## IN ASSEMBLY

May 3, 2017

Introduced by M. of A. LUPINACCI -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the civil practice law and rules, the criminal procedure law and the state finance law, in relation to enacting the criminal street gang abatement act of 2017; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "criminal street gang abatement act of 2017".

3 § 2. The penal law is amended by adding a new article 465 to read as  
4 follows:

### ARTICLE 465

#### CRIMINAL STREET GANG ABATEMENT

#### Section 465.00 Legislative findings and intent.

##### 465.05 Definitions.

##### 465.10 Criminal street gang activity; enhanced penalties.

##### 465.15 Gang solicitation, recruitment or retention.

##### 465.20 Gang solicitation, recruitment or retention of minors.

##### 465.25 Gang solicitation, recruitment or retention of minors on school grounds.

##### 465.30 Statewide gang database.

#### § 465.00 Legislative findings and intent.

The legislature finds and determines as follows:

17 1. It is the right of every person, regardless of race, color, creed,  
18 religion, national origin, sex, age, sexual orientation, or handicap, to  
19 be secure and protected from fear, intimidation, and physical harm  
20 caused by the activities of violent groups and individuals.

21 2. Long Island has seen an increase in violent street gangs whose  
22 members threaten, terrorize, and commit a multitude of crimes against  
23 the peaceful citizens of their neighborhoods. These activities, both

1 individually and collectively, present a clear and present danger to  
2 public order and safety.

3 3. Gangs have expanded from New York city and other states onto Long  
4 Island. Furthermore, all of the nationally known gangs now exist  
5 throughout New York. While gang membership remains concentrated prima-  
6 rily in low-income communities, gangs have surfaced in many other areas,  
7 becoming more racially and ethnically diverse.

8 4. The enactment of this article seeks to eradicate criminal activity  
9 by street gangs by focusing upon patterns of criminal gang activity, the  
10 chief source of violence created by street gangs.

11 5. Further, that an effective means of punishing and deterring the  
12 criminal activities of street gangs is through forfeiture of the  
13 profits, proceeds, and instrumentalities acquired, accumulated, or used  
14 by street gangs. These proceeds in turn, will provide a funding stream  
15 to implement proactive measures such as after-school programs to prevent  
16 youths from becoming gang members.

17 § 465.05 Definitions.

18 The following definitions are applicable to this article.

19 1. "Criminal street gang" means any ongoing organization, association,  
20 or group of three or more persons, whether formal or informal, having as  
21 one of its primary activities the commission of one or more criminal  
22 acts, having a common name or common identifying sign or symbol, and  
23 whose members individually or collectively engage in or have engaged in  
24 a pattern of criminal gang activity.

25 In order to secure a conviction, or a delinquent act, it is not neces-  
26 sary for the prosecution to prove that the person devotes all or a  
27 substantial part of his or her time or efforts to the criminal street  
28 gang, nor is it necessary to prove that the person is a member of the  
29 criminal street gang. Active participation in the criminal street gang  
30 is all that is required.

31 2. "Pattern of criminal street gang activity" means the commission of,  
32 attempted commission of, conspiracy to commit, or solicitation of, a  
33 delinquent act, or conviction of two or more enumerated criminal acts,  
34 provided at least one of these criminal acts occurred after the effec-  
35 tive date of this article and the last of those criminal acts occurred  
36 within three years after a prior offense, and the criminal acts were  
37 committed on separate occasions, or by two or more persons.

38 3. "Criminal act" means conduct constituting any of the following  
39 crimes, or conspiracy or attempt to commit any of the following felo-
