AN ACT to amend the retirement and social security law, in relation to calculating pension benefits for public employees

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 75 of the retirement and social security law is  
2 amended by adding a new subdivision e to read as follows:

3 e. For purposes of this title, all final average salaries shall be  
4 calculated exclusive of any form of overtime compensation, unused vaca-  
5 tion time, unused sick leave or unused personal time.

6 § 2. Section 375 of the retirement and social security law is amended  
7 by adding a new subdivision e to read as follows:

8 e. For purposes of this title, all final average salaries shall be  
9 calculated exclusive of any form of overtime compensation, unused vaca-  
10 tion time, unused sick leave or unused personal time.

11 § 3. This act shall take effect on the ninetieth day after it shall  
12 have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would reduce the retirement benefits for members who retire from the New York State and Local Employees' Retirement System (ERS) and the New York State and Local Police and Fire Retirement System (PFRS) by requiring the exclusion of any form of overtime compensation, unused vacation time, unused sick leave or unused personal time in the calculation of final average salary (FAS).

This legislation would reduce the benefits of many members in the ERS and PFRS who retire on or after the effective date. If this becomes law,

it is likely to face a constitutional challenge based upon the guarantee that a member's benefits may not be diminished.

There would be an administrative cost to the System to change the FAS calculation.
