56 an application, and failure to check "yes" or checking "skip this ques-

In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law.

c. Where an applicant has previously consented to make an anatomical gift or register in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration.

Where required by law for application forms described in subparagraph (viii) of paragraph (a) of subdivision five of section forty-three hundred ten of the public health law, every library, other than a school library, shall ensure that space is provided on the application for a library card so that the applicant shall register or decline registration in the donate life registry for organ, eye and tissue donations under section forty-three hundred ten of the public health law and that the following is stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip the question'."

6 shall develop instructional tools and materials for libraries to assist  
7 in the education of organ donation and enrollment in the New York State  
8 Donate Life Registry. Materials and instructional tools to advance and  
9 promote education awareness on organ donation shall be made available to  
10 libraries upon request at no charge.

11 5. The commissioner shall promulgate regulations pursuant to which the  
12 department may provide financial assistance to libraries for updating  
13 library card applications upon showing that costs associated with updat-  
14 ing application forms in compliance with this section would impose a  
15 financial hardship.

16 § 6. This act shall take effect immediately, provided that the amend-  
17 ments to paragraph (a) of subdivision 5 of section 4310 of the public  
18 health law made by section one of this act shall be subject to the expi-
