 14 manner and subject to the same provisions of law as apply to other 15 streets and bridges in such village. Any bridge over the New York state canal system or abandoned part thereof which joins parts of a state 17 highway shall be under the jurisdiction of the commissioner of transportation and deemed to be part of the state highway system and such bridg-18 es shall be constructed, reconstructed, improved, maintained, repaired, 19 20 closed or relocated pursuant to the provisions of the highway law and 21 the cost of such work shall be paid from moneys available for 22 construction, reconstruction, improvement, maintenance or repair of 23 state highways.

4 § 2. This act shall take effect immediately.
