1. For all state officers and employees, other than officers and employees of the legislature and the judiciary and other than those who shall be excluded pursuant to the rules and regulations hereafter mentioned, the workweek for basic annual salary shall not be more than forty-hours; and, notwithstanding any inconsistent provisions of law, and subject to the rules and regulations promulgated by the director of the budget, any such state officer and employee who is authorized or required to work more than forty hours in any week in his regular posi-

tion or title or in a position the title of which is allocated to the same salary grade as his regular position, shall receive overtime compensation for the hours worked in excess of forty in each week at one and one-half times the hourly rate of pay received by such employee in his regular position; provided, however, that an employee not subject to the overtime provisions of the federal "Fair Labor Standards Act of 1938" as amended by the federal "Fair Labor Standards Amendments of 1966", being public law six hundred one of the eighty-ninth congress, as approved September twenty-three, nineteen hundred sixty-six, and all acts amendatory thereof and supplementary thereto, may by written agreement with his proper authority exchange hours of work with other employees doing similar work in the same state institution or other state governmental unit without overtime compensation. 7. Notwithstanding the provisions of subdivisions two, three, four, five and six of this section, if the basic annual salary of an officer or employee to whom the provisions of this section apply is identical with the hiring rate, step one, two, three, four, five, six or job rate of the salary grade of his or her position on the effective dates of the increases provided in these subdivisions, such basic annual salary shall be increased to the hiring rate, step one, two, three, four, five, six or job rate, respectively, of such salary grade as contained in the appropriate salary schedules in subparagraphs 1, 2, 3, 4 and 5 of paragraph a of subdivision 1 of section 130 of the civil service law, as added by section one of this act, to take effect on the dates provided in subparagraphs 1, 2, 3, 4 and 5, respectively. 8. Payments pursuant to the provisions of subdivision 6 of section 131 of the civil service law for full-time annual salaried officers and

employees entitled to such payments to whom the provisions of this section apply shall be payable in accordance with the terms of an agreement reached pursuant to article 14 of the civil service law between the state and an employee organization representing employees subject to the provisions of this section.

9. If an unencumbered position is one which if encumbered, would be subject to the provisions of this section, the salary of such position shall be increased by the salary increase amounts specified in this section. If a position is created, and filled by the appointment of an officer or employee who is subject to the provisions of this section, the salary otherwise provided for such position shall be increased in the same manner as though such position had been in existence but unencumbered.

10. The increases in salary provided in subdivisions two, three, four, five, and six of this section, shall apply on a prorated basis to officers and employees, otherwise eligible to receive an increase in salary, who are paid on an hourly or per diem basis, employees serving on a part-time or seasonal basis and employees paid on any basis other than at an annual salary rate. Notwithstanding the foregoing, the provisions of subdivision eight of this section shall not apply to employees serving on an hourly, per diem, or seasonal basis, except as determined by the director of the budget.

11. In order to provide for the officers and employees to whom this section applies who are not allocated to salary grades, but are paid on an annual basis, increases and payments pursuant to subdivision eight of this section in proportion to those provided to persons to whom this section applies who are allocated to salary grades, the director of the budget is authorized to add appropriate adjustments and/or payments to the compensation which such officers and employees are otherwise entitled to receive. The director of the budget shall issue certificates which shall contain schedules of positions and the salaries and/or payments thereof for which adjustments and/or payments are made pursuant to the provisions of this subdivision, and a copy of each such certificate shall be filed with the state comptroller, the state department of civil service, the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

12. Notwithstanding any other provision of this section, the provisions of this section shall not apply to officers or employees paid on a fee schedule basis.

13. Notwithstanding any other provision of this section, any increase in compensation for any officer or employee appointed to a lower graded position from a redeployment list pursuant to subdivision 1 of section 79 of the civil service law who continues to receive his or her former salary pursuant to such subdivision shall be determined on the basis of such lower graded position provided, however, that the increases in salary provided in this section shall not cause such officer's or employee's salary to exceed the job rate of such lower graded position.

14. Notwithstanding any of the foregoing provisions of this section or of any law to the contrary, the director of the budget may reduce the salary of any position which is vacant or which becomes vacant, so long as the position, if encumbered, would be subject to the provisions of this section. The director of the budget does not need to provide a reason for such reduction.

15. Notwithstanding any of the foregoing provisions of this section or of any law to the contrary, any increase in compensation may be withheld in whole or in part from any employee to whom the provisions of this

During the period April 1, 2016 to March 31, 2021, the basic annual salaries of positions in the nonprofessional service, except those positions in the Cornell service and maintenance unit which are subject to the terms of a collective bargaining agreement between Cornell University and the employee organization representing employees in such positions and except those positions in the Alfred service and maintenance unit which are subject to the terms of a collective bargaining agreement between Alfred University and the employee organization representing employees in such positions, in institutions under the management and control of Cornell and Alfred universities as representatives of the board of trustees of the state university may be increased pursuant to plans approved by the state university trustees. Such plans may include new salary schedules which shall supersede the salary schedules then in effect applicable to such employees. Such increases in basic annual salary rates, exclusive of performance advancement payments or merit recognition payments, shall not exceed in the aggregate the payments provided in subdivisions two, three, four, five, and six of section seven of this act, for incumbents of positions subject to this subdivision. Such plans may provide, within the appropriations available therefor, an amount for distribution in whole or in part for meritorious service by Cornell and Alfred universities, in their discretion, with the approval of the state university trustees to the incumbents of such positions.

2. For the purposes of this section, the basic annual salary of employees is that salary which is obtained through direct appropriation of state moneys for the purpose of paying wages. Nothing in this section shall prevent payment of additional amounts to incumbents of such positions in the nonprofessional service in addition to the basic annual salary; provided, however, that the amounts required for such additional payment, and the cost of fringe benefits attributable to such payment, as determined by the comptroller, are made available to the state in accordance with the procedures established by the state university for such purposes.

3. Notwithstanding the foregoing provisions of this section, any increase in compensation provided by this section may be withheld in whole or in part from any officer or employee when, in the opinion of the director of the budget, such withholding is necessary to reflect the job performance of such officer or employee, or to maintain appropriate salary relationships among officers or employees of the state, or to reduce state expenditures to acceptable levels, or when such increase is not warranted or is not appropriate for any reason and the salary of such officer or employee is set at the discretion of the appointing authority.

4. Notwithstanding the foregoing provisions of this subdivision, act or any other provision of law, rule or regulation to the contrary, the contract colleges at Cornell and Alfred universities are authorized to provide for a procedure for the repayment of salaries withheld from incumbents of positions subject to this subdivision as described in subdivision one of this section, pursuant to subdivision 2-a of section 200 of the state finance law in lieu of the lump sum payment authorized by subparagraph 3 of paragraph (a) of such subdivision, subject to the approval of the state university trustees. Further, Cornell and Alfred

Such location payments shall be in addition to and shall not be a part of an officer's or employee's basic annual salary, and shall not affect or impair any performance advancements or other rights or benefits to which an officer or employee may be entitled by law, provided, however, that location payments shall be included as compensation for purposes of computation of overtime pay and for retirement purposes. For the sole purpose of continuing eligibility for location pay in Monroe county, an officer or employee previously eligible to receive location pay on March 31, 1985 who is on an approved leave of absence or participates in an employer program to reduce to part-time service during summer months shall continue to be eligible for said location pay upon return to full-time state service in Monroe county.

Such additional compensation shall be paid in addition to and shall not be a part of the employee's basic annual salary. Notwithstanding the foregoing provisions of this section, or of any other law, such additional compensation as added by this section shall be in lieu of the continuation of any other additional compensation for such employees paid prior to June 2, 1988, in recognition of pre-shift briefing.

2. Notwithstanding any inconsistent provisions of law, effective April 1, 2016, where and to the extent that, an agreement between the state and an employee organization entered into pursuant to article 14 of the civil service law so provides, in recognition of the general requirement that certain full-time employees of the state in the collective negotiating unit designated as the institutional services unit, established pursuant to article 14 of the civil service law, in the employ of the office of children and family services, to assemble for briefing prior to the commencement of duties, each such employee shall continue to receive additional compensation in the amount of $4.80, or one-quarter hour of their overtime rate, whichever is higher, when they are required to and actually assemble for such briefing. Such additional compensation shall be paid in addition to and shall not be a part of the employee's basic annual salary.

entered into pursuant to article 14 of the civil service law so provides, an assignment to duty lump sum shall be paid each year to an employee who is serving in a particular assignment deemed qualified pursuant to such agreement. Such payment shall be in an amount negotiated for those employees assigned to qualifying work assignments and who work such assignments for the minimum periods of time in a year provided in the negotiated agreement.
