(i) the usual rule making procedures are impractical because there is an emergency that poses an imminent and actual threat to public health or safety or the environment; or

(iii) the delay in adopting the rule through the usual rule making procedure would result in a loss of federal funds; or

1 (iv) the delay involved in adopting the rule through the usual rule
2 making procedure provided in subdivision one of this section would lead
3 to irreparable injury.

4 (a-1) Within thirty days of the adoption of the emergency rule, the
5 agency shall separately submit a notice of proposed rule making for such
6 rule to the secretary of state to commence the usual rule making proce-
7 dures set forth in subdivision one of this section.

8 (b) Unless otherwise provided by law, such emergency rule shall not
9 remain in effect for longer than ninety days after being filed with the
10 secretary of state unless within such time the agency complies with the

12 pursuant to the provisions of subdivision five of this section,
13 provided, however, if such emergency rule is readopted prior to the
14 expiration of such ninety day period such readoption and any subsequent

22 rulemaking expires pursuant to subdivision two of this section, the
23 emergency rule shall also expire and be ineffective for the purposes of
