IN ASSEMBLY

December 22, 2017

Introduced by M. of A. THIELE, MURRAY -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public authorities law, in relation to the Long Island power authority and power supply management services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 1020-f of the public authorities law, as added by chapter 517 of the laws of 1986, is amended by adding a new subdivision (ii) to read as follows:

(ii) Power supply management services. The authority shall not authorize the service provider to perform any power supply management services, electric resource planning services or related services for the authority if the service provider or any of its affiliates owns any electric generation that competes, directly or indirectly, with generation located in the authority's service area, including, but not limited to, generation that sells, directly or indirectly, electricity into the authority's service area.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
