21 able mechanisms including unique identifiers to provide confidence in  
22 the identity of the person providing the electronic signature. The  
23 registration shall take effect upon the provision of written or elec-  
24 tronic notice of the registration to the individual enrolling in the

40 person or electronically, failure to check a box shall not impair the  
41 validity of an application, and failure to check "yes" or checking "skip  
42 this question" shall not be construed to imply a wish not to donate. In  
43 the case of an applicant under sixteen years of age, checking "yes"  
44 shall not constitute consent to make an anatomical gift or registration  
45 in the donate life registry. Where an applicant has previously consented  
46 to make an anatomical gift or registered in the donate life registry,  
47 checking "skip this question" or failing to check a box shall not impair

6 the 'yes' or 'skip this question'". The regents shall not maintain  
7 records of any person who checks "skip this question". Failure to check  
8 "yes" or checking "skip this question" shall not be construed to imply a  
9 wish not to donate. In the case of an applicant under sixteen years of  
10 age, checking "yes" shall not constitute consent to make an anatomical  
11 gift or registration in the donate life registry. Provided, that where  
12 an applicant has previously consented to make an anatomical gift or  
13 registered in the "donate life registry", failing to check a box shall  
14 not impair such consent or registration.
