During each triennial registration period, an applicant for registration as a psychologist shall complete a minimum of fifty-four hours of acceptable formal continuing education, a minimum of nine hours of which shall be course work in the area of professional ethics. Any psychologist whose first registration date following the effective date of this section occurs less than three years from such effective date, but on or after January first, two thousand nineteen, shall complete continuing education hours on a prorated basis at the rate of one hour per month for the period beginning January first, two thousand nineteen up to the first registration date thereafter. A psychologist who has not satisfied the mandatory continuing education requirement shall not be issued a triennial registration certificate by the department and shall not practice unless and until a conditional registration is issued as provided for in subdivision three of this section. Continuing education hours taken during one triennium may not be transferred to the subsequent triennium.

The duration of such conditional registration shall be determined by the department, but shall not exceed one year. Any psychologist who is notified of the denial of registration for failure to submit evidence, satisfactory to the department, of required continuing education and who practices without such registration may be subject to disciplinary proceedings pursuant to section sixty-five hundred ten of this title.

Psychologists shall maintain adequate documentation of 48 49 having completed acceptable formal continuing education and shall provide such documentation at the request of the department. Failure to 50 51 provide such documentation upon the request of the department shall be an act of misconduct subject to disciplinary proceedings pursuant to 52 53 section sixty-five hundred ten of this title.
