The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "Empire
2 State citizens' protection from unwarranted surveillance act".

3 § 2. The civil rights law is amended by adding a new section 52-a to
4 read as follows:

5 § 52-a. Limitations on the use of drones. 1. No law enforcement agency
6 or a state, county or municipal agency shall use a drone or other
7 unmanned aircraft to gather, store or collect evidence of any type,
8 including audio or video recordings, or both, or other information
9 pertaining to criminal conduct or conduct in violation of a statute or
10 regulation except to the extent specifically authorized in a valid
11 search warrant; provided, however, that the use of a drone by a law
12 enforcement agency or a state, county or municipal agency is not prohib-
13 ited when exigent circumstances exist. For the purposes of this
14 section, exigent circumstances exist if a law enforcement agency
15 possesses reasonable suspicion that swift action is necessary to prevent
16 imminent danger to life.

17 2. No person, entity, or state agency shall use a drone or other
18 unmanned aircraft to conduct surveillance of or to monitor any individ-
19 ual inside his or her home or place of worship or within the closed
20 confines of their property or other locations where a person would have
21 an expectation of privacy.

22 3. This section does not prohibit the use of a drone:

23 a. by a law enforcement agency:

11 b. by a person for lawful purposes, including recreational or hobby
12 purposes.

13 4. a. A person who violates the provisions of this section is guilty
14 of a class B misdemeanor; provided, however, that if the violation of
15 the provisions of this section is committed in the course of or in
16 conjunction with the commission of a felony, a person who violates the
17 provisions of this section is guilty of a class C felony.

18 b. Any evidence or information obtained or collected in violation of
19 the provisions of this section, and all evidence derived from such
20 evidence or information, shall be inadmissible in a criminal or civil

23 c. An aggrieved party may initiate a civil action against a law
24 enforcement agency to obtain all appropriate relief in order to prevent,
25 restrain or remedy a violation of this section.

26 5. As used in this section:

27 a. "Drone" means a powered or an un-powered aerial vehicle or a
28 balloon float or other device that:

29 (1) does not carry a human operator;

30 (2) uses aerodynamic forces or gases to provide lift;

37 of secrecy, and whereby there is a reasonable likelihood that a continu-
38 ing investigation would be thwarted by alerting any of the persons
39 subject to surveillance to the fact that such surveillance had occurred.

40 c. "Law enforcement agency" means a lawfully established state or
41 local public agency that is responsible for the prevention and detection
42 of crime, the enforcement of local government codes and the enforcement
43 of penal, traffic, regulatory, game or controlled substance laws and
44 includes an agent of the law enforcement agency.

49 § 3. Severability. If any provision of this act or its application to
50 any person or circumstance is held invalid, the invalidity does not
51 affect other provisions or applications of the act that can be given
52 effect without the invalid provision or application, and to this end the
53 provisions of this act are severable.

54 § 4. This act shall take effect immediately.
