26 lien or tax liens, submit to the department of housing, a description by  
27 tax map number, or by such other identification as the enforcing officer  
28 may deem appropriate, of any parcel of residential real property on

30 The head of the department of housing shall determine and direct the  
31 enforcing officer, not less than ten days preceding the date of the sale  
32 of a tax lien or tax liens, whether any such parcel is a distressed  
33 property as defined in subdivision one of section eleven hundred forty-  
34 one of this title. Any tax lien on a parcel so determined to be a  
35 distressed property shall not be included in such sale. In connection  
36 with a subsequent sale of a tax lien or tax liens, the enforcing officer  
37 may, not less than sixty days preceding the date of the sale, resubmit  
38 to the head of the department of housing a description by tax map

41 previously determined to be a distressed property pursuant to this  
42 subdivision and on which there is a tax lien that may be included in  
43 such sale. The head of the department of housing shall determine and  
44 direct the enforcing officer, not less than ten days preceding the date  
45 of the sale, whether such parcel remains a distressed property. If the  
46 head of the department of housing determines that the parcel is not a  
47 distressed property, then the tax lien on the parcel may be included in  
48 the sale.

49 2. The head of the department of housing may periodically review  
50 whether a parcel of residential real property is subject to subdivision  
51 three of this section or subdivision seven of section eleven hundred  
52 thirty-six-a of this article remains a distressed property. If the head  
53 of the department of housing determines that the parcel is not a  
54 distressed property as defined in subdivision one of section eleven  
55 hundred forty-one of this title, then the parcel shall not be subject to  
56 such subdivisions.

3. Any parcel so determined to be a distressed property shall be subject to an in rem foreclosure action, or in the case where the enforcing officer does not commence such action the head of the department of housing shall evaluate such parcel and take such action as he or she deems appropriate under the programs, existing at the time of such evaluation, that are designed to encourage the rehabilitation and preservation of existing housing, and shall monitor or cause to be monitored the status of the property. The head of the department of housing, in his or her discretion, shall cause an inspection to be conducted on any parcel so determined to be a distressed property. In addition, the head of the department of housing shall submit to the governing body of the tax district in which such distressed property is situate, a list of all parcels so determined to be a distressed property within thirty days from the date such parcels are identified as a distressed property.

§ 2. The real property tax law is amended by adding two new sections 1136-a and 1136-b to read as follows:

§ 1136-a. Special procedures relating to final judgment and release of residential real property. Notwithstanding any other provision of law to the contrary:

1. The court shall determine upon proof and shall make a finding upon such proof whether there has been due compliance by the tax district with the applicable provisions of this chapter.

2. (a) The court shall make a final judgment authorizing the award of possession of any parcel of residential real property described in the list of delinquent taxes not redeemed or withdrawn as provided in this article and as to which no answer is interposed as provided in this section, and authorizing the enforcing officer to prepare, execute and cause to be recorded a deed conveying either to the tax district or to a third party deemed qualified and designated by the head of the department of housing full and complete title to such lands. Any such conveyance to a third party shall be for an existing use.

(b) Such third party shall be deemed qualified and shall be designated pursuant to such criteria as are established in rules promulgated by the head of the department of housing, provided, however, that such criteria shall include but not be limited to: residential management experience; financial ability; rehabilitation experience; ability to work with government and community organizations; neighborhood ties; and that the head of the department of housing shall consider whether the third party is a responsible legal tenant, not-for-profit organization or neighborhood-based-for-profit individual or organization. The head of the department of housing shall not deem qualified any third party who has been finally adjudicated by a court of competent jurisdiction, within seven years of the date on which such third party would otherwise be deemed qualified, to have violated any section of articles one hundred fifty, one hundred seventy-five, one hundred seventy-six, one hundred eighty, one hundred eighty-five or two hundred of the penal law or any similar laws of another jurisdiction, or who has been suspended or debarred from contracting with the tax district or any agency of the tax district pursuant to any provision of law, rule or regulation during the period of such suspension or debarment. The rules promulgated by the head of the department of housing pursuant to this paragraph may establish other bases for disqualification of a third party.

3. (a) Following the expiration of the four-month period prescribed in subdivision four of this section, but not more than eight months after the date on which, pursuant to subdivision two of this section, the final judgment authorizing the award of possession of a parcel of resi-

1 dential real property was entered, the enforcing officer may execute a  
2 deed, pursuant to subdivision two of this section, with respect to such  
3 parcel. The owner of said parcel shall continue to have all of the  
4 rights, liabilities, responsibilities, duties and obligations of an  
5 owner of such parcel, including, but not limited to, maintaining such  
6 parcel in compliance with the housing maintenance, building and fire  
7 codes, and all other applicable laws, unless and until the enforcing  
8 officer has prepared and executed a deed conveying to the tax district  
9 or to a third party full and complete title to such parcel. Upon the  
10 execution of such deed, the tax district or the third party shall be  
11 seized of an estate in fee simple absolute in such land and all persons,  
12 including the state of New York, infants, incompetents, absentees and  
13 non-residents who may have had any right, title, interest, claim, lien  
14 or equity of redemption in or upon such lands shall be barred and forev-  
15 er foreclosed of all such right, title, interest, claim, lien or equity  
16 of redemption. The appointment and tenure of receivers, trustees or any  
17 other persons, including administrators under article seven-A of the  
18 real property actions and proceedings law, appointed by an order of a  
19 court to manage real property, shall terminate when title to such prop-  
20 erty vests in the city or a third party pursuant to the provisions of  
21 this chapter. After such termination, said receivers, trustees or admin-  
22 istrators shall be accountable to the courts that appointed them for the  
23 faithful performance of their fiduciary obligations during the term of  
24 their appointment and to the tax district or such third party for any  
25 rents and income received by them for any period subsequent to the date  
26 of the vesting of title in the tax district or such third party.

27 (b) If the tax district serves a tenant in possession of a dwelling  
28 unit with notice of termination of tenancy on grounds other than nonpay-  
29 ment of rent, the acceptance of rent for the first forty-five days after  
30 termination of tenancy by anyone other than an employee of the depart-  
31 ment of housing designated by the department of housing to receive such  
32 rent shall not be deemed or construed as a waiver of the tax district's  
33 right to initiate and prosecute a proceeding to terminate the tenancy  
34 for good cause.

35 4. Within four months after the date on which, pursuant to subdivision  
36 two of this section, the final judgment authorizing the award of  
37 possession of a parcel of residential real property was entered, any  
38 person claiming to have an interest in such parcel shall have the right  
39 to make a payment to the enforcing officer of all taxes, assessments and  
40 other legal charges owing on said parcel, the lawful interest thereon to  
41 the date of payment and a penalty of five percent of said payment of  
42 taxes, assessments and other legal charges and interest, which penalty  
43 may not exceed one thousand dollars. Such payment shall be made in cash  
44 or by certified or bank check. Within such four-month period, such  
45 interested person may also request an installment agreement from the  
46 enforcing officer. Such agreement shall require, in addition to full  
47 payment of the penalty specified in this subdivision at the time such  
48 agreement is entered into, the payment at such time of a first install-  
49 ment equal to fifty percent of all taxes, assessments and other legal  
50 charges, and the lawful interest thereon, then owing on such parcel, and  
51 the payment of the balance of such taxes, assessments and other legal  
52 charges and interest in four equal quarterly installments together with  
53 all current taxes, assessments and other legal charges that accrue  
54 during such period. Upon receipt of payment in full of the amount speci-  
55 fied in the first sentence of this subdivision, the enforcing officer  
56 shall direct the attorney for the tax district to prepare and cause to

1 be entered an order discontinuing the in rem tax foreclosure action as  
2 to said property, cancelling the notice of pendency of such action as to  
3 said property and vacating and setting aside the final judgment. Upon  
4 the execution of an installment agreement and payment of the amounts due  
5 at the time such agreement is executed as provided in this subdivision,  
6 the enforcing officer shall direct the attorney for the tax district to  
7 prepare and cause to be entered an order vacating and setting aside the  
8 final judgment. The entry of either such order shall restore all  
9 parties, including owners, mortgagees and any and all lienors, receivers  
10 and administrators and encumbrancers, to the status they held immediate-  
11 ly before such final judgment was entered. Where the enforcing officer  
12 approves an application requesting an installment agreement pursuant to  
13 this subdivision, the order vacating and setting aside the final judg-  
14 ment shall provide that in the event of any default as to the payment of  
15 either quarterly installments or current taxes, assessments or other  
16 legal charges during the term of such agreement, all payments under said  
17 agreement shall be forfeited and the attorney for the tax district,  
18 immediately upon notification by the enforcing officer of such default,  
19 shall cause to be entered as to such property a supplemental judgment of  
20 foreclosure in the in rem action which authorizes the enforcing officer  
21 to prepare, execute and cause to be recorded a deed conveying either to  
22 the tax district or to a third party full and complete title to such  
23 lands. Upon the entry of such supplemental judgment, the provisions of  
24 subdivision three of this section shall apply in the same manner as such  
25 subdivision would have applied had no payment been made nor installment  
26 agreement executed during the four-month period specified in this subdivi-  
27 vision.

28 5. Every deed given pursuant to the provisions of this section shall  
29 be presumptive evidence that the action and all proceedings therein and  
30 all proceedings prior thereto from and including the assessment of the  
31 lands affected and all notices required by law were regular and in  
32 accordance with all provisions of law relating thereto. After four  
33 months from the date of entry of the final judgment authorizing the  
34 award of possession of any parcel of residential real property pursuant  
35 to the provisions of this section, the presumption shall be conclusive.  
36 No action to set aside such deed may be maintained unless the action is  
37 commenced and a notice of pendency of the action is filed in the office  
38 of the proper county clerk prior to the time that the presumption  
39 becomes conclusive as aforesaid. Should any lawsuit or proceeding be  
40 commenced to set aside a deed conveying to a third party a parcel of  
41 residential real property pursuant to the provisions of this section,  
42 such third party shall send to the attorney for the tax district within  
43 ten days of their receipt a copy of any papers served on such third  
44 party in such lawsuit or proceeding.

45 6. If the enforcing officer does not execute a deed conveying to the  
46 tax district or to a third party a parcel of residential real property  
47 within eight months after the entry of final judgment authorizing the  
48 award of possession of such parcel pursuant to subdivision two of this  
49 section, the enforcing officer shall direct the attorney for the tax  
50 district to prepare and cause to be entered an order discontinuing the  
51 in rem foreclosure action as to said property, canceling the notice of  
52 pendency of such action as to said property and vacating and setting  
53 aside said final judgment. The entry of such order shall restore all  
54 parties, including owners, mortgagees and any and all lienors, receivers  
55 and administrators and encumbrancers, to the status they held immediate-  
56 ly before such final judgment was entered.

1     7. If the enforcing officer directs the attorney for the tax district,  
2 pursuant to subdivision six of this section, to prepare and cause to be  
3 entered an order discontinuing the in rem foreclosure action with  
4 respect to a parcel of residential real property determined to be  
5 distressed pursuant to section eleven hundred forty-two of this article,  
6 the head of the department of housing shall evaluate the parcel deter-  
7 mined to be distressed and take such action as he or she deems appropri-  
8 ate under the programs, existing at the time of such evaluation, that  
9 are designed to encourage the rehabilitation and preservation of exist-  
10 ing housing, and shall monitor or cause to be monitored the status of  
11 the property. The head of the department of housing shall maintain a  
12 register of properties determined to be distressed.

13     § 1136-b. Governing body review of conveyance to a third party. The  
14 enforcing officer shall, prior to the execution of a deed conveying full  
15 and complete title of any parcel of residential real property to a third  
16 party pursuant to subdivision three of section eleven hundred thirty-  
17 six-a of this title, notify the governing body of the tax district in  
18 which such residential real property is situated of the proposed convey-  
19 ance. Within forty-five days of such notification, the governing body  
20 may act by local law disapproving the proposed conveyance. In the event  
21 the governing body does not act by local law within such forty-five day  
22 period, the governing body shall be deemed to have approved the proposed  
23 conveyance. During such forty-five day period or, if the governing body  
24 acts by local law pursuant to this section, during the period of time  
25 from the notification of the governing body to the presentation to the  
26 chief executive officer of such tax district of such local law, the  
27 eight-month period provided in subdivision three of section eleven  
28 hundred thirty-six-a of this title shall be tolled.

29     § 3. This act shall take effect on the one hundred eightieth day after  
30 it shall have become a law; provided, however, that effective immediate-  
31 ly, the addition, amendment and/or repeal of any rule or regulation  
32 necessary for the implementation of this act on its effective date are  
33 authorized and directed to be made and completed on or before such  
34 effective date.
