13 1979, as amended since that date. Reference to the April, 2018 salary

(2) the amount of the increment for each grade shall equal one-seventh of the difference (rounded up to the nearest dollar) between the maximum rate for such grade, as increased by paragraph 1 of this subdivision, and 102 percent of the hiring rate for such grade on the April, 2018 salary schedule (rounded up to the nearest dollar);

(3) the hiring, first, second, third, fourth, fifth and sixth year rates of compensations for each grade shall equal the maximum rate for such grade, as increased by paragraph 1 of this subdivision, minus 7, 6, 5, 4, 3, 2 and 1 times the amount of the increment for such grade, as increased by paragraph 2 of this subdivision, respectively;

(4) the longevity rate for each grade shall equal the maximum rate for such grade, as increased by paragraph 1 of this subdivision, plus the amount of the increment for such grade; and

(5) the extra-longevity rate for each grade shall equal the longevity rate for such grade, as increased by paragraph 4 of this subdivision, plus the amount of the increment for such grade.

(b) Effective April 1, 2020, each of the rates of pay established by the April, 2019 salary schedule shall be increased as follows:

(1) the maximum rate for each grade shall be increased by an amount equal to 2 percent thereof (and then rounded up to the nearest dollar);

(3) the hiring, first, second, third, fourth, fifth and sixth year rates of compensation for each grade shall equal the maximum rate for such grade, as increased by paragraph 1 of this subdivision, minus 7, 6, 5, 4, 3, 2 and 1 times the amount of the increment for such grade, as increased by paragraph 2 of this subdivision, respectively;

(4) the longevity rate for each grade shall equal the maximum rate for such grade, as increased by paragraph 1 of this subdivision, plus the amount of the increment for such grade; and

(5) the extra-longevity rate for each grade shall equal the longevity rate for such grade, as increased by paragraph 4 of this subdivision, plus the amount of the increment for such grade.

§ 3. Increases in compensation.

(a) Each nonjudicial officer and employee of the unified court system in a position allocated to a salary grade in the unified court system's classification structure that is in any collective negotiating unit of nonjudicial officers and employees of the unified court system where, pursuant to section five of this act, the chief administrator of the courts has delivered to the comptroller a certificate that an employee organization representing nonjudicial officers and employees in such unit has negotiated a collective bargaining agreement with the unified court system that is in effect, or that is in any of the following collective negotiating units, shall receive increased compensation in accordance with this section: (1) New York City senior court officers and (2) New York City court officers. Bonuses and increases to basic annual salary, as provided in this section, shall be prorated for any nonjudicial officer or employee whose position is part-time, or who otherwise works part-time, and who is eligible, under the rules of the chief judge of the state or an agreement between the state and an employee organization pursuant to the provisions of article fourteen of the civil service law, to accrue annual and sick leave credits. Bonuses as provided in this section, and payments pursuant to paragraph 3 of

subdivision (b) and paragraph 3 of subdivision (c) of this section, shall be in addition to and shall not be a part of an employee's basic annual salary; provided, however, they shall be included as compensation for retirement purposes. For purposes of this section:

(i) no nonjudicial officer or employee shall receive a full or partial increment or bonus hereunder unless he or she shall have received other than an unsatisfactory performance rating for his or her services during the year immediately preceding pursuant to a performance evaluation system set forth in an agreement specified in section one of this act;

(ii) service in the employ of the unified court system shall mean service in one or more courts or agencies of the unified court system, whether as a judge or as a nonjudicial officer or employee. In order for a nonjudicial officer or employee's years of service in the employ of the unified court system to be "continuous," he or she must have served the equivalent of 120 workdays in each of those years; and the number of years required to qualify for a bonus hereunder must be served consecutively except that they may be interrupted by one or more breaks of not more than one year each, attributable to a period of time between any separation from his or her position in the employ of the unified court system and resumption of service in such employ.

(b) Effective April 1, 2019:

(1) Each such nonjudicial officer and employee who is eligible to receive a full or partial increment of the grade of his or her position in accordance with provisions of the judiciary law shall receive such full or partial increment, to be determined in accordance with the April, 2018 salary schedule.

(2) Each such nonjudicial officer and employee shall be placed in his or her grade on the April, 2019 salary schedule in the manner provided as follows:

(i) If his or her basic annual salary under the April, 2018 salary schedule, including any increase pursuant to paragraph 1 of this subdivision, is identical with the hiring, first year, second year, third year, fourth year, fifth year, sixth year, maximum, longevity or extra-longevity rate of compensation of the grade of his or her position, that basic annual salary shall be increased to the corresponding rate of compensation in such grade as established by the April, 2019 salary schedule; or

(ii) If his or her basic annual salary under the April, 2018 salary schedule, including any increase pursuant to paragraph 1 of this subdivision, is not identical with the hiring, first year, second year, third year, fourth year, fifth year, sixth year, maximum, longevity or extra-longevity rate of compensation of the grade of his or her position, that basic annual salary shall be increased by an amount equaling 2 percent thereof (and then rounded up to the nearest dollar).

Notwithstanding the foregoing, where operation of the provisions of this paragraph would result in a nonjudicial officer or employee receiving an increase in basic annual salary of less than 1,000 dollars, such nonjudicial officer or employee shall be placed in his or her grade on the April, 2019 salary schedule at his or her basic annual salary, including any increase pursuant to paragraph 1 of this subdivision, plus 1,000 dollars.

(3) Each such nonjudicial officer and employee in a title on such date in the security series under the unified court system's classification structure shall receive a payment equaling 500 dollars, if he or she:

(i) served the equivalent of 120 workdays in a title in such security series during the preceding state fiscal year; and (ii) was authorized

1 to carry a firearm while on duty at any time during the preceding 15
2 months. Such payment shall be prorated for any such nonjudicial officer
3 or employee otherwise entitled thereto whose position is part-time, but
4 not compensated on a per diem or hourly basis.

5 (4) Each such nonjudicial officer and employee in the employ of the
6 unified court system having at least 20 years of continuous service in
7 the employ of the unified court system as of the preceding March 31
8 shall receive a bonus equaling: (i) 2,050 dollars, if he or she has less
9 than 25 years of such service as of such date; or (ii) 2,150 dollars, if
10 he or she has at least 25 but less than 30 years of such service as of
11 such date; or (iii) 2,250 dollars, if he or she has at least 30 years of
12 such service as of such date.

13 (c) Effective April 1, 2020:

14 (1) Each such nonjudicial officer and employee who is eligible to
15 receive a full or partial increment of the grade of his or her position
16 in accordance with provisions of the judiciary law shall receive such
17 full or partial increment, to be determined in accordance with the
18 April, 2019 salary schedule.

19 (2) Each such nonjudicial officer and employee shall be placed in his
20 or her grade on the April, 2020 salary schedule in the manner provided
21 as follows:

22 (i) If his or her basic annual salary under the April, 2019 salary
23 schedule, including any increase pursuant to paragraph 1 of this subdivi-
24 sion, is identical with the hiring, first year, second year, third
25 year, fourth year, fifth year, sixth year, maximum, longevity or extra-
26 longevity rate of compensation of the grade of his or her position, that
27 basic annual salary shall be increased to the corresponding rate of
28 compensation in such grade as established by the April, 2020 salary
29 schedule; or

30 (ii) If his or her basic annual salary under the April, 2019 salary
31 schedule, including any increase pursuant to paragraph 1 of this subdivi-
32 sion, is not identical with the hiring, first year, second year, third
33 year, fourth year, fifth year, sixth year, maximum, longevity or extra-
34 longevity rate of compensation of the grade of his or her position, that
35 basic annual salary shall be increased by an amount equaling 2 percent
36 thereof (and then rounded up to the nearest dollar);

37 Notwithstanding the foregoing, where operation of the provisions of
38 this paragraph would result in a nonjudicial officer or employee receiv-
39 ing an increase in basic annual salary of less than 1,000 dollars, such
40 nonjudicial officer or employee shall be placed in his or her grade on
41 the April, 2020 salary schedule at his or her basic annual salary,
42 including any increase pursuant to paragraph 1 of this subdivision, plus
43 1,000 dollars.

44 (3) Each such nonjudicial officer and employee in a title on such date
45 in the security series under the unified court system's classification
46 structure shall receive a payment equaling 750 dollars, if he or she:

47 (i) served the equivalent of 120 workdays in a title in such security
48 series during the preceding state fiscal year; and (ii) was authorized
49 to carry a firearm while on duty at any time during the preceding 15
50 months. Such payment shall be prorated for any such nonjudicial officer
51 or employee otherwise entitled thereto whose position is part-time, but
52 not compensated on a per diem or hourly basis.

53 (4) Each such nonjudicial officer and employee in the employ of the
54 unified court system having at least 20 years of continuous service in
55 the employ of the unified court system as of the preceding March 31
56 shall receive a bonus equaling: (i) 2,100 dollars, if he or she has less

1 than 25 years of such service as of such date; or (ii) 2,200 dollars, if
2 he or she has at least 25 but less than 30 years of such service as of
3 such date; or (iii) 2,300 dollars, if he or she has at least 30 years of
4 such service as of such date.

5 § 4. Location pay. (a) Notwithstanding any other provision of law:

6 (1) Commencing April 1, 2019, any nonjudicial officer or employee to
7 whom the provisions of section three of this act apply shall receive
8 location pay as follows:

9 (i) at a rate of 4,200 dollars, if his or her principal place of
10 employment is in the city of New York; or

11 (ii) at a rate of 2,100 dollars, if his or her principal place of
12 employment is in Dutchess County, Putnam County or Orange County.

13 (2) commencing April 1, 2020, any nonjudicial officer or employee to
14 whom the provisions of section three of this act apply shall receive
15 location pay as follows:

16 (i) at a rate of 4,300 dollars, if his or her principal place of
17 employment is in the city of New York; or

18 (ii) at a rate of 2,150 dollars, if his or her principal place of
19 employment is in Dutchess County, Putnam County or Orange County.

20 (b) Effective April 1, 2019, the location pay provided in this section
21 shall be in lieu of any other location pay provided by law. Prior to
22 such date, the location pay for any nonjudicial officer or employee to
23 whom the provisions of section three of this act apply shall be as else-
24 where provided by law.

25 (c) Except as provided in subdivisions (a) and (b) of this section, no
26 nonjudicial officer or employee to whom the provisions of section three
27 of this act apply shall receive location pay. Any location pay author-
28 ized hereunder shall be in addition to and shall not be a part of an
29 employee's basic annual salary and shall not impair rights or benefits
30 to which an employee may be entitled by law; provided, however, that
31 location pay shall be included as compensation for purposes of computa-
32 tion of overtime pay and for retirement purposes. Location pay, as
33 provided in this section, shall be prorated for any nonjudicial officer
34 or employee to whom the provisions of section three of this act apply
35 and whose position is part-time, but not compensated on a per diem or
36 hourly basis.

37 § 5. (a) Application of this act to nonjudicial officers and employees
38 of the unified court system in other negotiating units. In the event
39 that, on or after the date on which this section shall become law, a
40 collective bargaining agreement is negotiated by the unified court
41 system pursuant to article fourteen of the civil service law with an
42 employee organization representing nonjudicial officers and employees of
43 the unified court system in a negotiating unit other than the state
44 negotiating unit, the chief administrator of the courts, with the agree-
45 ment of such employee organization, shall deliver to the comptroller a
46 certificate that such collective bargaining agreement is in effect where
47 the provisions of sections three and four of this act are provided for
48 therein.

49 (b) In the event that subdivision (a) of this section applies to a
50 nonjudicial officer or employee in a collective negotiating unit on
51 account of a collective bargaining agreement negotiated by the unified
52 court system with an employee organization representing nonjudicial
53 officers and employees in such unit, the following provisions shall
54 apply, as appropriate, notwithstanding any other provision of law:

55 (1) No nonjudicial officer or employee in such unit may receive a
56 bonus based upon years of continuous service pursuant to this section

1 where he or she, as of the date on which the collective bargaining
2 agreement specified herein takes effect, already has received such bonus
3 pursuant to law other than a provision of this act unless the amount of
4 the bonus that has been received is less than the amount of the bonus to
5 which such nonjudicial officer or employee would otherwise be entitled
6 pursuant to this section in which event such nonjudicial officer or
7 employee shall receive a bonus equaling the difference between the two
8 amounts.

9 (2) Any full or partial increment received by a nonjudicial officer or
10 employee in such unit on a date prior to the date on which the collec-
11 tive bargaining agreement specified herein takes effect, pursuant to law
12 other than a provision of this act, shall not be considered when deter-
13 mining, for purposes of this act:

14 (i) such nonjudicial officer or employee's basic annual salary on a
15 specified date; and

16 (ii) whether such nonjudicial officer or employee is eligible to
17 receive a full or partial increment of the grade of his or her position
18 on that date.

19 (3) Any location pay to which a nonjudicial officer or employee in
20 such unit shall be entitled during a fiscal year on account of this
21 section shall be in lieu of any other location pay provided by law;
22 except that, where a nonjudicial officer or employee eligible to receive
23 location pay during a fiscal year pursuant to the provisions of this
24 section has received location pay during such fiscal year, pursuant to
25 law other than a provision of this act, the amount of location pay
26 authorized by this section shall be reduced by the amount of the
27 location pay that was received.

28 § 6. Collective bargaining agreement required. The provisions of
29 sections three and four of this act shall not be implemented for nonju-
30 dicial officers and employees in a collective negotiating unit estab-
31 lished pursuant to article fourteen of the civil service law until the
32 chief administrator of the courts shall deliver to the comptroller a
33 certificate that there is in effect with respect to such negotiating
34 unit a written collective bargaining agreement with the state pursuant
35 to article fourteen of the civil service law which provides therefor;
36 and any increase in compensation, including increases in basic annual
37 salary, increments or partial increments, bonuses or other payments,
38 provided by sections three and four of this act or otherwise authorized
39 by law, shall not preclude any other increases in compensation for such
40 a nonjudicial officer or employee as may be authorized by law.

41 § 7. Date of entitlement to salary increase. Notwithstanding the
42 provisions of this act or any other law, each increase in salary or
43 compensation for nonjudicial officers or employees provided by this act
44 shall be added to the salary or compensation of such officer or employee
45 at the beginning of the payroll period the first day of which is nearest
46 to the effective date of such increase as provided in this act;
47 provided, however, for the purposes of determining the salary of such
48 officer or employee upon reclassification, reallocation, appointment,
49 promotion, transfer, demotion, reinstatement or other change of status,
50 such salary increase shall be deemed to be effective on the date thereof
51 as prescribed in this act, and the payment thereof pursuant to this
52 section on the date prior thereto instead of on such effective date,
53 shall not operate to confer any additional salary rights or benefits on
54 such officer or employee.

55 § 8. Deferred payment of salary increase. Notwithstanding the
56 provisions of this act or any other law, commencing April 1, 2017, and

1 pending payment pursuant to this act of the basic annual salaries of
2 incumbents of positions subject to this act commencing April 1, 2017,
3 such incumbents shall receive, as partial compensation for services
4 rendered, the rate of compensation otherwise payable in their respective
5 positions pursuant to law then in effect. An incumbent holding a posi-
6 tion subject to this act at any time during the period from April 1,
7 2017 until the time when basic annual salaries are first paid pursuant
8 to this act for such service in excess of the compensation actually
9 received therefor shall be entitled to a lump sum payment for the
10 difference between the salary to which such incumbent is entitled for
11 such service and the compensation actually received therefor. Such lump
12 sum payment shall be made as soon as practicable, except that such lump
13 sum payment shall not be made, nor shall any lump sum payment pursuant
14 to any other provision of law be made to any employee or former employee
15 serving in a position in a negotiating unit specified in section one of
16 this act between April 1, 2014 and April 1, 2017 on account of service
17 in such position, unless the legislature has appropriated thirty-seven
18 million dollars to the administrative office of the courts for the
19 express purpose of funding such lump sum payments, as provided in
20 section nine of this act or some other provision of law.

21 § 9. The sum of thirty-seven million dollars (\$37,000,000) is hereby
22 appropriated out of any moneys in the state treasury in the general fund
23 to the credit of the state purposes account, not otherwise appropriated,
24 and made immediately available to the administrative office of the
25 courts for payment pursuant to this act of costs and expenses thereunder
26 necessary during the 2017-18 state fiscal year, including lump sum
27 payments due employees pursuant to section eight of this act on account
28 of service during a state fiscal year prior to the 2017-18 fiscal year;
29 provided, however, where provisions of law require expenditures that
30 must be paid from appropriations from funds of the state other than the
31 general fund or that, by established administrative practice, are paid
32 from such funds, the chief administrator of the courts shall so certify
33 to the comptroller, and thereupon the appropriation provided in this
34 section shall be available for such expenditures.

35 § 10. This act shall take effect immediately and shall be deemed to
36 have been in full force and effect on and after April 1, 2017.
